Brendan G. Carr

Importers Manual USA Edward G. Hinkelman,1998 The most comprehensive book in existence for importing to the United States. The 3rd edition contains many refinements including changes in import law, international banking regulations and legal issues affecting the importer.

Import Transactions and Customs Compliance Scott R. Lowden,2013-05 A graduate of Harvard Law School, the author has practiced corporate and international law in private practice and as general counsel for several transnational companies. He practices independently and as of counsel to a nationally known trade law firm in Dallas, Texas. I wrote Import Transactions and Customs Compliance to enable the reader to gain a coherent perception of the importing process as a whole and as a reference source for information that is currently available only in fragments. Scott R. Lowden Mr. Lowden has produced a comprehensive guide for the importer from the largest mega-corporation to the smallest individual. The book is an excellent resource and would be a valuable training guide for importing companies, brokers and transportation companies as well as firms practicing trade compliance. Sue-Ann Linnemann, Retired Assistant Port Director, U.S. Customs & Border Protection

Export/import Procedures and Documentation Thomas E. Johnson,Donna L. Bade,2010 Provides an overview of import and export regulations, including sample documents and contracts, training materials to use with employees, legal requirements, and more.

Export-Import Theory, Practices, and Procedures Belay Seyoum,2021-07-29 This book remains the sole export-import textbook aimed squarely at the academic audience. Discussing theoretical issues in depth, while maintaining a practical approach, it offers a comprehensive exploration of import procedures and export regulations. In addition to updated cases, this new edition includes: New major developments in bilateral and regional trade agreements Changes to INCOTERMS 2010 Coverage of the role of e-commerce Expanded updates on methods of payment, export pricing, and government export finance This clearly written and comprehensive textbook will ground students in theory and prepare them for the realities of a career in this fast-moving field. Suitable for upper-level undergraduates and postgraduates of international trade, the book stands alone in its blend of conceptual frameworks and cogent analysis. A related website, filled with export-import resources, opinion pieces, cases, and the latest news is located at: www.export-importtradecenter.com.

Import/Export Sebastian Ioppolo,2017-04 Most businesses will be affected by international trade. Businesses, therefore, need to be dynamic and respond to the changing business environment to prosper or, in many cases, just to survive. Import/Export: Guidelines for International Trade, Third Edition, is designed to help business people and students gain specific international trade related knowledge. This will assist participants in identifying and capitalising on opportunities and reducing their risks, leading to improved business outcomes. It provides up-to-date and practical 'how to' information for anyone involved or considering becoming involved in international trade. Suitable for beginners, experienced traders or students, the book's fourteen chapters explain the entire process of transacting with customers or suppliers outside Australia - from identifying and servicing export customers or finding reliable sources of imported products, through to arranging contracts, finance, insurance and transport, to packing goods for sea or air transport and negotiating customs and quarantine procedures. Import/Export: Guidelines for International Trade, Third Edition, includes many case studies and helpful tips to help the reader better understand how the concepts and practices unique to international trade are applied in real-life situations. With the world becoming an even smaller place, and the need for businesses to participate in an increasingly globally-integrated economy becoming even greater, skills in international trade are certain to become even more important than they already are today. It is hoped that this book enlightens and informs, answers your questions - including those you didn't think of asking - and contributes to your long-term business success.
