Valentine's Day Wreath Projects Devera Jones,2021-02-02 Valentine's Day is an open invitation to decorate your home with all things frilly and pink. Your front door, which is often the indicator of what's inside, shouldn't be excluded from the fun. Deck out your door with any of these Valentine's Day wreath DIYs to show family and neighbors that you've been hit by Cupid's arrow and plan to celebrate accordingly. Love comes in all different shapes and sizes, and the same can be said for the wreaths included on this list. In way or another, these door decorations all spread the romance and cheer that the holiday is known for, thanks to embellishments like rose petals, sugary-sweet phrases, and big red bows. But still, these homemade wreaths can match your home's overall aesthetic, whether it's modern, shabby-chic, or farmhouse-inspired. If you have your heart set on more than one of these DIYs, block out an afternoon and try your hand at a few different crafts, which can be scattered throughout your house on windows, interior doors, and blank walls. After all, these Valentine's Day decorations will help your family - and anyone who walks by - feel the love on February 14 and beyond.
