**The fantasy fiction formula** Deborah Chester, 2016-01-01 There's more to writing a successful fantasy story than building a unique world or inventing new magic. How exactly is a plot put together? How do you know if your idea will support an entire novel? How do you grab reader attention and keep it? How do you create dynamic, multi-dimensional characters? What is viewpoint and do you handle it differently in urban fantasy than in traditional epics? What should you do if you're lost in the middle? How do you make your plot end up where you intend it to go? From the writing of strong, action-packed scenes to the handling of emotions, let award-winning fantasy author Deborah Chester guide you through the process of putting a book together. Convinced there's no need to shroud the writing process under a veil of mystery, Chester supplies tips that are both practical and proven. They are exactly what she uses in writing her own novels and what she teaches in her writing courses at the University of Oklahoma. Along with explaining story construction step-by-step, Chester illustrates each technique with examples drawn from both traditional and urban fantasy. The technique chapters include exercises to assist novices in mastering the craft of writing fantasy as well as suggestions for avoiding or solving plot problems. More experienced writers will find tips for taking their work to the next level. With an introduction by author Jim Butcher, The fantasy fiction formula provides the information you need to gain skill and proficiency in writing fantasy like a pro.

The Unofficial Book of Cricut Crafts is perfect for the first-time Cricut user, the small business owner who has been using Cricut for years, and everyone in between!

**Leather Crafts** Valerie Schafer Franklin, Geoffrey Franklin, 2016-06-14 A big part of the artisanal/DIY movement is about authenticity and quality, with a return to simplicity, real values, genuine materials, and careful craftsmanship. Leather is one of those authentic materials, and while it has always been used for handbags and gloves, it's also enjoying a resurgence in the field of crafts. Simple objects elegantly made of leather are featured everywhere on maker blogs, photo-sharing sites, tutorials, and craft marketplaces. Leather is in the real world, too, in heavily curated hipster boutiques and well-edited coffee shops that sell sundries. Idiot's Guides®: Leather Crafts offers 20 projects (illustrated with copious step-by-step photos), ranging from beginner to advanced, each one building on the skills that have been taught in prior projects. Unlike most existing books on leathercraft, which come with a heavy whiff of the '70s, this one has a sleek, modern aesthetic. The projects are functional, and the minimal, elegant embellishment and natural finishes will keep them timeless.

Crafting with Nature Amy Renea, 2016-03-22 An Inspiring Collection of Handmade Crafts Using Materials from Nature Fuse your love for crafting and the outdoors with this incredible compilation of DIY crafts, recipes and gifts made with natural materials you can grow or gather yourself. Gardening and crafting expert Amy Renea takes you on a journey to collect plant materials from the woods, the backyard, the garden and even the pantry, then craft those items into something special yet easy to do. She provides detailed tutorials and recipes for things like making solid perfume, crafting wooden buttons to accent a hat, preparing natural dye for easy paper flowers, canning your own fruit jam, handcrafting wreaths, using seed pods to create beautifully rustic earrings and even making your own coconut oil for lotions or sea salt for hand scrubs! And throughout the book, you'll learn new crafting techniques like wood burning, imprinting leaves onto clay and how to infuse oil with herbs for culinary and cosmetic delights. Each chapter starts with a common plant and a beginner-friendly guide to growing or gathering it, then dives into ideas for what you can make with it. With this book packed full of tutorials, ideas and Amy's lovely photography, you'll be inspired to craft with nature all year long.

**Handmade Toys: How to Craft Safe and Fun Toys for Children** Chanda Sisk,2024-03-12 Handmade Toys: How to Craft Safe and Fun Toys for Children is a comprehensive guide that delves into the enchanting world of creating homemade toys. This book is an invaluable resource for parents, educators, and craft enthusiasts passionate about making children playful, safe, and imaginative toys. The book's first section covers the basics of toy-making, introducing readers to various materials that can be used, from classic wood to soft fabrics and eco-friendly options. It emphasizes the importance of selecting non-toxic and child-safe materials, providing practical tips on identifying and sourcing these materials. This foundation sets the stage for crafting toys that are fun and safe for children to play with. Building on these basics, the book then delves into detailed step-by-step instructions for crafting a wide range of toys. These include traditional wooden blocks, cuddly plush animals, educational puzzles, and interactive games. Each project is accompanied by clear, easy-to-follow instructions and illustrations, making the process accessible to beginners and offering new ideas for experienced crafters. The projects are designed to spark creativity and encourage customization, allowing readers to add personal touches to create unique toys that children will cherish. Beyond the practical aspects of toy-making, the book also explores the more profound significance of handmade toys. It discusses the benefits of engaging children with toys that stimulate their imagination and development, contrasting these with the passive experience often provided by electronic gadgets and mass-produced toys. The book encourages readers to view toy-making not just as a hobby but as a meaningful way to contribute to a child's growth and learning, fostering a deeper connection between the adult creator and the child recipient. Handmade Toys: How to Craft Safe and Fun Toys for Children is more than a crafting guide; it's a journey into creating lasting memories and fostering imaginative play.
