In an Instant Suzanne Redfearn, 2021-02 Life is over in an instant for sixteen-year-old Finn Miller when a devastating car accident tumbles her and ten others over the side of a mountain. Suspended between worlds, she watches helplessly as those she loves struggle to survive.

The Instant Amy Liptrot, 2022-03-03 THE SUNDAY TIMES BESTSELLER SHORTLISTED FOR THE WAINWRIGHT PRIZE FOR NATURE WRITING Wishing to leave behind the isolation of her Orkney life, Amy Liptrot books a one-way flight to Berlin. She rents a loftbed in a shared flat and starts to look for work – and for love – through the screen of her phone. The Instant tells of the momentous year that follows, encountering the city's wildlife in the most unexpected places, tracing the cycles of the moon, the flight paths of migratory birds and surrendering to the addictive power of love and lust.

Instant Loss Cookbook Brittany Williams, 2018-10-02 THE INSTANT NATIONAL BESTSELLER • Brittany Williams lost more than 125 pounds using her Instant Pot® and making all her meals from scratch. Now she shares 125 quick, easy, and tasty whole food recipes that can help you reach your weight loss goals, too! Brittany Williams had struggled with her weight all her life. She grew up eating the standard American staples—fast, frozen, fried, and processed—and hit a peak weight of 260 pounds. When her 4-year-old daughter's autoimmune disease was alleviated by a low-sugar, dairy-free, grain-free, whole-food-based diet, Brittany realized she owed her own body the same kind of healing. So on January 1, 2017, she vowed to make every meal for a year from scratch, aided by her Instant Pot®. She discovered that the versatility, speed, and ease of the electric pressure cooker made creating wholesome, tasty, family-satisfying meals a breeze, usually taking under thirty minutes. Not only did the family thrive over the course of the year, Brittany lost an astonishing 125 pounds, all documented on her Instant Loss blog. Illustrated with gorgeous photography, Instant Loss Cookbook shares 125 recipes and the meal plan that Brittany used for her own weight loss, 75% of which are recipes for the Instant Pot® or other multicooker. These recipes are whole food-based with a spotlight on veggies, mostly dairy and grain-free, and use ingredients that you can find at any grocery store. The clearest guide to navigating your Instant Pot® or other multicooker that you'll find, Instant Loss Cookbook makes healthy eating convenient—and that's the key to sustainable weight loss.

Instant Recovery with Write-Ahead Logging Goetz Graefe, Wey Guy, Caetano Sauer, 2016-04-29 Traditional theory and practice of write-ahead logging and of database recovery focus on three failure classes: transaction failures (typically due to deadlocks) resolved by transaction rollback; system failures (typically power or software faults) resolved by restart with log analysis, redo, and undo phases; and media failures (typically hardware faults) resolved by restore operations that combine multiple types of backups and log replay. The recent addition of single-page failures and single-page recovery has opened new opportunities far beyond the original aim of immediate, lossless repair of single-page wear-out in novel or traditional storage hardware. In the contexts of system and media failures, efficient single-page recovery enables on-demand incremental redo and undo as part of system restart or media restore operations. This can give the illusion of practically instantaneous restart and restore: instant restart permits processing new queries and updates seconds after system reboot and instant restore permits resuming queries and updates on empty replacement media as if those were already fully recovered. In the context of node and network failures, instant restart and instant restore combine to enable practically instant failover from a failing database node to one holding merely an out-of-date backup and a log archive, yet without loss of data, updates, or transactional integrity. In addition to these instant recovery techniques, the discussion introduces self-repairing indexes and much faster offline restore operations, which impose no slowdown in backup operations and hardly any slowdown in log archiving operations. The new restore techniques also render differential and incremental backups obsolete, complete backup commands on a database server practically instantly, and even permit taking full up-to-date backups without imposing any load on the database server. Compared to the first version of this book, this second edition adds sections on applications of single-page repair, instant restart, single-pass restore, and instant restore. Moreover, it adds sections on instant failover among nodes in a cluster, applications of instant failover, recovery for file systems and data files, and the performance of instant restart and instant restore.

Instant Forgiveness The INSTANT-Series, 2015-07-17 The Instant-Series Presents Instant Forgiveness How to Forgive Someone Who Harmed You to Let Go of Emotional Baggage Dragging You Down Instantly! Remember all those people have who have ever upset, offended, or harmed you, whether it was physically or emotionally, and you just can't seem to let it go. This could have been a random stranger, past relationship, or even worse...you live and have to interact around them everyday like at home or work. This unwillingness to let things go is not only controlling you, but eating you up alive deep down inside, and you want it to stop! Yet, you just can't seem to unburden yourself of these harbored negative emotions. Don't give them more power to do any more harm than they already have! You're robbing yourself of positive energy and focus that could be used for more productive positive priorities other than on those particular individuals who have at some point hurt you, either intentionally or even accidentally. Is that how you want to go on living, which is not the life of your own, but that of being controlled by these strings of grudges from these puppet masters of inflictions? Then be the bigger person. Be willing to forgive and forget. Within Instant Forgiveness: * How to confront and reconcile with those who inflicted pain to you, to not only let go of your emotional burdens but help them let go of theirs. * How to start each and every day rejuvenated from all negative energies, with the step-by-step process of doing emotional detoxification. * How to NOT process those immediate damages done by others, but alter them with the blind spot pardon technique to help you see the solutions instead. * How to keep yourself set on your path in life, without thinking nor getting deterred by the emotional baggage of the past. * How to allow the toughest form of forgiveness in your heart, for somebody responsible for the loss of someone close to you. * Plus, custom practical how-to strategies, techniques, applications and exercises to forgive others as well as yourself. ...and much more. Forgiveness is more than just about freeing yourself and moving on. It's about being cleansed and reborn to be better than who you were.

Instant Meditation The INSTANT-Series, 2014-12-01 The Instant-Series Presents Instant Meditation How to Meditate Instantly! Do you want to be more successful? Then the question becomes...what do successful people have in common? They all know how to stay calm no matter what, and are in control of their thoughts and emotions...which is not easy to do in a world that can be a very stressful, turbulent place with many people overworked and have lots of responsibilities to take care of, especially true for those on top in a fast-pace, competitive world? Want to know what that secret weapon is to stay calm and have self-control mastery over your mind and body? It's called meditation. Surely, you have heard of it...but why is meditation so important? Well, do you want to always have that sense of calmness, peace, and assurance, or diminish stress, anxiety, and pain for better health? Here are some profound benefits of meditation: * Develop clarity and focus to get things done. * Awaken your creativity and latent potential. * Receive inner guidance to make better decisions. * Rise above the struggles life throws at you. * Understand and relate better with other people. * Figure out a deeper meaning and purpose in life. * Connect to a Higher Power, which some might call God, or Spirit. That's all what meditation can do for you. The benefits of meditation are endless as it's only your mind doing the work for you, and the mind, as you know, is capable of limitless possibilities limited only to your imagination. "Everything you can imagine is real. – Pablo

Picasso "Reality leaves a lot to the imagination." - John Lennon "Imagination is everything. It is the preview of life's coming attractions." - Albert Einstein Contrary to what many think, meditation is not limited to the those of leisure or occult, but to anybody and also to everyday normal folks who don't have much time... Within Instant Meditation, now only will you be given different meditation techniques, but you'll discover how to meditate even if you don't have much time and live a busy hectic life, with quick meditation techniques you can use and do on the go, either sitting or standing. Even if you are beginners to meditation, Instant Meditation will get you started into meditation as quickly as possible, as well as how to do advanced meditation like Buddhist monks, the masters of meditation who devote their life to this art taking decades to master. All this and more within Instant Meditation. Cleanse your mind, enhance your body, renew your soul, revitalize your spirit and experience a better life now instantly through meditation!

Instant Millionaires Max Gunther, 2011-01-10 In this book you will meet three dozen impatient people. They weren't satisfied with the slow, plodding, money-saving route to financial security, the safe route that most of us feel stuck with. They wanted instant wealth - and they got it. As Max Gunther points out, our folklore frowns on the idea of quick money. Our cultural heroes have generally been plodders, as in the fable about the race between a tortoise and a hare. In the fable, the hare loses. The stories in this book are not fables. They are true. In these stories, the hares win. They are a richly varied lot, these happy hares. Gunther opens with a few dazzling millionaire legends, such as the man who invented Monopoly. You'll then meet such fascinating characters as: - Sam Wyly, who made it in the computer industry - Harvey Shuster, who beat the stock market - Dan Renn, who grew rapidly rich by applying salesmanship to another man's idea - Howard Brown, who deliberately decided to be rich and became a multi-millionaire within three years. - A group of men who made fast fortunes on fads such as the Hula Hoop and the Frisbee. - Jean Nidetch, who organised the fabulously successful Weight Watchers These stores illustrate that the dream of quick money isn't such a ridiculous dream after all. Maybe you've been harboring this kind of dream yourself. You've squelched the dream because you've been brainwashed by too many stories about tortoises beating hares. Everybody tells you your dream is laughable, impractical. All right, get ready for a revelation. Read this delightful collection of tales about hares who won. When you've read them, maybe you'll decide to run with them.

My Instant Death Ability Is So Overpowered, No One in This Other World Stands a Chance Against Me! Volume 4 Tsuyoshi Fujitaka, 2021-03-31 After being summoned to another world, Yogiri and Tomochika were abandoned by their classmates as bait to distract a rampaging dragon. Thanks to Yogiri's ability to cause instant death with a single thought, the two of them survived and made the arduous journey to reunite with their classmates in the capital city. Although they overcame tremendous danger along the way, rejoining the other students is still only the beginning. From the intricate schemes of the Sages Yogiri inadvertently made into his enemies, to being stalked by Ayaka Shinozaki, a synthetic classmate who acquired the power of a dragon and swore to take revenge on them all, to the machinations of Lute, the spawn of a monster Yogiri slew, who is now bent on releasing yet another Dark God imprisoned beneath the city, there is no shortage of people determined to kill them. Somehow, the

unlikely duo must juggle these threats while attempting to draw out the Sage Sion in hopes of discovering how to make it back home.

Instant French Vocabulary Builder Tom Means,2003 Many words in French are nearly the same as their English counterparts, except for the word ending. For example, English words ending in 'ary' (ordinary) usually end in 'aire' in French (ordinaire). This book teaches 23 word-ending patterns between English and French and provides over 4,000 vocabulary words that follow them. Perfect as a classroom supplement or for self-study, it is appropriate for all ages and levels of experience. The companion audio CD teaches pronunciation.

Instant Karma Marissa Meyer,2020-11-03 In New York Times bestselling author Marissa Meyer's young adult contemporary romance, a girl is suddenly gifted with the ability to cast instant karma on those around her - both good and bad. Chronic overachiever Prudence Barnett is always quick to cast judgment on the lazy, rude, and arrogant residents of her coastal town. Her dreams of karmic justice are fulfilled when, after a night out with her friends, she wakes up with the sudden ability to cast instant karma on those around her. Pru giddily makes use of the power, punishing everyone from public vandals to mean gossips, but there is one person on whom her powers consistently backfire: Quint Erickson, her slacker of a lab partner. Quint is annoyingly cute and impressively noble, especially when it comes to his work with the rescue center for local sea animals. When Pru resigns herself to working at the rescue center for extra credit, she begins to uncover truths about baby otters, environmental upheaval, and romantic crossed signals-not necessarily in that order. Her newfound karmic insights reveal how thin the line is between virtue and vanity, generosity and greed . . . love and hate... and fate.

personal growth. There are numerous websites and platforms where individuals can download Instant. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Instant. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Instant, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Instant has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
