How to Host a Dinner Party Corey Mintz, 2013-05-25 A fun, informative guide to hosting the perfect party every time. Every dinner party experience I've had in the last ten years at Corey's has been incredible. But practice really does make perfect and I can now honestly say there is nowhere I'd rather be in the world than at his table ... I can't begin to express the relief I felt in reading this book and realizing there was a method to his success. - Sarah Polley, from the introduction We've all been there: twenty minutes before guests arrive, and you're unsure if you've got enough wine, or enough chairs, or whether your friend is a vegetarian or a vegan. Hosting a dinner party is hard, but Corey Mintz can help. For his popular Toronto Star column, Fed, he has presided over 115 dinner parties, every week opening his home to strangers and friends alike in an effort to perfect the craft of hosting. And in *How to Host a Dinner Party*, he shares everything he's learned in a hilarious handbook that will appeal to everyone – from those throwing their first dinner party to seasoned entertainers looking to enhance their skills. This book guides readers through everything they need to know about hosting, starting with the golden rule – that the goal of a dinner party is to have fun with our friends, not to show off our cooking skills. It will explain why we like to gather for dinner, when we should host, who we should invite, what we should cook, and how we should cook it. Featuring recipes, anecdotes, expert analysis, and an endless bounty of how-to tips, it is the essential

guide to perfecting the art of welcoming people into your home.

The Art of Gathering Priya Parker,2020-04-14 Hosts of all kinds, this is a must-read! --Chris Anderson, owner and curator of TED From the host of the New York Times podcast Together Apart, an exciting new approach to how we gather that will transform the ways we spend our time together—at home, at work, in our communities, and beyond. In The Art of Gathering, Priya Parker argues that the gatherings in our lives are lackluster and unproductive--which they don't have to be. We rely too much on routine and the conventions of gatherings when we should focus on distinctiveness and the people involved. At a time when coming together is more important than ever, Parker sets forth a human-centered approach to gathering that will help everyone create meaningful, memorable experiences, large and small, for work and for play. Drawing on her expertise as a facilitator of high-powered gatherings

around the world, Parker takes us inside events of all kinds to show what works, what doesn't, and why. She investigates a wide array of gatherings-- conferences, meetings, a courtroom, a flash-mob party, an Arab-Israeli summer camp--and explains how simple, specific changes can invigorate any group experience. The result is a book that's both journey and guide, full of exciting ideas with real-world applications. The Art of Gathering will forever alter the way you look at your next meeting, industry conference, dinner party, and backyard barbecue--and how you host and attend them.

How to Host a Party and Handle House Guests - 171 Great Party Planning and Guests Hosting Ideas Judith Brown, 2019-03-05 You don't need to be an event planner with a staff of 20 to host an inspired gathering. Time to hose down the patio furniture, dust off the grill, and bust out the creativity. Follow the brilliant tips from Judith Brown for a party your guests won't forget! This guide covers the following areas: * General Party and Guest Hosting Ideas * Holidays Ideas * Gifts and Gift Wrapping Before you throw your next party, find out how to make it an occasion that your guests will be talking about until the next time you entertain. Here's just a small sample of the tips included: Before a card party, you can clean plastic cards by placing them in a paper bag with a few tablespoons of flour. Shake the bag, then remove the cards and wipe them off with a damp cloth. For a special occasion party, send balloon invitations. Inflate the balloons with a balloon pump, and write the invitation on them with a felt-tip marker. Then deflate the balloons, put them in envelopes, and mail to your guests. If you don't feel

confident about timing several courses, serve a casserole in an attractive dish. Don't try out a new recipe on guests. Prepare it first for family members or close friends. You'll be sure of the taste and the length of time it takes to prepare. For an easy party menu, set out different types of salad vegetables and a lot of toppings and let guests create their own salads. Make sure some of the ingredients are interesting or unusual enough to add a festive feel to the meal. Add some bread and wine to make the meal complete. A creative way of serving vegetables for dips is to line a wicker basket with lettuce and then fill the basket with carrots, mushrooms, cauliflower, celery, and other vegetables. Large green peppers make ideal cups for dips. Slice off the tops of the peppers, scoop out the seeds, and fill the centers with your favorite dip. A loaf of bread sliced in half horizontally, with each half hollowed out, makes a container for a heavier dip or spread—a thin mixture would seep into the crust and then all over the table. You can prepare vegetables for a party 1 or 2 days ahead of time. Cut up the vegetables, wrap them in damp paper towels, put them in plastic bags, and refrigerate. A hollowed-out half melon makes a perfect container for cut fruit. An ice bucket can be used as a serving dish, because its insulation keeps foods appropriately hot or cold. You can make individual butter servings look different if you put pancake-size dollops of softened butter on a cookie sheet, set the sheet in the refrigerator till the butter hardens, and then cut the butter into various shapes with your cookie cutters. Don't

despair if you don't have as many dessert dishes as you have guests; you can serve most desserts just as easily in wine glasses. Lay a damp napkin on a serving tray so that tumblers and dishes won't slide off. For crisp summer napkins, use men's white linen handkerchiefs. Bagels fresh from the bakery make unusual napkin rings. Make your buffet convenient for you and your guests by wrapping place settings of silverware in napkins and placing them in a basket. Dry drinks served before a meal stimulate the appetite more than sweet drinks. If you're making any kind of fruit juice punch, freeze some of the juice in a large bowl or container, and use it instead of ice cubes. The punch won't be watered down. A pretty party garnish for punch is peppermint sticks poked through the centers of lemon or orange slices.
