Here's one of the stories featured: Your Personal Angel A story about an angel who has been taking care of you even before you were born and will always take care no matter how much you grow old.... you know that angel as Mother, Mamma, Mom... My mom only had one eye. I hated her... She was such an embarrassment. She cooked for students and teachers to support the family. There was this one day during elementary school where my mom came to say hello to me. I was so embarrassed. How could she do this to me? I ignored her, threw her a hateful look and ran out. The next day at school one of my classmates said, 'Eeee, your mom only has one eye!' I wanted to bury myself. I also wanted my mom to just disappear. I confronted her that day and said, 'If you're only gonna make me a laughing stock, why don't you just die?' My mom did not respond... I didn't even stop to think for a second about what I had said, because I was full of anger. I was oblivious to her feelings. I wanted out of that house, and have nothing to do with her. So I studied real hard, got a chance to go abroad to study. Then, I got married. I bought a house of my own. I had kids of my own. I was happy with my

life, my kids and the comforts. Then one day, my Mother came to visit me. She hadn't seen me in years and she didn't even meet her grandchildren. When she stood by the door, my children laughed at her, and I yelled at her for coming over uninvited. I screamed at her, 'How dare you come to my house and scare my children!' Get Out Of Here! Now!' And to this, my mother quietly answered, 'Oh, I'm so sorry. I may have gotten the wrong address,' and she disappeared out of sight. One day, a letter regarding a school reunion came to my house. So I lied to my wife that I was going on a business trip. After the reunion, I went to the old shack just out of curiosity. My neighbors said that she died. I did not shed a single tear. They handed me a letter that she had wanted me to have. My dearest son, I think of you all the time. I'm sorry that I came to your house and scared your children. I was so glad when I heard you were coming for the reunion. But I may not be able to even get out of bed to see you. I'm sorry that I was a constant embarrassment to you when you were growing up. You see... when you were very little, you got into an accident, and lost your eye. As a mother, I couldn't stand watching you having to grow up with one eye. So I gave you mine. I was so proud of my son who was seeing a whole new world for me, in my place, with that eye. With all my love to you, Your mother

Let Me Tell You a Story James H. O'Keefe, Joan O'Keefe, 2013-02-26 In Let Me Tell You a Story, Dr. James O'Keefe and his dietitian wife Joan O'Keefe, co-authors of the best-selling The Forever Young Diet & Lifestyle, present stories of real-life people and how they found their way to living a happy, healthy, and joyful existence. The authors firmly believe that the human brain best learns new concepts and internalizes information that can change one's perspective and alter behavior through story-telling. Scientific findings and statistics are churned out at an ever-quickening pace. Recent estimates state that the entire body of scientific knowledge has doubled just since the year 2000. It has become unmanageable to keep up with all the science on health, nutrition, fitness, and wellness. So many people just throw up their hands in frustration, not knowing what to believe, while continuing to follow lifestyles and diets that are often toxic. Yet knowledge is power; you and your loved ones need this information if you are to thrive in this 21st century environment that is so foreign to our genetic identity. This statement is at the core of this book. Through this book of true stories about real people, these examples illustrate important concepts based on state-of-the-art science and the power of the Forever Young Diet & Lifestyle program, as outlined in their previous book. Through 26 informative, entertaining, and often amusing chapters, the O'Keefes cover a multitude of health, diet, and fitness topics, such as Fast Each Night to Shine Each Day, Run for Your Life--at a Comfortable Pace--Not too Far, and Sex: Not Just for Making Babies Anymore. Through stories of everyday people, readers can learn that they too can improve their health and well-being, without being preached at.--

An Inspirational Story Major Subhash Sasne, 2022-07-28 I am Major Subhash Sasne (Retd.) presently residing in Pune. We all know normally that autobiographies are written by legendary, well-known people and celebrities. I belong to none of the aforementioned categories. Notwithstanding, I

have ventured to narrate my real-life story in this book, *An Inspirational Story*. It highlights my struggles in my childhood and my journey as a Fauji and physical training instructor in the army; my aspirations for establishing world records and associated challenges faced in fulfilling my dreams; my efforts to become an army officer; unplanned, premature retirement; financial crunches; opportunity in the Department of Sainik Welfare, Maharashtra; helping thousands of ex-servicemen; Veer Naris and their dependent children and conceptualising the Pre-Primary Fitness and Sports Programme in Maharashtra involving the conduct of physical tests for over two lacs children. I deeply feel that by reading my story, the readers will get inspired to do something extraordinary in their life and also pursue their goals in the actual world.

Heartfelt : The Inspirational Story of Medha Anup Jalota Bharathi S Pradhan, 2013 Attractive Medha Gujral and renowned filmmaker, Shekhar Kapur, ended their high-profile marriage in a US divorce court in New Delhi. Bhajan Samrat Anup Jalota had two infamously unsuccessful marriages behind him. When Medha and Anup met, a series of failed relationships and a passion for music was the only common ground between them. But as man and woman, they became inseparable. The arrival of precious baby Aryaman multiplied their happiness. However, this unbridled bliss was rudely truncated when Medha was diagnosed with a debilitating congenital heart disease in 2000. Since then the Jalotas have seen it all a chordae of her mitral valve cut by mistake in a US hospital, an emergency open-heart surgery, a lifesaving heart transplant and a hospital check-in scheduled in New York on, believe it or not, 9/11 in 2001. But, despite a decade and more of dwindling health, near-encounters with death, emotional oscillations and spiralling medical bills, Anup and Medha celebrate every moment of their life together. *Heartfelt: The Inspirational Story Of Medha Anup Jalota* is a living statement of how the mind can baffle, even heal the body, when medical science gives up on you.

The Tollbooth: An Inspirational Story about One Man's 40-Day Spiritual Journey John Feloni, 2023-05-25 A Meeting. A Journal. A Price to Pay. A Life to Gain. The Tollbooth follows the story of business meeting between Mr. Robert Campbell, the CEO of a multinational conglomerate, and an employee who is looking for more. During this encounter, Mr. Campbell shares something he's never shown to anyone: a hand-written journal. Within its pages, the employee learns invaluable life lessons, strategic business insights, and, most important of all, the secret to a transcendent life. The Tollbooth is the second (and favorite!) of author John Feloni's trio of books, which include The

Covenant Secret, that propound and elucidate time-tested as well as contemporary philosophies on life and business. Each book is a modern-day exemplum, or parable, with the concepts presented in a riveting story that entertains as much as it educates. Hollywood Digest writes that Mr. Feloni makes the giving and sharing of ideas and hard knocks feel effortless. Learn the secrets to life and business today. The toll owed is small and the reward gained is mighty. GREAT QUOTES YOU WILL FIND IN THE TOLLBOOTH Most people live their lives in a state of hypnosis, never really living life the way it's supposed to be lived. One must be diligent in keeping one's attention off of the undesirable condition. In meditation, contemplation, and prayer, one should take the time and energy to focus on the desired condition. When you meditate, contemplate, or pray, give thanks for the good things in your life. You don't become healthy by becoming an expert on disease, which, for the most part, is how medical doctors are trained. You must become an expert on health. We were made in God's image. We are designed to fulfill our inner nature. As God's children we were made to be everything our inner voice tells us that we can be. This is the Truth of the physical universe over which God has given us dominion. Forget opinions! That's why now is the time for you to break free of them. I've been where you are. Confusion, frustration, harassment from your loved ones, the death of a loved one, a yearning inside, passion eating at you, fear, everything. I've been there. But now is the time for you to free yourself of all the shackles that bind you. The most important thing I see in you is the beautiful music your heart is making. It's singing out in wonderful harmony. It's so obvious. You've got to listen to it. You are as ready as you'll ever be to live your life as it was meant to be lived. Go for it! WHY 40 DAYS? In Biblical and spiritual terms, the number 40 stands for a period of gestation, of waiting, of growth, of cleansing, and of the development of spirit. During this period, a soul desirous of "enlightenment" will find him- or herself wandering in a spiritual wilderness and undergoing tests and

trials on all planes of being. For example . . . - During the Great Flood, it rained for 40 days and 40 nights. - The Israelites wandered the desert for 40 years in search of the Promised Land. - Moses spent 40 days on Mount Sinai in commune with God. - After he was baptized, Jesus spent 40 days meditating in the desert. - The Catholic Lent is for 40 days. - After the resurrection, Jesus appeared to the apostles for 40 days. - Buddha sat for 40 days under a tree before achieving enlightenment. - The Archangel Gabriel first appeared to Mohammad when he was 40-years-old. - A child lies some 40 weeks in the womb. - Strangely enough, the author was 40-years-old when he finished this book in 1998. ABOUT THE AUTHOR John Feloni is the founder and CEO of Stock Squirrel, Inc., a new FinTech startup and the CEO of his investment company Feloni & Co. John is co-author of the bestseller, *The Fall of the House of Hutton* (1989, Henry Holt and HarperCollins), the story of the fall of the Wall Street powerhouse, EF Hutton. John uses his lifelong entrepreneurial spirit to act resourcefully and effectively and build extraordinary teams. John will release three books with Kallisti Publishing Inc.: *The Covenant Secret*; *The Tollbooth*; and *Only the Golden Rule*. CONTENTS Meeting Notebook: Days 1 to 3 Praying Notebook: Days 4 to 9 Focusing Notebook: Days 10 to 12 Believing Notebook: Days 13 to 30 Affirming Notebook: Days 31 to 35 Seeing Notebook: Days 36 to 40 Revealing Why 40 Days?
