Hostile Witness Rebecca Forster,2009-11-28 A prominent judge is dead, a sixteen-year-old girl is accused, and her distraught mother turns to her old college roommate, Josie Bates, for help. Brilliant but flawed, Josie left the legal fast track behind after her talent in a courtroom brought a tragic result. But when Hannah is charged as an adult, Josie cannot turn her back. The deeper she digs, the more Josie realizes that politics, the law and family relationships create a combustible and dangerous situation. When the horrible truth is uncovered it can save Hannah Sheraton or destroy them both.

Hostile Territory Paul Greci,2020-01-28 In Paul Greci's Hostile Territory, a catastrophic earthquake strands four teens in the Alaskan wilderness—and leaves them without a civilization to return to. Josh and three other campers at Simon Lake are high up on a mountain when an earthquake hits. The rest of the camp is wiped out in a moment—leaving Josh, Derrick, Brooke, and Shannon alone, hundreds of miles from the nearest town, with meager supplies, surrounded by dangerous Alaskan wildlife. After a few days, it's clear no rescue is coming, and distant military activity in the skies suggests this natural disaster has triggered a political one. Josh and his fellow campers face a struggle for survival in their hike back home—to an America they might not recognize. An Imprint Book "In Greci's intense survival tale with a thriller component, four teens endure a harrowing trek across the Alaskan wilderness . . . It's clear that Greci (The Wild Lands) knows his landscape—Alaska's beauty and natural hazards become their own vivid character in his handling." —Publishers Weekly "Readers will feel like they are in Alaska alongside the characters... Recommended for teenagers who like postapocalyptic adventure or are fans of Gary Paulsen's Hatchet." —School Library Journal

Declared Hostile Kevin Miller,2016-07-23 The American aircraft carrier Coral Sea is on routine training in the Caribbean when, in a scenario ripped from the headlines, it is thrust into a deadly conflict no one expected. Fly a carrier-based FA-18 Hornet with the hero of RAVEN ONE, Commander Jim Flip Wilson, along with his wingmen Olive and Weed, as Captain Kevin Miller takes the reader behind the scenes in an authentic story that is loaded with supersonic action in Caribbean skies and human drama in the Pentagon, in the carrier staterooms, and in the covert safe-houses of high-tech illegal combatant enemies. More than a genre techno-thriller, DECLARED HOSTILE also explores the morality of conflict and the philosophy of warfare with those at the tip of the spear who actually fight.--Amazon.com

Hostile Waters Peter A. Huchthausen,Peter Huchthausen,Igor Kurdin,R. Alan White,1998-08-15 In 1986, the Cold War was winding down, yet under the seas the game of cat and mouse between Soviet and American submarines continued unabated. Off the coast of North Carolina, an aging Soviet ballistic missile submarine suffered a catastrophe accident and came within moments of melting down. Had it exploded, the entire East Coast of the U.S. would have been blanketed in radioactive fallout. The death toll would have made Chernobyl seem like a traffic accident. This is the gripping, true story of 60 young Soviet men who fought--and died--to save our lives. Photo insert. Foreward by Tom Clancy. Martin's Press.

Hostile Terrain Jim Eldridge,2003 HOSTILE TERRAIN tells the thrilling story of a team of SAS troops recapturing an inhospitable island in the heart of the south Atlantic. Follow one soldier's story and feel a part of the elite team as they battle in freezing and hazardous conditions. As with the WARPATH series, Eldridge brings the action alive. The Bookseller says of the Warpath series, Stuffed with facts and specifications to delight the technically minded. Great for readers who like true stories. Placed within an historical context, these part fact, part fiction adventures of the SAS also contain fascinating information such as maps and equipment used, and provides an informative summing up of actual events.

Hostile Takeover Phyllis J. Piano,2016-10-04 2017 Benjamin Franklin IBPA Award: Gold Winner Long-lost love, a hostile corporate takeover, and the death of her beloved husband turn attorney Molly Parr's life into a tailspin that threatens to ruin everything she has worked for. Molly's all-consuming job is to take over other companies, but when her first love, a man who she feels betrayed her, appears out of nowhere to try and acquire her business, long-hidden passions and secrets are exposed. Can Molly trust the man who broke her heart years ago, and who may be manipulating her now to get what he wants? Further complicating matters is the reemergence of her lost love's brother, who was a dear friend and knows the shocking truth about their past. As Molly painfully revisits the old betrayal, she partners with her boss and mentor to fight the takeover at all costs—and the chaos that ensues forces Molly to chart a dramatic new direction for her life. She must decide: does she have the courage to follow her heart and expose her painful past—a decision that may cost her everything?

Hostile Intent Don Bentley,2022-05-03 In the espionage community, Vienna is known as the City of Spies, and Matt Drake is about to learn why in the latest electrifying thriller from the New York Times bestselling author of Tom Clancy Target Acquired and The Outside Man. When a mysterious walk-in to the US embassy in Vienna claims to have critical information about a Russian intelligence operation, he raises eyebrows. But when he asks for Matt Drake by name and calls himself the Irishman, he gets the DIA's premier case officer on a one-way flight. Matt arrives to find Austria's charming capital lousy with intelligence officers, all swirling around Nolan Burke—a onetime member of the real IRA. But before Matt can debrief Nolan, the Irishman is kidnapped by a Russian direct action team. Now, Matt must find a way to repay the debt of honor he owes Nolan while stopping World War III in the process.

The Psychology of Aggression Arnold H. Buss,1961

Up on a Slope Chris Ball,2018-04-18 This is my story about how the California Department of Fish and Wildlife harassed me for not participating in fraud. Its an unpleasant story about awful people, harassment, hazing, and discrimination in the California Government.

Hostile Attractions Raleigh Davis,2019-06-05 A hard-ass billionaire and the enemy he won't trust—but can't resist... Minerva: I'm utterly lost. I've been so deep undercover for so long that when I escape with evidence of my boss's crimes, there's no one to turn to. Except for him: Elliot Martell. My worst enemy and the last person who'd hide me. Which makes him the perfect cover, and when he sees what I've got on my boss, he'll have to help me. But it turns out Elliot is so tightly wound he doesn't know who he is either. And if my employer doesn't disappear me first, we might find ourselves together. Elliot: I'd do anything to protect my brothers—both my blood brother and the ones I've made at Bastard Capital. If that makes me a hard ass, so be it. When Minerva shows up on my doorstep, claiming to hold the key to bringing down our nemesis, my first instinct is to throw her out. My second is to drag her to my bed. Instead, I clamp down on all of it, because if she's telling the truth, I need her. And it's not like I'm going to sleep with the enemy. But as she reveals more about her mission, trusting me to keep her secrets safe, I realize she's not my enemy. In fact, she might become my everything... Enter the world of Bastard Capital: Unrivaled men. Unimaginable wealth. Unlimited power. Binge read the complete series now! Hostile Darius Slaughter,2011-11 HOSTILE is the true story of Darius Slaughter better known as the JOKER. Darius played the game of life to its extremities and his internal struggles, triumphs, failure and pain weave a modern day tragedy rooted in Americas 3rd largest city. Money, power and respect became his holy trinity as he struggled to exist between the line society designated as legal and his more lucrative, yet high risk illegal actions. The path less traveled, however, came at a price and caused him to gamble daily with his life, freedom and sanity. Lost lives- friends and foes alike, unborn children- who never took their first breathe, and those lost to the

system all bear silent witness to the trials of life that created the modern day monster. Far from the fairytale ride painted by those who seek to glorify the streets, readers are warned to beware the reality and emotions of his journey. Situations become supremely personal and intimate as Darius bares his soul to the world. Darius's journey is a modern day fable morally speaking to a generation raised by music videos and video games: Those who fail to grasp the tragedy awaiting them, should they succumb to the streets and lives of crime. Immersed in the madness that constituted his reality Darius lost parts of his sanity, morality and humanity and this De-Evolution left him at odds with society seeking an unattainable dream, ultimately incarcerated and HOSTILE.

A Series of Unfortunate Events #8: The Hostile Hospital Lemony Snicket, 2009-03-17 NOW A NETFLIX ORIGINAL SERIES The Baudelaire family needs a safe place to stay—somewhere far away from terrible villains and local police. A quiet refuge where misfortune never visits. Might Heimlich Hospital be just the place? In Lemony Snicket's eighth ghastly installment in *A Series of Unfortunate Events*, I'm sorry to say that the Baudelaire orphans will spend time in a hospital where they risk encountering a misleading newspaper headline, unnecessary surgery, an intercom system, anesthesia, heart-shaped balloons, and some very startling news about a fire.

In Hostile Red by Joseph A. Altsheler Joseph A. Altsheler, 2019-01-10 Joseph Alexander Altsheler (April 29, 1862 - June 5, 1919) was an American newspaper reporter, editor and author of popular juvenile historical fiction. He was a prolific writer, and produced fifty-one novels and at least fifty-three short stories. Thirty-two of his novels were part of his seven series: Although each of the thirty-two novels constitutes an independent story, Altsheler suggested a reading order for each series (i.e., he numbered the volumes). The remaining nineteen novels can be read in any order. [Note, however, that *A Knight of Philadelphia* was later expanded through the addition of nineteen chapters and some minor tweaks to become Mr. Altsheler's novel *The Short Stories*, of course, can be read in any order. However, some readers might prefer to read them in the order in which they were published. The short story list below is displayed in chronological order with the publication dates shown alongside the titles. Early life and education Altsheler was born in Three Springs, Hart County, Kentucky, to Joseph and Louise (née Snoddy) Altsheler. He attended Liberty College in Glasgow, Kentucky, before entering Vanderbilt University.

Anna's Ring Anni Bodmer, 2008-11-18 A diamond ring that was created in the 1930s for a special lady suddenly turns up again in the late 1990s. What happened to the Nazi officer who had taken it from her son before he shot him? Did he become a respected member of post-war society? Has a famous theologian been hiding a vicious past from his family and friends? Is there a future for non-violent people in the Middle East? What makes victims of oppression become oppressors, themselves? Can reprehensible acts against humanity ever be forgiven? Can Moslems, Jews and Christians ever be reconciled? Can we humans still be humane, or have hate and greed become the forces that motivate our spirits and souls? This story touches sensitive issues and shows that people of different backgrounds and religions can overcome prejudice and build lasting relationships.

Trail Blazing Marshall Lafayette Johnson, 2011-07-01

Common Ground on Hostile Turf Lucy Moore, 2013-07-16 In our increasingly polarized society, there are constant calls for compromise, for coming together. For many, these are empty talking points—for Lucy Moore, they are a life's work. As an environmental mediator, she has spent the past quarter century resolving conflicts that appeared utterly intractable. Here, she shares the most compelling stories of her career, offering insight and inspiration to anyone caught in a seemingly hopeless dispute. Moore has worked on wide-ranging issues—from radioactive waste storage to loss of traditional grazing lands. More importantly, she has worked with diverse groups and individuals: ranchers, environmental activists, government agencies, corporations, tribal groups, and many more. After decades spent at the negotiating table, she has learned that a case does not turn on facts, legal merit, or moral superiority. It turns on people. Through ten memorable stories, she shows how issues of culture, personality, history, and power affect negotiations. And she illustrates that equitable solutions depend on a healthy group dynamic. Both the mediator and opposing parties must be honest, vulnerable, open, and respectful. Easier said than done, but Moore proves that subtle shifts can break the logjam and reconcile even the most fiercely warring factions. This book should be especially appealing to anyone concerned with environmental conflicts; and also to students in environmental studies, political science, and conflict resolution, and to academics and professionals in mediation and conflict resolution fields.

Hostile Forces Jamie J. Gruffydd-Jones, 2022 How do authoritarian regimes deal with pressure from the international community? China's leaders have been subject to decades of international attention, condemnation, resolutions, boycotts, and sanctions over their treatment of human rights. We assume that hearing about all this pressure will make the public more concerned about human rights, and so regimes like the Chinese Communist Party (CCP) should do what they can to prevent this from happening. In *Hostile Forces*, Jamie Gruffydd-Jones argues that while international pressure may indeed embarrass authoritarian leaders on the international stage, it may, in fact, benefit them at home. The targets of human rights pressure, regimes like the Communist Party, are not merely passive recipients, but actors who can proactively shape and deploy that pressure for their own advantage. Taking us through an exploration of the history of the Communist Party's reactions to foreign pressure, from condemnation of Mao's crackdowns in Tibet to outrage at the outbreak of COVID-19, analysis of a novel database drawn from state media archives, as well as multiple survey experiments and hundreds of interviews, Gruffydd-Jones shows that the CCP uses the most 'hostile' pressure strategically - and successfully - to push citizens to view human rights in terms of international geopolitics rather than domestic injustice, and reduce their support for change. The book shines a light on how regimes have learnt to manage, manipulate, and resist foreign pressure on their human rights, and illustrates how support for authoritarian and nationalist policies might grow in the face of a liberal international system.

Beyond Hostile Islands Daniel McKay, 2024-04-02 Offers a fascinating window into how the fraught politics of apology in the East Asian region have been figured in anglophone literary fiction. The Pacific War, 1941-1945, was fought across the world's largest ocean and left a lasting imprint on anglophone literary history. However, studies of that imprint or of individual authors have focused on American literature without drawing connections to parallel traditions elsewhere. *Beyond Hostile Islands* contributes to ongoing efforts by Australasian scholars to place their national cultures in conversation with those of the United States, particularly regarding studies of the ideologies that legitimize warfare. Consecutively, the book examines five of the most significant historical and thematic areas

associated with the war: island combat, economic competition, internment, imprisonment, and the atomic bombing of Hiroshima and Nagasaki. Throughout, the central issue pivots around the question of how or whether at all New Zealand fiction writing differs from that of the United States. Can a sense of islandness, the ‘tyranny of distance,’ Māori cultural heritage, or the political legacies of the nuclear-free movement provide grounds for distinctive authorial insights? As an opening gambit, Beyond Hostile Islands puts forward the term ‘ideological coproduction’ to describe how a territorially and demographically more minor national culture may accede to the essentials of a given ideology while differing in aspects that reflect historical and provincial dimensions that are important to it. Appropriately, the literary texts under examination are set in various locales, including Japan, the Solomon Islands, New Zealand, New Mexico, Ontario, and the Marshall Islands. The book concludes in a deliberately open-ended pose, with the full expectation that literary writing on the Pacific War will grow in range and richness, aided by the growth of Pacific Studies as a research area.

The Wild Lands Paul Greci,2019-01-29 In Paul Greci's The Wild Lands, Travis and his sister are trapped in a daily race to survive—and there is no second place. Natural disasters and a breakdown of civilization have cut off Alaska from the world and destroyed its landscape. Now, as food runs out and the few who remain turn on each other, Travis and his younger sister, Jess, must cross hundreds of miles in search of civilization. The wild lands around them are filled with ravenous animals, desperate survivors pushed to the edge, and people who’ve learned to shoot first and ask questions never. Travis and Jess will make a few friends and a lot of enemies on their terrifying journey across the ruins of today’s world—and they’ll have to fight for what they believe in as they see how far people will go to survive. The Wild Lands is a pulse-pounding YA thriller full of shocking plot twists. It’s the ultimate survival tale of humanity’s fight against society’s collapse. An Imprint Book “This rugged survival story places a group of teens in a dark, burned-out post-apocalyptic nightmare. Your heart will pound for them as they face terrible dangers and impossible odds. Gripping, vivid, and haunting!” —Emmy Laybourne, international bestselling author of the Monument 14 trilogy “A compelling story that wouldn’t let me stop reading. Greci has created both a frightening landscape and characters you believe in and want to survive it.” —Eric Walters, author of the bestselling Rule of Three series
