Making Origami Paper Airplanes Step by Step Michael G. LaFosse, 2003-12-15 What do kids love more than folding paper airplanes? Flying paper airplanes! This book teaches kids why paper airplanes fly the way they do depending on their shape and size. They learn that curling up the back two corners of the wings can make certain airplanes to do loops. They learn that smaller planes can fly straight, far, and fast. This book encourages kids to use their imagination to create their own paper airplane variations based on the models in the book.

High-Performance Paper Airplanes Andrew Dewar, 2014-11-04 Fold and fire aerodynamic paper airplanes dozens of feet into the air with this easy origami ebook. High Performance Paper Airplanes presents a collection of realistic origami paper airplanes from well-known author and paper aviation expert Andrew Dewar. Dewar has spent decades perfecting the art of folding easy paper airplanes that both look great and fly well. This new series takes paper airplanes to new heights—literally! The planes can be fired high into the air with a rubber band launcher and are designed to circle down for a long time. The airplane designs are also printed in full-color on both sides and precut so you just need to push them out and assemble them using a bit of glue. Although fun for folders of any age, these

paper plane designs are so simple that they can be considered origami-for-kids projects and are a great way to learn origami. The origami airplanes range from simple designs that can be assembled in under a minute to detailed scale replicas that look and fly like the real thing. The included instructional origami book not only explains how to assemble each plane, but how to fine-tune it to coax the best performance. Helpful tips for hosting competitions with your friends, and suggestions for designing your own origami airplane models are also included. This paper airplanes ebook contains: 46 page, full-color origami book Clear step-by-step instructions Tips on building and flying paper planes 10 paper airplane models Colorful and realistic designs Fun to build and amazing to fly, these beautiful models are guaranteed to turn heads and draw a crowd of spectators every time you fly them.
