Why I Never Had Kids Michael Matre, 2020-03-23 After writing and publishing myriad newspaper and magazine articles beginning in my junior year of high school, as a journalism major at Bowling Green State University, and during my four-year career as a military writer in the United States Air Force, I wanted to write and publish a book. Beyond the many plays I have written, two of which have been produced by community theater groups, writing a book is the only writer's challenge I have yet to accomplish. Knowing that nonfiction is often the better choice for a first-time author regarding publication as opposed to fiction, I decided to write a memoir about my adventurous and mischievous childhood through my maturation as a fulfilled adult. The title **Why I Never Had Kids** struck me as being appropriate because it is the truth. Neither my wife, Fran, nor I ever wanted to deal with the childhood antics, some just downright dangerous, related in this book. I started making the notes two years ago and wrote the book in about two months after retiring from my corporate job in late 2018. Most of the incidents were fun and easy to write, but some were not. The pieces *Losing Pepper* and *The Wreck in West Virginia* resurrected painful memories but had to be included. This book is absolutely a work of nonfiction. The dialogue is as close to being exact as I can remember it. The incidents are correct. Everything you read here really happened. Reference is made to my mother's sometimes stinging sense of discipline, but she was in no way a child beater. She was a lovely, loving woman who made sure that my brother, sister, and I were properly fed, clothed, and grew up in a well-maintained home. She reveled in our successes and softened our failures, but Mom had rules. You didn't talk back, swear, sneak cigarettes, or drink Dad's beer.

We all came out the better for that. Mom and Dad did things that I do not think I could have done as a parent, particularly the family vacations that took us hundreds of miles from home by car, with Dad doing the driving. I had a wonderful childhood, and the intent of this work is to deliver testimony to that and to entertain you as well.

Removing the Dragon Skin Jeremiah C. Braudrick, 2019-10-18 For anyone who has ever longed for God but always felt like his love was just out of reach; for anyone whose messy story has made them feel like a third-string player on God's team; for anyone whose soul feels beaten, battered, and in desperate need of some healing, C. S. Lewis just may have a remedy. This collection of essays and memoirs, delivered by an author whose fundamentalist upbringing painted a picture of a God who was simply impossible to please, are written for anyone who has struggled with their spiritual self-worth. After life threw him a few curveballs, he was convinced that the God whose approval he yearned for, simply had no use for him. Lewis helped to change that. This story about falling back in love with God takes the reader on a three-year journey in which the author digested just about every word Lewis ever wrote, including many of his classics, his lesser-known writings, and even personal letters he wrote to family, friends, fans, and even children. The memoirs will journey to Lewis's home and favorite pub in Oxford, his office in Cambridge, his church, his gravesite, and more.

The Blues of Portsmouth P.D. Robert Franklin Jackson, 2019-02-28 If you haven't read episode 7, The New Guy In Town, you should. Between 2001 and 2012, your author penned six mysteries using Portsmouth, New Hampshire, as the setting. The Portsmouth police force was very small—a chief, a lieutenant, two detectives, several other officers, and a dispatcher. They worked night and day, weekday and weekends, trying to solve a very compelling crime. The villains included two serial killers, a serial kidnapper, a pair of very wealthy sociopaths, a corrupt mayor, and a ruthless Russian heroin dealer. This was the format of many TV shows: the Law and Order shows, CSI shows, and The Closer for example. All great shows but not realistic. There must have been other crimes being committed and other officers solving them. Therefore, your author turned to another community, the imaginary community of Cypress, California, in imaginary Coast County. Again, a great police force focusing on a series of related murders. When the murders were solved, your author was so enamored with the law enforcement officers, he couldn't bear to forget them. He had Chief Beth Van Dyke in Plymouth hire the deputy chief and an FBI agent and their girl friends and brought them to Portsmouth.

Transforming from Consumer to Producer in 90 Days Darryl L. Wortham, 2011-08-10 FOREWORD
The core concept is not just saving money, but saving time and energy as well. These savings are multiplied together, giving you more money to invest. To summarize, I created the equation: $\$ET = M2$ to INVEST, in which saving Money, Energy, and Time ($\$ET$) are multiplied to generate (=) More Money ($M2$) to INVEST. This equation is fundamental to your success! You must be prepared to take action to start having enough money to accomplish your goals, to stop living paycheck to paycheck, and to retire early. If you are on course to make the same income as last year or, worse, facing declining take-home pay because

of ever-increasing taxes, medical costs and declining economy, dont give up! Saving money, energy, and time will generate more money to invest creating real income and wealth. Transforming you from consumer to producer! You must expand yourself personally as well as enhance your inner and micro economics. Rather than growing a mega-companys revenue or the financial fortitude of millionaires pockets, you are going to grow your own individual savings account, retirement plan, and childrens college funds. This book is a guide to help you create a path and roadmap to a life of saving money, reducing debt, living efficiently, and creating wealth by investing within a reasonable timeframe. Together we will examine four major building blocks that inspire and accelerate behavioral changes: 1.Why and how to change your behavior and lifestyle. 2.How to save money, energy, and time. 3.How to invest your money, energy, and time savings to improve your present situation and build for the future. 4.How to create and implement a transformation plan. Progressive ideas and hilarious cheap strategies are also detailed. These are necessary to exceed your personal and financial goals. I want you to be thrilled about life, saving money for a brighter future, and early retirement, while having fun at the same time.
