Retail Gangster Gary Weiss,2022-08-23 A biography of the spectacular rise and fall of Eddie Antar, better known as Crazy Eddie, whose home electronics empire changed the world even as it turned out to be one of the biggest business scams of all time Back in the fall of 2016 we heard the news about the passing of Eddie Antar, Crazy Eddie as he was known to millions of people, the man behind the successful chain of electronic stores and one of the most iconic ad campaigns in history. Few things evoke the New York of a particular era the way Crazy Eddie! His prices are insaaaaane! does. The journalist Herb Greenberg called his death the end of an era and that couldn't be more true. What's insane is that his story has never been told. Before Enron, before Madoff, before The Wolf of Wall Street, Eddie Antar's corruption was second to none. The difference was that it was a street franchise, a local place that was in the blood stream of everyone's daily life in the 1970s and early '80s. And Eddie pulled it off with a certain style, an in your face blue collar chutzpah. Despite the fact that then U.S. Attorney Michael Chertoff called him the Darth Vader of capitalism after the extent of the fraud was revealed, one of the largest SEC frauds in American history after Crazy Eddie's stores went public in 1984, Eddie was talked about fondly by the people who worked for him. They still do--there are myriads of ex-Crazy Eddie employee web pages that still attract fans, and the Crazy Eddie fraud scheme is now taught in every business school across the United States. Many years have passed since the franchise went down in spectacular fashion but Crazy Eddie's moment has endured the way that iconic brands and characters do--one only need Google the media outpouring that accompanied his death. Maybe it's because it crystallized everything about 1970s New York almost perfectly, the merchandise and rise of consumer electronics (stereos!), the ads (cheesy!), the money (cash!). In *Retail Gangster*, investigative journalist Gary Weiss takes readers behind the scenes of one of the most unbelievable business scam stories of all time, a story spanning continents and generations, reaffirming the old adage that the truth is often stranger than fiction.

Insane City Dave Barry,2013-01-29 Seth Weinstein always knew Tina was way, way, way out of his league. Which is why he's still astonished that he's on a plane heading for their wedding in Florida. The Groom Posse has already pulled an airport prank on him—and he's survived! It should be easy going from now on. But Seth has absolutely no idea what he's about to get into. A simple drink or two with the boys sparks a series of events that will pit Seth and his friends against everything and everyone imaginable, from his very powerful, very disapproving soon-to-be father-in-law to the federal government to a love-struck orangutan. Seth's hope for smooth sailing is turning into a trip on the Titanic. And the water is getting deeper by the minute...

Crazy Stories for Crazy People Michael Kechula,2005-01-31 Who's knocking on your door at midnight? A zombie delivering pizza? The voodoo-practicing detective you've hired to find your missing girlfriend? A weird kid who prowls the neighborhood selling dreams? A machete-wielding mayor whose brains have turned to concrete? A blue gorilla, the town's newest teacher? Meet all these bizarre characters and many others in this collection of fifty short stories. Be prepared for

reckless adventures peppered with fantasy, horror, and nutty satire. You don't have to be crazy to enjoy *Crazy Stories for Crazy People*. The partially and nearly mad and the certifiably sane may also relish these wild and wacky tales. For flash fiction fans and bean counters, this collection has thirty-two flash stories consisting of 500 to 1,000 words. Seventeen others have 1,000 to 2,000 words. *Zombie Money*, a roller coaster of deceit and delusion, has 13,200 words. Now, buckle your seatbelt, open the cover, and imbibe.

Crazy Pete Earley, 2007-04-03 “A magnificent gift to those of us who love someone who has a mental illness...Earley has used his considerable skills to meticulously research why the mental health system is so profoundly broken.”—Bebe Moore Campbell, author of *72 Hour Hold* Former Washington Post reporter Pete Earley had written extensively about the criminal justice system. But it was only when his own son—in the throes of a manic episode—broke into a neighbor's house that he learned what happens to mentally ill people who break a law. This is the Earley family's compelling story, a troubling look at bureaucratic apathy and the countless thousands who suffer confinement instead of care, brutal conditions instead of treatment, in the “revolving doors” between hospital and jail. With mass deinstitutionalization, large numbers of state mental patients are homeless or in jail—an experience little better than the horrors of a century ago. Earley takes us directly into that experience—and into that of a father and award-winning journalist trying to fight for a better way.

Insane Breona Smith, 2016-05-18 A story about 14 year old Jamie. Her life was far from perfect. She meets a guy and she thinks her life has just began, but what Jamie doesn't know is that her life has just began for the worst.

22 Micro Stories About the Insane Sebastian Silvestri, 2020-09-30 The following 22 micro stories about the insane open a door for you to discover with your own eyes the dichotomy between the two worlds: the world of the sane and the one of the insane. Although these two worlds are opposed to each other, they merge in these stories owing to the actions going on, resulting in interesting stories that are based on both fantasy and reality.

Crazy-Ass Stories for Crazy-Ass People Andy Rausch, 2019-03-26 This quirky collection of short stories (and one novella) by Andy Rausch contains something for readers of every stripe. Rausch touches on a variety of genres, including horror, comedy, crime, and even Western, but every story features his unique, offbeat wit, superb writing, and razor-sharp dialogue, all delivered from a decidedly off-kilter perspective. His work has been praised by the likes of Cape Fear screenwriter Wesley Strick and Fort Apache the Bronx author Heywood Gould. Author Peter Leonard once compared his writing style to that of his father, Elmore Leonard. Storylines include a naive little boy mistaking a burglar for Santa Claus, bumbling white supremacists attempting to resurrect the dead body of Adolf Hitler, a man who develops an unexplainable craving for the taste of human flesh, a would-be author summoning the spirit of dead novelist Charles Bukowski to assist him writing, a showdown between legendary lawman Wyatt Earp and a deadly serial killer on the dusty streets of Tombstone, and many more. So ask yourself: are you a little bit crazy, and if so, are you up to the task of reading these twenty-two wild and crazy tales of darkness, wackiness, and outright debauchery?

It's Kind of a Funny Story Ned Vizzini, 2010-09-25 Like many ambitious New York City teenagers, Craig Gilner sees entry into Manhattan's Executive Pre-Professional High School as the ticket to his future. Determined to succeed at life—which means getting into the right high school to get into the right college to get the right job—Craig studies night and day to ace the entrance exam, and does. That's when things start to get crazy. At his new school, Craig realizes that he isn't brilliant compared to the other kids; he's just average, and maybe not even that. He soon sees his once-perfect future crumbling away.

The Tell-Tale Heart Edgar Allan Poe, 2024-01-29 In Edgar Allan Poe's *The Tell-Tale Heart*, the narrator tries to prove his sanity after murdering an elderly man because of his vulture eye. His growing guilt leads him to hear the old man's heart beating under the floorboards, which drives him to confess the crime to the police.

S'Mother Adam Chester,2011-04-15 And you think your mom is too involved? Meet the mother of all mothers in this “hilarious” memoir (North Shore News). Adam Chester is the son of a very loving mom, who for almost thirty years has peppered his life with unsolicited advice, news updates, and opinions in the form of thousands of inappropriate, embarrassing, and utterly crazy letters. Here, he presents a selection of her correspondence showing the pathological extremes maternal instincts can take. Why is a grown woman so frantic that her adult son screw on his windows to keep out killer bees? Is Adam at imminent risk of frostbite should he ever decide to visit San Francisco? And are adult trick-or-treaters really that much of a threat? With time, perspective, and plenty of therapy, Adam acknowledges and accepts the comedy of it all—and in this book he shares his story of an unforgettable mom who gives “overprotective” a whole new meaning.

A Killer Insane Pete Dove,2018-06-24 It is one of the dilemmas of the civilised world. How do we treat our mentally ill criminals? Call it psychosis, madness, insanity, schizophrenia, there seems to be little doubt that this is a condition that applies to Andrew Urdiales. Then again, there are some judges who disagree, although whether that is on medical, popularity or political grounds is hard to say. What is more certain is that Urdiales attacked nine women, murdering eight of them, and did so over a decade without coming under any suspicion. But there is much more to the life of this former Marine, much more to indicate that his actions were those of somebody suffering from serious mental disorders than a man simply guilty of evil. When we read of the most disturbing crimes committed by the mentally disturbed, their illness can often be traced back to childhood. In Urdiales' case, causal links head back much further. Both of his parents came from disturbed families. Their own homes were haunted by untreated mental illness. Really, neither parent had much chance from the outset. Perhaps that is how they met and married, a common link in a life of unhappiness. From time to time inspirational stories come to light of families overcoming adversity, addressing their dreadful histories to in order to make a success of their lives. There was no such outcome in the family of Andrew Urdiales. He was born on June 4th, 1964, in the small town - village might be a better description - of Dolton, Illinois. The town lies in Cook County, not far from Wolf Lake, which would later become the scene of many of his crimes.
