Hoosiers and the American Story Madison, James H.,Sandweiss, Lee Ann,2014-10-01 A supplemental textbook for middle and high school students, Hoosiers and the American Story provides intimate views of individuals and places in Indiana set within themes from American history. During the frontier days when Americans battled with and exiled native peoples from the East, Indiana was on the leading edge of America's westward expansion. As waves of immigrants swept across the Appalachians and eastern waterways, Indiana became established as both a crossroads and as a vital part of Middle America. Indiana's stories

illuminate the history of American agriculture, wars, industrialization, ethnic conflicts, technological improvements, political battles, transportation networks, economic shifts, social welfare initiatives, and more. In so doing, they elucidate large national issues so that students can relate personally to the ideas and events that comprise American history. At the same time, the stories shed light on what it means to be a Hoosier, today and in the past.

Hoosiers James H. Madison, 2014-08-05 The story of this Midwestern state and its people, past and present: "An entertaining and fast read."
—Indianapolis Star Who are the people called Hoosiers? What are their stories? Two centuries ago, on the Indiana frontier, they were settlers who created a way of life they passed to later generations. They came to value individual freedom and distrusted government, even as they demanded that government remove Indians, sell them land, and bring democracy. Down to the present, Hoosiers have remained wary of government power and have taken care to guard their tax dollars and their personal independence. Yet the people of Indiana have always accommodated change, exchanging log cabins and spinning wheels for railroads, cities, and factories in the nineteenth century, automobiles, suburbs, and foreign investment in the twentieth. The present has brought new issues and challenges, as Indiana's citizens respond to a rapidly changing world. James H. Madison's sparkling new history tells the stories of these Hoosiers, offering an invigorating view of one of America's distinctive states and the long and

fascinating journey of its people.

An Indiana History Story a Day - October Paul R. Wanning, 2017-10 Indiana possesses a rich history that is fun to read and learn. An Indiana History Story a Day, like the Indiana Bicentennial History Series that preceded it, presents Indiana history in an easy to read this day in history format The thirty-one stories in the October edition include: October 03, 1811 - Harrison's Army Arrives at Fort Harrison Site October 09, 1924 - Hoosier Boy Sets Ohio River Speed Record October 11, 1957 - First Parke County Covered Bridge Festival October 21, 1862 - 99th Indiana Infantry Mustered October 25, 1909 - Perpetrators of the Dynamite Conspiracy Blow Up Four Indianapolis Buildings

An Indiana History Story a Day - November Paul R. Wanning, 2017-10-26 Indiana possesses a rich history that is fun to read and learn. An Indiana History Story a Day, like the Indiana Bicentennial History Series that preceded it, presents Indiana history in an easy to read this day in history format The thirty-one stories in the November edition include: November 05, 1780 - de La Balme Massacre Near the Eel River November 08, 1816 - Indiana Assembly Elects First US Senators November 16, 1915 - Chapman J. Root Patents Coca Cola Bottle November 23, 1887 - First Notre Dame Football Game November 25, 1863 - Union Forces led by Fifteenth Indiana Take Missionary Ridge

Historic Indiana Julia Henderson Levering, 1909 The history of Indiana is rich in minor incidents of real interest and of importance; but not in events exclusively its own. . . . The intention of this book is to include in a single volume an

account of various phases of the development of the Commonwealth, whose history must be learned from many sources, not always accessible. Many who have not time for research, and others who have no taste for reading history, may take an interest in the romance of foreign dominion on the Wabash, and in the plain tale of the early settlers. Some may have aroused within them a just pride in their State, in reading of Indiana's valiant part in war, the development of her vast natural resources, and the advanced position which she has taken among the states in provisions for universal education, and the enactment of beneficial laws. The author's lifelong familiarity with the scenes, the characters, the movements, and the events mentioned, insures to the reader a sympathetic treatment of the subject. Fireside recitals by aged pioneers, addresses at old settlers' meetings, local historical society papers, reminiscences of early citizens, State records, scholarly monographs and histories have all gone to the making of these pages.--Excerpt from Preface.
