*The Harm I've Done* Stories From The Attic,2020-12-20 The first time I took revenge on Malcolm Peters I have to admit, I regretted it. Not that he didn't deserve it you understand. There was definitely justification for what I did, but somehow, it felt awkward staining, and wrong. It wasn't even really about him or any concern for how my actions would have affected him. Rather, it was more about me, the way that taking those actions made me feel. That first time, the pleasure in revenge was momentary and pretty soon I began to feel regret at having debased myself, allowing myself to be dragged down to that level. There had been enough of that sort of thing in our family already. The second time, the final time, I felt no remorse. What happened, happened. Nothing can be done about it now and of course, there is no way to prove that I or Ciaco had anything to do with it. I first met Peters in the summer and under the most in-glamorous of circumstances. Taking the job at the burger joint hadn't really been a choice but a necessity. It's funny, but even now I remember as a kid, visiting the place and watching the staff. Teenagers sprinting from one task to another whilst disgruntled customers on the other side of the counter screamed at them. I remember thinking that I would hate to do that... GET YOUR COPY TODAY!

*The Valancourt Book of World Horror Stories, Volume 1* Pilar Pedraza,Anders Fager,Cristina Fernández Cubas,2020-12-08 What if there were a whole world of great horror fiction out there you didn't know anything about, written by authors in distant lands and in foreign languages, outstanding horror stories you had no access to, written in languages you couldn't read? For an avid horror fan, what could be more horrifying than that? For this groundbreaking volume, the first of its kind, the editors of Valancourt Books have scoured the world, reading horror stories from dozens of countries in nearly twenty languages, to find some of the best contemporary international horror stories. The stories in this volume come from 19 countries on 5 continents and were originally written in 13 different languages. All 20 foreign language stories in this volume are appearing in English for the first time ever. The book includes stories by some of the world's preeminent horror authors, many of them not yet known in the English-speaking world.

**Horror Stories** Liz Phair,2021-03-09 The two-time Grammy-nominated singer-songwriter behind the groundbreaking album *Exile in Guyville* traces

her life and career in a genre-bending memoir in stories about the pivotal moments that haunt her. “Honest, original and absolutely remarkable.”—NPR (Best Books of the Year) When Liz Phair shook things up with her musical debut, *Exile in Guyville*—making her as much a cultural figure as a feminist pioneer and rock star—her raw candor, uncompromising authenticity, and deft storytelling inspired a legion of critics, songwriters, musicians, and fans alike. Now, like a Gen X Patti Smith, Liz Phair reflects on the path she has taken in these piercing essays that reveal the indelible memories that have stayed with her. For Phair, horror is in the eye of the beholder—in the often unrecognized universal experiences of daily pain, guilt, and fear that make up our humanity. Illuminating despair with hope and consolation, tempering it all with her signature wit, *Horror Stories* is immersive, taking readers inside the most intimate junctures of Phair’s life, from facing her own bad behavior and the repercussions of betraying her fundamental values, to watching her beloved grandmother inevitably fade, to undergoing the beauty of childbirth while being hit up for an autograph by the anesthesiologist. *Horror Stories* is a literary accomplishment that reads like the confessions of a friend. It gathers up all of our isolated shames and draws them out into the light, uniting us in our shared imperfection, our uncertainty and our cowardice, smashing the stigma of not being in control. But most importantly, the uncompromising precision and candor of *Horror Stories* transforms these deeply personal experiences into tales about each and every one of us.
