Going through the motions and feeling unfulfilled in her career choice, she built up the courage to face her truth. Taking time off to figure herself out, Farah, through a remodel project in her home, had her “ah-ha” moment. The importance of taking care of your home, specifically in the way you clean, organize, and design, was instilled in her at a young age, but she didn't realize how much of an impact her upbringing had until she owned her own home. Farah knew she had found her passion and calling, and was determined to inspire home owners to live their best lives in their homes. Farah believes that taking care of your home is essential to your peace of mind. Her design style is elegant and glamorous but infused with warmth and coziness, creating a welcoming feel with neutral color palettes, soft and inviting fabrics, and exquisite design details that can work in any room. She believes you can make a statement without sacrificing an inviting feel to your rooms. There is no right and wrong when it comes to designing your home and Farah encourages you to focus on the overall look and feel you desire, and her tips and advice will help guide you through the process. Starting with her most frequently asked questions about paint color versus wallpaper, lighting and rugs, home organization, and of course styling, Farah walks you through every room in the house from the mudroom to the

kitchen and kids' bedrooms. Along the way, she includes quick seasonal updates on a budget, suggested routines for maintaining your space, and her unique reward system, which includes small styling vignettes around your home.
