A House Party in Tuscany Amber Guinness,2022-03-29 This ebook has a fixed layout and is best viewed on a widescreen, full-colour tablet. 'A stunning book in every way. Amber Guinness paints such a dreamy, evocative picture of her home in the Tuscan countryside and of the sumptuous feasts she cooks there. I long to be there with her and to eat everything in this book.' Skye McAlpine, author of *A Table in Venice* 'A truly beautiful book with food as colourful as paintings and thoughtful menus guided by the Tuscan seasons.' Emiko Davies, author of *Torta della Nonna* 'A peculiar attribute of the landscape surrounding Arniano is the ever-changing light. Early in the morning, there is an extraordinary mist that sits in the valley and interweaves through the hills, allowing just the tops to show above the smoky clouds. These changes bring with them new moods and shadows, drawing our painters to different views and areas of the garden throughout the day. By the evening, everything has altered again, and there are often intense sunsets, bringing silhouettes from the trees and much darker, richer, olive colours.' There are many farmhouses in Tuscany, but few are quite so magical as Arniano. It is here, in this 18th-century podere, that Amber Guinness grew up and learned to cook. And it is here that she established The Arniano Painting School, a residential painting course and immersive art and food experience. 'As I look through the recipes and think about the common thread that binds them, I realise that they all exemplify a fundamental principle of Italian home cooking. Which is that simplicity - and keeping ingredients as close to their original form as possible - leads to the most delicious and rewarding food. The beauty of Italian cooking is that it is not about fancy sauces or preparation techniques. Rather, it is about bringing out the best in what you are cooking, through patience, constant tasting and the development of flavour - sometimes using nothing but some olive oil and salt.' Filled with recipes for classic dishes and cocktails, feast curation, seasonal menu suggestions and notes on an Italian pantry and wines, *A House Party in Tuscany* will transport you to the Tuscan countryside and bring the conviviality of Arniano to your table.

Afterward, nothing will ever be the same. Maja Jensen is smart, stylish, and careful, the type of woman who considers every detail when building her dream home in the suburbs of Philadelphia. The perfect house that would compensate for her failure to have a child, the house that was going to save her marriage. But when a group of reckless teenagers trash the newly built home just weeks before she moves in, her plans are shattered. Those teenagers, two months away from graduating high school, are the “good kids”—the ones on track to go to college and move on to the next stage of their privileged lives. They have grown up in a protected bubble and are accustomed to getting by with just a slap on the wrist. Did they think they could just destroy property without facing punishment? Or was there something deeper, darker, at play that night? As the police close in on a list of suspects, the tight-knit community begins to fray as families attempt to protect themselves. What should have been the party of the year will have repercussions that will put Maja’s marriage to the ultimate test, jeopardize the futures of those “good kids,” and divide the town over questions of privilege and responsibility. An absorbing novel told through shifting perspectives, *The House Party* explores how easily friendships, careers, communities, and marriages can upend when differences in wealth and power are forced to the surface.

Dan Zanes' House Party! Dan Zanes,Claudia Eliaza,2018-12-11 In *Dan Zanes' House Party!*, the Grammy Award-winning children's artist presents a huge collection of folk songs along with inspiration to start your own family band. Too often, new parents eager to share their love of music with their young children feel their options are limited to cuddly singing dinosaurs and well-meaning humans whose understanding of children’s music starts with “Kumbaya” and ends with “Puff the Magic Dragon.” For many sane adults, these choices are more abrasive than the most aggro noise-rock of their college years. Dan Zanes has spent the past 20 years creating a truly compelling body of children's music that music-loving parents can also get behind. A former 1980s indie rocker, Zanes' 13 children's albums have gained wide praise for their authentic arrangements and preservation of America's folk traditions. In *Dan Zanes' House Party!*, the Grammy Award-winning Zanes has curated a rich selection of folk songs that comprise an essential musical cross-section of the American experience and its multicultural, immigrant underpinnings. The selections include the standard songs we all know and love, along with folk classics. Each song is accompanied by a brief narrative on its historical context, followed by lyrics, notation, and chords. Among the songs you'll learn to play: *Erie Canal*, *Pay Me My Money Down*, *Titanic*, *Waltzing Matilda*, *The Farmer Is the One*, *Wabash Cannonball*, *Sloop John B.*, *Old Joe Clark*, *Skip to My Lou*, *King Kong Kitchie*, and *We Shall Not Be Moved*. *Dan Zanes' House Party!* also includes informational sidebars throughout to give families the basics needed to pick up instruments and learn to more fully enjoy music as a family band. And in the back of the book, you'll find chord charts for guitar, ukele, and mandolin. More than just a collection of songs, *Dan Zanes’ House Party!* is part music book, part history lesson, and a work that all families can enjoy—together.

The House Party Adrian Tinniswood,2019-11-05 A delightful journey through the glamorous story of the English country house party by the bestselling historian. Croquet. Parlour games. Cocktails. Welcome to a glorious journey through the golden age of the country house party - and you are invited. Our host, celebrated historian Adrian Tinniswood, traces the evolution of this quintessentially British pastime from debauched royal tours to the flamboyant excess of the Bright Young Things. With cameos by the Jazz Age industrialist, the bibulous earl and the off-duty politician - whether in moated manor houses or ornate Palladian villas - Tinniswood gives a vivid insight into weekendening etiquette and reveals the hidden lives of celebrity guests, from Nancy Astor to Winston Churchill, in all their drinking, feasting, gambling and fornicating. The result is a deliciously entertaining, star-studded, yet surprisingly moving portrait of a time when social conventions were being radically overhauled through the escapism of a generation haunted by war - and a uniquely fast-living period of English history. Praise for *The Long Weekend*: 'Delicious, occasionally fantastical, revealing in ways that *Downton Abbey* never was. It is as if Tinniswood is at the biggest, wildest, most luxuriantly decadent party ever thrown, and he knows everyone.' *Observer* 'A deliciously jaunty and wonderfully knowledgeable book. Tinniswood displays a terrific insider's grasp of gossip . A meticulous, irresistible story.' *Spectator* 'Elegant, encyclopedic and entertaining . A confident and skilled historian who understands the mores of his era and wears his learning lightly . Deserves to be on every costume drama producer's bookshelf.' *Times*
