Islands of Storm James Charles Roy,

Fear Not the Storm Cathal Liam, 2011 Fear Not The Storm: The Story of Tom Cullen, An Irish Revolutionary is a true-life novel about an obscure young man who becomes part of the leadership heading Ireland's struggle for freedom from British rule in the early years of the twentieth century. Cullen's baptism of fire occurs while serving as a Irish Volunteer during Dublin's 1916 Easter revolt. After his arrest, internment in Wales and release by the British government, he returns home. Quite unexpectedly, Tom becomes a friend and valued colleague of Michael Collins. During Ireland's War for Independence (1919-1921), Cullen embarks upon a life full of danger and intrigue. Serving as Collins's Assistant Director of Intelligence, he matches wits with some of Britain's most dangerous spies and ruthless assassins. A seasoned veteran by the autumn of 1921, Cullen now one of Collins's closest associates, rises to the rank of major general in Ireland's new army during its ten-month Civil War. It is the determined accomplishments of this little-known, heroic Irish revolutionary that forms the centre-piece of Cathal Liam's new book. For indeed, Ireland's independence could not have been achieved without the sacrifices of such behind-the-scene individuals. Tom Cullen's story deserves to be told and now, at last, Fear Not The Storm pays tribute to a life so richly lived.
