Here's one of the stories featured: Your Personal Angel A story about an angel who has been taking care of you even before you were born and will always take care no matter how much you grow old.... you know that angel as Mother, Mamma, Mom... My mom only had one eye. I hated her... She was such an embarrassment. She cooked for students and teachers to support the family. There was this one day during elementary school where my mom came to say hello to me. I was so embarrassed. How could she do this to me? I ignored her, threw her a hateful look and ran out. The next day at school one of my classmates said, 'Eeee, your mom only has one eye!' I wanted to bury myself. I also wanted my mom to just disappear. I confronted her that day and said, ' If you're only gonna make me a laughing stock, why don't you just die?' My mom did not respond... I didn't even stop to think for a second about what I had said, because I was full of anger. I was oblivious to

her feelings. I wanted out of that house, and have nothing to do with her. So I studied real hard, got a chance to go abroad to study. Then, I got married. I bought a house of my own. I had kids of my own. I was happy with my life, my kids and the comforts. Then one day, my Mother came to visit me. She hadn't seen me in years and she didn't even meet her grandchildren. When she stood by the door, my children laughed at her, and I yelled at her for coming over uninvited. I screamed at her, 'How dare you come to my house and scare my children!' Get Out Of Here! Now!' And to this, my mother quietly answered, 'Oh, I'm so sorry. I may have gotten the wrong address,' and she disappeared out of sight. One day, a letter regarding a school reunion came to my house. So I lied to my wife that I was going on a business trip. After the reunion, I went to the old shack just out of curiosity. My neighbors said that she died. I did not shed a single tear. They handed me a letter that she had wanted me to have. My dearest son, I think of you all the time. I'm sorry that I came to your house and scared your children. I was so glad when I heard you were coming for the reunion. But I may not be able to even get out of bed to see you. I'm sorry that I was a constant embarrassment to you when you were growing up. You see... when you were very little, you got into an accident, and lost your eye. As a mother, I couldn't stand watching you having to grow up with one eye. So I gave you mine. I was so proud of my son who was seeing a whole new world for me, in my place, with that eye. With all my love to you, Your mother

Let Me Tell You a Story James H. O'Keefe, Joan O'Keefe, 2013-02-26 In *Let Me Tell You a Story*, Dr. James O'Keefe and his dietitian wife Joan O'Keefe, co-authors of the best-selling *The Forever Young Diet & Lifestyle*, present stories of real-life people and how they found their way to living a happy, healthy, and joyful existence. The authors firmly believe that the human brain best learns new concepts and internalizes information that can change one's perspective and alter behavior through story-telling. Scientific findings and statistics are churned out at an ever-quicken pace. Recent estimates state that the entire body of scientific knowledge has doubled just since the year 2000. It has become unmanageable to keep up with all the science on health, nutrition, fitness, and wellness. So many people just throw up their hands in frustration, not knowing what to believe, while continuing to follow lifestyles and diets that are often toxic. Yet knowledge is power; you and your loved ones need this information if you are to thrive in this 21st century environment that is so foreign

to our genetic identity. This statement is at the core of this book. Through this book of true stories about real people, these examples illustrate important concepts based on state-of-the-art science and the power of the Forever Young Diet & Lifestyle program, as outlined in their previous book. Through 26 informative, entertaining, and often amusing chapters, the O'Keefes cover a multitude of health, diet, and fitness topics, such as Fast Each Night to Shine Each Day, Run for Your Life--at a Comfortable Pace--Not too Far, and Sex: Not Just for Making Babies Anymore. Through stories of everyday people, readers can learn that they too can improve their health and well-being, without being preached at.--

A Treasury of Jewish Inspirational Stories Lawrence Jeffrey Epstein, 1993 When we speak of God reaching out to humans, it is called revelation, and the human response to revelation is inspiration. *A Treasury of Jewish Inspirational Stories* is meant to move the head and the heart to appreciate, as author Lawrence J. Epstein writes, the effects that divine influence and guidance have had on Jewish individuals, communities, and history. The stories he has gathered manifest the many forms of this human response. As in his previous best-selling volume, *A Treasury of Jewish Anecdotes*, Epstein shows us his remarkable skill of gathering tales and his talent for retelling them in a voice that speaks clearly to a contemporary audience. These are not stories of purported miracles. Nor are

they always verifiable. Some of the stories are folktales, others are exaggerations. Some are biographical, others are snapshots from history. But all have a singular theme and goal: renewed faith in divine guidance or in the human capacity to do good deeds. Epstein explains in his introduction that an inspirational story can affect its listener in many ways: it can clarify religious ideas, lead to spiritual experiences, reinforce theological notions, provide peace of mind, give birth to motivation for spiritual action, and serve as a model for living. To find such stories for *A Treasury of Jewish Inspirational Stories*, Epstein searched every corner of Jewish experience, from the Bible to modern times. He combed the classical literature, hasidic lore, and the lives of well-known Jewish personalities - such as Hillel, Rashi, and Maimonides - as well as lesser-known figures and ordinary individuals, looking for tales that provide us with a shock of insight into eternal mysteries. These stories, Epstein goes on to say, help us become connected to a divine process we can only dimly comprehend, but one to which we react with awe and reverence. *A Treasury of Jewish Inspirational Stories* is a fine sourcebook for what the author describes as a special kind of literature. Epstein has provided us with retellings of such stories as the Exodus from Egypt, Mount Sinai, the receiving of the Ten Commandments, the story of Esther, Judah Maccabee, Herzl and the rebirth of Israel, the fighters of the Warsaw Ghetto - over 125 stories that move the intellect and the emotions. Epstein remarks that the original idea for writing a book of inspirational stories came after listening to a survivor of the Holocaust. It is his hope that *A Treasury of Jewish Inspirational Stories* will allow readers to search for the inspirational stories in their own lives.
