

Hooked

Brenda Rothert

Hooked Emily McIntire, 2021-09-07 He wants revenge, but he wants her more. Once Upon A Time, there was a little boy. His belly full of laughter, his life full of joy. Until one day, something changed; stripped his innocence away. The hole inside making space for the devil to come and play. His dreams gone forever, he grew up way too fast. An endless night of crocodiles, and watches made of glass. He grew into a villain, the taste of vengeance on his tongue. Craving to make his enemies pay for the misdeeds they had done. Instead he found a darling girl, and refused to let her go. For what better way to make the man pay, than to steal his little shadow. *Hooked is a full-length, complete standalone and the first in The Never After Series: A collection of fractured fairy tales where the villains get the happy ever after. This is a DARK Contemporary romance (not fantasy) featuring mature themes and content that may not be suitable for all audiences. Reader discretion is advised.*

Hooked Nir Eyal, 2014-11-04 Revised and Updated, Featuring a New Case Study How do successful companies create products people can't put down? Why do some products capture widespread attention while others flop? What makes us engage with certain products out of sheer habit? Is there a pattern underlying how technologies hook us? Nir Eyal answers these questions (and many more) by explaining the Hook Model—a four-step process embedded into the products of many successful companies to subtly encourage customer behavior. Through consecutive “hook cycles,” these products reach their ultimate goal of bringing users back again and again without depending on costly advertising or aggressive messaging. Hooked is based on Eyal's years of research, consulting, and practical experience. He wrote the book he wished had been available to him as a start-up founder—not abstract theory, but a how-to guide for building better products. Hooked is written for product managers, designers, marketers, start-up founders, and anyone who seeks to understand how products influence our behavior. Eyal provides readers with: • Practical insights to create user habits that stick. • Actionable steps for building products people love. • Fascinating examples from the iPhone to Twitter, Pinterest to the Bible App, and many other habit-forming products.

Hooked Joe S. McIlhaney, Jr., Freda McKissic Bush, 2008-08-01 Society tells us that sex is an act of self-expression, a personal choice for physical pleasure that can be summed up in the ubiquitous phrase: “hooking up. Millions of American teenagers and young adults are finding that the psychological baggage of such behavior is having a real and lasting impact on their lives. They are discovering that “hooking up” is the easy part, but “unhooking” from the bonds of a sexual relationship can have serious consequences. A practical look into new scientific research showing how sexual activity causes the release of brain chemicals, which then result in emotional bonding and a powerful desire to repeat the activity. This book will help parents and singles understand that “safe sex” isn't safe at all; that even if they are protected against STDs and pregnancy, they are still hurting themselves and their partner.

Hooked Michael Moss, 2021-03-02 NATIONAL BESTSELLER From the #1 bestselling and Pulitzer Prize-winning author of Salt Sugar Fat, the troubling story of how food companies have exploited our most fundamental evolutionary instincts to get us hooked on processed foods. Everyone knows how hard it can be to maintain a healthy diet. But what if some of the decisions we make about what to eat are beyond our control? Is it possible that processed food is addictive, like drugs or alcohol? Motivated by these questions, Pulitzer Prize-winning investigative reporter Michael Moss began searching for answers, to find the true peril in our food. In Hooked, Moss explores the science of addiction and uncovers what the scientific and medical communities--as well as food manufacturers--already know, which is that food can, in some cases, be even more addictive than alcohol, cigarettes, or drugs. Our bodies are hard-wired for sweets, so food manufacturers have deployed fifty-six types of sugar to add to their products, creating in us the expectation that everything should be cloying; we've evolved to prefer convenient meals, so three-fourths of the calories we get from groceries come from ready-to-eat foods. Moss goes on to show how the processed food industry has not only tried to deny this troubling discovery, but exploit it to its advantage. For instance, in a response to recent dieting trends, food manufacturers have simply turned junk food into junk diets, filling grocery stores with diet foods that are hardly distinguishable from the products that got us into trouble in the first place. With more people unable to make dieting work for them, manufacturers are now claiming to add ingredients that can effortlessly cure our compulsive eating habits. A gripping account of the legal battles, insidious marketing campaigns, and cutting-edge food science that have brought us to our current public health crisis, Hooked lays out all that the food industry is doing to exploit and deepen our addictions, and shows us what we can do so that we can once again seize control.

Hooked Liz Fichera, 2013-02-01 Get Hooked on a Girl Named Fred... He said: Fred Oday is a girl? Puh-leeze. Why is a girl taking my best friend's spot on the boys' varsity golf team? She said: Can I seriously do this? Can I join the boys' team? Everyone will hate me—especially Ryan Berenger. He said: Coach expects me to partner with Fred on the green? That is crazy bad. Fred's got to go—especially now that I can't get her out of my head. So not happening. She said: Ryan can be nice, when he's not being a jerk. Like the time he carried my golf bag. But the girl from the rez and the spoiled rich boy from the suburbs? So not happening.

Hooked Chloe Shantz-Hilkes, 2013-02-01 This collection of ten true stories is based on interviews with people who, in their youth, lived with an addicted parent or sibling. The subjects speak honestly about what it was like to grow up with a family member addicted to alcohol, drugs, food, pills, or gambling. While describing how they managed to cope, interviewees explore the full range of situations and emotions they experienced—from denial, anger, and confusion to acceptance and forgiveness. Their maturity, sensitivity, and even their sense of humor will give teens going through similar situations the important realization that there are many ways to break free from the chains of others' addictions.

Hooked Tommy Greenwald, 2018-01-09 A boy and his dad discover all they have in common on a fishing trip in this sweet picture book about father-son bonding.

Hooked Gregory L. Jantz, 2012 A balanced, practical approach to using technology without losing control that speaks frankly and enthusiastically about all of the gizmos and gadgets and their affects on lives. Real-life cautionary tales are presented along with biblical applications and study questions.

Hooked Howard Brody, 2007 For decades, medical professionals have betrayed the public's trust by accepting various benefits from the pharmaceutical industry. Both drug company representatives and doctors employ artful spin to portray this behavior positively to the public, and to themselves. In Hooked, Howard Brody argues that we can neither understand the problem, nor propose helpful solutions until we identify the many levels of activity connecting these purportedly noble industries. We can pass laws and enact regulations, but ultimately the medical profession must take responsibility for its own integrity. Hooked is a wake-up call for anyone expecting high

quality, ethical medical care.

Hooked Sutton Foster, 2021-10-12 From the 2-time Tony Award-winner and the star of TV's *Younger*, funny and intimate stories and reflections about how crafting has kept her sane while navigating the highs and lows of family, love, and show business (and how it can help you, too). Whether she's playing an "age-defying" book editor on television or dazzling audiences on the Broadway stage, Sutton Foster manages to make it all look easy. How? Crafting. From the moment she picked up a cross stitch needle to escape the bullying chorus girls in her early performing days, she was hooked. Cross stitching led to crocheting, crocheting led to collages, which led to drawing, and so much more. Channeling her emotions into her creations centered Sutton as she navigated the significant moments in her life and gave her tangible reminders of her experiences. Now, in this charming and poignant collection, Sutton shares those moments, including her fraught relationship with her agoraphobic mother; a painful divorce splashed on the pages of the tabloids; her struggles with fertility; the thrills she found on the stage during hit plays like *Thoroughly Modern Millie*, *Anything Goes*, and *Violet*; her breakout TV role in *Younger*; and the joy of adopting her daughter, Emily. Accompanying the stories, Sutton has included crochet patterns, recipes, and so much more! Witty and poignant, *Hooked* will leave readers entertained as well as inspire them to pick up their own cross stitch needles and paintbrushes.

Hooked C. H. Groves, 2017-03-10

Hooked Joe S. McIlhaney, Jr., Freda McKissic Bush, 2019-01-01 How sex is rewiring your brain—for good and for bad What does a three-pound brain have to do with one's sex life? A lot, actually. *Hooked* is about what's happening to your brain when you're having sex. With scientific data put in layman's terms, this book demonstrates that: Sexual activity releases chemicals in the brain, creating emotional bonds between partners. This is great news for marriages! Once formed, however, breaking these bonds can have damaging effects on the brain such as depression and difficulty bonding with someone else in the future. The continual forming and breaking of these bonds can have permanent effects on a person's brain. PLUS! This updated edition also includes a brand new chapter about the effects of pornography on the brain. All this data about bonding, sex, and pornography has important implications in a casual sex culture. Regardless of what we wish were true, the facts tell us "safe sex" isn't as safe as it seems. Learn about your brain, the positive effects of sex within permanently committed relationships, and how you can protect yourself (especially your brain) from the dangers of casual sex.

Hooked A.C. Wise, 2022-07-12 A dark, gorgeous reimagining about what happened to Captain Hook after Neverland from the bestselling author of *Wendy, Darling* – filled with eerie suspense and heart-breaking anguish Once invited, always welcome. Once invited, never free. Captain James Hook, the immortal pirate of Neverland, has died a thousand times. Drowned, stabbed by Peter Pan's sword, eaten by the beast swimming below the depths, yet James was resurrected every time by one boy's dark imagination. Until he found a door in the sky, an escape. And he took the chance no matter the cost. Now in London twenty-two years later, Peter Pan's monster has found Captain Hook again, intent on revenge. But a chance encounter leads James to another survivor of Neverland. Wendy Darling, now a grown woman, is the only one who knows how dark a shadow Neverland casts, no matter how far you run. To vanquish Pan's monster once and for all, Hook must play the villain one last time... Exploring themes of grief, survivor's guilt and healing broken bonds, *Hooked* is a modern-day Peter Pan story, perfect for fans of retellings, Christina Henry and V.E. Schwab.

Scarred Emily McIntire, 2022-01-04 Once Upon A Time, There was a king who passed. He left behind two sons, one beloved and one outcast. The older of the two was set to take the throne, but before he could, he had to find a queen to call his own. The younger one was known to be unruly and unhinged. The chosen queen was warned to keep far away from him. Beautiful and cunning, in the light is where she stayed. But late at night, it was the shadowed lands in which she played. Mistakes were made and secrets forged; forgetting duty and her sense. And while the new king had her hand, her heart belonged to the scarred prince. **Scarred* is a dark royal romance. It is not a retelling, and it is not fantasy. It has mature situations and themes which may be considered triggers for some. Reader discretion is advised.*

Hooked Brenda Rothert, 2016-12-06 From the author of the *On the Line* and *Fire on Ice* hockey romance series comes a sultry standalone novel featuring a brooding NHL player who's hell on skates—and the no-nonsense woman who forces him to clean up his act. Miranda: Even though I'm broke, putting myself through college, and working two jobs, I'm trying to make the best of it. Meanwhile, Jake Birch, hockey's hottest bad boy, lives in a luxury hotel in downtown Chicago—and still complains about every little thing in his penthouse. But after I tell him off, instead of getting me fired, Jake requests me as his personal housekeeper. Then he starts flirting with me. Only I'm not flirting back . . . at least, I'm trying not to. Did I mention that he's hockey's hottest bad boy? Jake: I've met the best woman at the worst possible time. Miranda is the fire to my ice—a sexy, charmingly candid spark who breaks down my walls and reminds me what it's like to feel again. But I'm being forced to date my team owner's daughter to keep my job, so I can't be caught with Miranda. Still, we're getting closer—until Miranda finds out about my "girlfriend." And that's not the only secret I've been keeping. But Miranda's the one I want . . . even if she doesn't believe me. Praise for *Hooked* "I loved this book, an awesome romance with some chuckles and a little sexiness. I will definitely be checking out other books by Brenda [Rothert] and I absolutely recommend this book."—BookSmacked (Five stars) "A sexy, heartwarming tale, that I truly enjoyed. I wouldn't hesitate to recommend it to anyone who enjoys sports romance or really contemporary romance in general."—Where the Night Kind Roam "Sexy, sweet and totally had me swooning. Prepare to get Hooked."—New York Times bestselling author Sawyer Bennett "Hooked is sexy, sweet, and full of steam! Jake is pure alpha male and a hockey bad boy. But he steams up the pages with Miranda, a sassy, independent housekeeper. My favorite Brenda Rothert book yet! A total must-read."—USA Today bestselling author Chelle Bliss "The heroine is strong and sassy while the hero is impossible not to love. I laughed out loud several times at cute banter and clever lines. I'd recommend a one-click without hesitation!"—New York Times bestselling author S.E. Hall "Hooked is a sweet, steamy and romantic story with characters you'll fall in love with."—USA Today bestselling author Kelly Jamieson "Brenda Rothert writes a sweet, compelling hockey romance about a bad-tempered hockey player. I enjoyed this emotional story."—Cocktails & Books "Brenda Rothert did a wonderful job with this story. It's a nice read that I enjoyed 100%!"—Cristiina Reads "Hooked is everything that I've come to expect from one of Brenda [Rothert's] books, and more."—Smut Book Junkie Book Reviews "What a sweet story . . . the banter, the love scenes and the sweet touching moments. It is such an easy and enjoyable read."—Read-Love-Blog "Bravo to Brenda! I cannot wait to read more of her books!"—Kelly's Book Blog "I loved both characters as they battled through all the hurdles to finding their HEA. . . . I thoroughly enjoyed Hooked."—Books & Boys Book Blog Includes an excerpt from another Loveswept title.

Hooked Rita Felski, 2020-11-20 "Examines the way we connect to novels, films, paintings and music, and argues that our enthusiasms should be an integral part of conversations about art." –Helen Thaventhiran, London Review of Books How does a novel entice or enlist us? How does a song surprise or seduce us? Why do we bristle when a friend belittles a book we love, or fall into a funk when a favored TV series comes to an end? What characterizes the aesthetic experiences of feeling captivated by works of art? In *Hooked*, Rita Felski challenges the ethos of critical aloofness that is a part of modern intellectuals' self-image. The result is sure to be as widely read as Felski's book, *The Limits of Critique*. Wrestling the language of affinity away from accusations of sticky sentiment and manipulative marketing, Felski argues that "being hooked" is as fundamental to the appreciation of high art as to the enjoyment of popular culture. *Hooked* zeroes in on three attachment devices that connect audiences to works of art: identification, attunement, and interpretation. Drawing on examples from literature, film, music, and painting—from Joni Mitchell to Matisse, from Thomas Bernhard to Thelma and Louise—Felski brings the language of attachment into the academy. *Hooked* returns us to the fundamentals of aesthetic experience, showing that the social meanings of artworks are generated not just by critics, but also by the responses of captivated audiences. "[*Hooked*] is an exposé aimed at critics who disavow their personal allegiances." –Matthew Rubery, Public Books "There are many insights in *Hooked* that will facilitate a productive interdisciplinary conversation about aesthetics, politics, and the future of critique." –Michael Gallope, nonsite.org

Hooked Catherine Greenman, 2011-08-09 Thea Galehouse has always known how to take care of herself. With a flighty club-owner mom and a standoffish, recovering-alcoholic dad, Thea has made her own way in her hometown of New York, attending the prestigious and competitive Stuyvesant High School. But one chat with Will, a handsome and witty senior, and she's a goner—completely hooked on him and unable to concentrate on anything else. Always worried that she loves Will more than he loves her, Thea is pleasantly surprised when their romance weathers his move to college and Will goes out of his way to involve her in his life. But then, Thea misses a period. And that starts Thea and Will on a wild ride that neither of them could have possibly prepared for. When they decide to keep the baby, their concerned parents chip in what they can to keep Will in school and give both teenagers a comfortable place to raise their child. But when a freak accident leaves Thea shaken and threatens to upend their little family altogether, Thea is forced to turn to the last place she would have chosen for comfort: her stiff, uncompromising father. This smart, touching first novel brims with realistic, beautifully drawn characters, and reminds us that love is never as easy or predictable as we might like it to be.

Hooked Gabrielle Dolan, Yamini Naidu, 2013-07-02 How to use storytelling to move people to action In today's hyper-competitive business environment, leaders who can engage and inspire their teams and organisations have a distinct advantage. Using the art of effective storytelling, leaders can defeat information overload to inspire the emotion and effort needed to adopt new strategies, attract new clients, or win new business. Dry facts and data fade from memory over time, but an engaging story is difficult to forget. In *Hooked*, communication and business storytelling experts Gabrielle Dolan and Yamini Naidu use real-world examples and proven, effective techniques to teach the skill of great business storytelling. They explain what good storytelling is, why business leaders need to learn it, how to create effective stories, and how to practice for perfection. Offers proven advice on telling engaging, inspiring stories Includes real-world examples and case studies of what to do and not to do Features tips, lists, checklists, business models, worksheets, links to online quizzes, and other valuable resources For CEOs and other business leaders who need to communicate more effectively and persuasively, *Hooked* offers effective techniques and valuable guidance.

Hooked on Amigurumi Melanie Morita, 2019-06-25 Create Irresistible Amigurumi Masterpieces with These 40 Adorable and Easy-to-Follow Patterns Crocheting has never been so cute! With patterns for everything from mermaids and the Loch Ness monster to jellyfish, teapots and cinnamon rolls, these cuddly amigurumi plushes are guaranteed to charm, making them an enchanting addition to a child's toy collection, a perfect handmade gift or a whimsical way to brighten your home. Best of all, each project requires little or no sewing, allowing them to come together quickly and easily. Beginners will learn the basics behind amigurumi stitches, and experts will enjoy trying out new techniques and designs, making this an appealing collection for crafters of every skill level. Each addictive project will have you reluctant to put down the crochet hook, and the impressive variety of patterns means you won't have to.

Salt Sugar Fat Michael Moss, 2013-02-26 From a Pulitzer Prize-winning investigative reporter at The New York Times comes the troubling story of the rise of the processed food industry -- and how it used salt, sugar, and fat to addict us. *Salt Sugar Fat* is a journey into the highly secretive world of the processed food giants, and the story of how they have deployed these three essential ingredients, over the past five decades, to dominate the North American diet. This is an eye-opening book that demonstrates how the makers of these foods have chosen, time and again, to double down on their efforts to increase consumption and profits, gambling that consumers and regulators would never figure them out. With meticulous original reporting, access to confidential files and memos, and numerous sources from deep inside the industry, it shows how these companies have pushed ahead, despite their own misgivings (never aired publicly). *Salt Sugar Fat* is the story of how we got here, and it will hold the food giants accountable for the social costs that keep climbing even as some of the industry's own say, Enough already.

This Engaging World of E-book Books: A Thorough Guide Unveiling the Advantages of Kindle Books: A Realm of Convenience and Versatility Kindle books, with their inherent mobility and simplicity of availability, have liberated readers from the limitations of hardcopy books. Gone are the days of lugging cumbersome novels or meticulously searching for specific titles in bookstores.
