JACK. HIGGINS

Storm Warning Jack Higgins,2000-08-01 During World War II, a group of German expatriates trapped in Brazil must sail across five thousand miles of tempestuous water to reach their homeland--and face the deadly barricade of American and British military power.

**Bruce's Big Storm** Ryan T. Higgins,2019-09-03 Bruce's home is already a full house. But when a big storm brings all his woodland neighbors knocking, he'll have to open his door to a crowd of animals in need of shelter—whether he likes it or not. Readers will love this next installment of the uproarious, award-winning Mother Bruce series.

*Eye of the Storm* Jack Higgins,1993-07-01 Former allies in the IRA, Sean Dillon and Martin Brosnan have chosen different paths. Now Dillon is a terrorist for hire, a master of disguise employed by Saddam Hussein. Brosnan is the one man who knows Dillon's strengths and weaknesses...and brilliant mastery of espionage. Once friends, now enemies, they are playing the deadliest game of their careers. A game that culminates in a frightening - and true - event: Iraq's attempted mortar attack on the British war cabinet at 10 Downing Street in February 1991... Blending fact and fiction, *Eye of the Storm* is pure excitement. Jack Higgins at his best.

*JACK HIGGINS COLLECTION* JACK. HIGGINS, 2011

Who Was Hurricane Higgins? Tony Francis, 2011-10-13 Alex 'Hurricane' Higgins transcended sport in a way very few sportsmen ever have. In this definitive biography, Tony Francis describes how Alex threw himself into life like a man throwing himself off a cliff. No safety net. No plan. No fear. No shame. Francis interviews more than sixty witnesses to this extraordinary life and comes up with a remarkable series of adventures to surprise even Alex's staunchest fans. We hear from his ex-wife Lynn who tolerated him for ten years, helped him recover from a suicide attempt, watched him trash the house, but still has a fondness for the father of her kids. Snooker champion Jimmy White, Alex's best friend, says: 'I loved him, I hated him, I loved him, I hated him!' The author investigates the Irish drink culture which undermined his family, colleagues and, of course Higgins himself. How did Higgins' fellow Irish sportsman and biggest fan, Barry McGuigan, escape the excesses which dragged Higgins and George Best into the gutter? Did drink account for Higgins' wild outbursts or was there something more to it? Why did his lost love describe the man who once head-butted a tournament official as 'the gentlest man I ever met'? For all his faults, Higgins was, for a time, the most loved sportsman in Britain. He remains a legend and the most outstanding, charismatic snooker player who ever walked into an arena. Francis traces his crazy life from the time when as a baby he was kept in a shoe box in his mother's top drawer, to the sheltered accommodation in Sandy Row, Belfast where died. If you want to know what kind of man could mesmerise and terrorise his way to the top; be acclaimed by millions one moment and literally thrown out of a pub the next; die in pitiful isolation yet be celebrated by thousands lining the

streets in what amounted to a state funeral, then *Who Was Hurricane Higgins?* is a must-read.

**Lorraine** Ketch Secor, 2018-10-02 Old Crow Medicine Show founder and Grammy award-winning musician Ketch Secor teams up with Ashley Bryan Award-winning illustrator Higgins Bond to create this sweeping, epic Americana story about the power of music and family. Who needs a whistle or some shiny thing when you've got a voice and a song that can sing! Lorraine and her Pa Paw spend their days celebrating life with the music of the Tennessee hills. With Pa Paw's harmonica and Lorraine's pennywhistle, the pair can face just about anything. But when a fearsome storm rolls in and their instruments are nowhere to be found, can Lorraine find the music inside herself to get them through?

*Mother Bruce* Ryan T. Higgins, 2018-05-08 Bruce the bear likes to keep to himself. That, and eat eggs. But when his hard-boiled goose eggs turn out to be real, live goslings, he starts to lose his appetite. And even worse, the goslings are convinced he's their mother. Bruce tries to get the geese to go south, but he can't seem to rid himself of his new companions. What's a bear to do?

*Cities at Risk* Pierre Filion, Gary Sands, 2016-03-03 As levels of urbanization increase around the world, the growing concentrations of population and economic activity increases vulnerability to natural disasters. Interdependencies among urban populations mean that damage to the built environment, including water, sewer and energy infrastructure, can affect millions. Even if there is no change in the rate of occurrence of natural disasters (an unlikely prospect in the face of ongoing climate change) the potential for human and economic loss will continue to increase, along with the time required to recover. How do cities prepare for and recover from natural disasters? In this book, the authors provide a broad overview of the issues related to the impacts of disasters on cities around the world, from assessing risks to

accounting for damages. The comparative approach across different types of disasters in a range of urban locations is useful in identifying opportunities for policy transfer. While there is no 'one size fits all' solution to hazard mitigation, valuable lessons can be learned from the experiences of others. The chapters emphasize different modes for assessing hazard risk, as well as strategies for increasing the resiliency of vulnerable populations.
