📖 **THE ICE STORM** Rick Moody,2015-11-10 The national bestseller and basis for the Ang Lee film is a “powerful” novel of two troubled families during a blizzard in 1970s suburban Connecticut (Newsday). A potentially devastating blizzard approaches New Canaan, Connecticut, while internal forces of desire, frustration, and ennui threaten to tear apart two quintessentially affluent, suburban families. Elena Hood rightfully suspects her husband, Benjamin, is having an affair with neighbor Janey Williams, while Benjamin resents Elena and his mounting feelings of ineptitude. As the snow begins to fall, Benjamin and Elena, as well as Janey and her husband, attend a neighborhood “key party,” where they and other respectable suburbanites agree to go home with whomever’s keys they draw from a bowl. Meanwhile, the Hoods’ and Williams’s teenage children are caught up in their own experimentations with sex and drugs as they test the boundaries of their structured upbringing. With author Rick Moody’s sharp eye for the nuances of suburban life and allusions to 1970s America from Watergate to the Fantastic Four, the novel’s landscape is vivid and immersive. This timeless, unforgettable novel is a compassionate portrayal of flawed characters and reflects Rick Moody’s sharp eye for the contradictions of suburban life. This ebook features an illustrated biography of Rick Moody including rare images from the author’s personal collection.
