Storm Tactics Handbook Lin Pardey, Larry Pardey, 2008-04-05
The fear of storms has kept many otherwise competent sailors from venturing into the open ocean. This book explores the myths that have sprung up about ways to bring small boats through storms and shows tried and true methods that work for all types of sailing vessels. Special sections explain storm sail design, sea-anchor technology and tips for preventing gear failure at sea. Included are a series of check lists designed to help potential voyagers choose, then outfit their boat for safe voyaging plus others to prepare them as a storm actually approaches and reassure them once they are in the midsts of heavy winds and seas. Marrio Vittone, a U.S. Coastguard Rescue Swimmer for 14 years, in an unsolicited testimony, wrote: I have been on several rescues (and heard of many more) that would have been completely unnecessary if the sailboat captains aboard would have practiced the skills taught by Lin and Larry Pardey. Not knowing how to heave-to in bad weather is as inexcusable as not knowing 'red, right, return'.

Stormproof Your Boat William Burr, 2006
This book includes the nature of the beast -- Hurricanes -- Tornadoes, thunderstorms, nor'easters, and regional winds -- Marine insurance -- Creating a plan -- Tracking a storm -- Shelter from the storm.

Voices from the Storm Lola Vollen,Chris Ying,2023-06-15 Hurricane Katrina inflicted damage on a scale unprecedented in American history, nearly destroying a major city and killing thousands of its citizens. With far too little help from indifferent, incompetent government agencies, the poor bore the brunt of the disaster. The residents of traditionally impoverished and minority communities suffered incalculable losses and endured unimaginable conditions. And the few facilities that did exist to help victims quickly became miserable, dangerous places. Now, the victims of Hurricane Katrina find themselves spread across the United States, far from the homes they left and faced with the prospect of starting anew. Families are struggling to secure jobs, homes, schools, and a sense of place in unfamiliar surroundings. Meanwhile, the rebuilding of their former home remains frustrating out of their hands. This bracing read brings readers to the heart of the disaster and its aftermath as those who survived it speak with candor and eloquence of their lives then and now.

A Storm Too Soon (Young Readers Edition) Michael J. Tougas,2016-05-24 When a forty-seven-foot sailboat disappears in the Gulf Stream in the throes of a disastrous storm, it leaves behind three weary passengers struggling to stay alive. This middle-grade adaptation of an adult nonfiction book tells the story of the four intrepid Coast Guardsmen who braved this ruthless

storm in the hopes of saving them. A spellbinding tale of courage and survival from the author of *The Finest Hours*, now a major motion picture.

Beyond the Storm Leon Arceneaux,2002-04-04 Life in Acadia could not be better for Louis and Emmeline. The promise of sunshine and happiness lies ahead. They are deeply in love. A new log cabin and farmland, their Beaubassin, awaits them where they will share their love and raise a family. But three days before their wedding, a storm of terror tears their tranquil world apart. An entire nation is scattered to the winds. Emmeline's last words to Louis before they part are Remember, my love. Beyond the storm, the sun still shines. They are put on separate ships, not knowing what part of the world the other may find themselves. Louis endures untold hardship and suffering on his quest to find Emmeline. A quest that takes him from a British prison in Halifax to the tormenting heat and toil of building a French seaport in the Caribbean. Finally his odyssey takes him to Louisiana searching for the sunshine beyond the storm. Longfellow, in his epic.Evangeline, follows Evangeline's (Emmeline LaBiche)search for Gabriel (Louis Arceneaux). This is Louis' search for his lost love, Emmeline. A story written with the tears and hopes of the ancestors of the modern day Cajuns.
