Be Kind Pat Zietlow Miller,2018-02-06 When Tanisha spills grape juice all over her new dress, her classmate contemplates how to make her feel better and what it means to be kind. From asking the new girl to play to standing up for someone being bullied, this moving and thoughtful story explores what a child can do to be kind, and how each act, big or small, can make a difference--or at least help a friend.With award-winning author Pat Zietlow Miller's gentle text and Jen Hill's irresistible art, *Be Kind* is an unforgettable story about how two simple words can change the world.

*Life Story Books for Adopted Children* Joy Rees,2009 This concise book shows a new family-friendly way to compile a Life Story Book that promotes a sense of permanency for the child, and encourages attachments within the adoptive family. Joy Rees' improved model works chronologically backwards rather than forwards, aiming to reinforce the child's sense of security within the adoptive family.

The Family Book Todd Parr,2011-06-01 There are so many different types of families, and THE FAMILY BOOK celebrates them all in a funny, silly, and reassuring way. Todd Parr includes adopted families, step-families, one-parent families, and families with two parents of the same sex, as well as the traditional nuclear family. His quirky humor and bright, childlike illustrations will make children feel good about their families. Parents and teachers can use this book to encourage children to talk about their families and the different kinds of families that exist.

**My Family, Your Family** Lisa Bullard,2015-04-01 Makayla meets her friends' families. She notices some families have many children, but others don't. Some friends live with grandparents or have two dads or have divorced parents. How is her own family like the others? How is it different?

**A Family Is a Family Is a Family** Sara O'Leary,2020-07-10 When a teacher asks her class to think about what makes their families special, the answers are all different, but the same in one important way ... When a teacher asks the children in her class to think about what makes their families special, the answers are all different in many ways — but the same in the one way that matters most of all. One child is worried that her family is just too different to explain, but listens as her classmates talk about what makes their families special. One is raised by a grandmother, and another has two dads. One has many stepsiblings, and another has a new baby in the family. As her classmates describe who they live with and who loves them — family of every shape, size and every kind of relation

— the child realizes that as long as her family is full of caring people, it is special. A warm and whimsical look at many types of families, written by award-winning author Sara O’Leary, with quirky and sweet illustrations by Qin Leng. **Our Class is a Family** Shannon Olsen,2020-04-07 Family isn't always your relatives. It's the ones who accept you for who you are. The ones who would do anything to see you smile, and who love you no matter what. -Unknown Teachers do so much more than just teach academics. They build a sense of community within their classrooms, creating a home away from home where they make their students feel safe, included, and loved. With its heartfelt message and colorfully whimsical illustrations, *Our Class is a Family* is a book that will help build and strengthen that class community. Kids learn that their classroom is a place where it's safe to be themselves, it's okay to make mistakes, and it's important to be a friend to others. When hearing this story being read aloud by their teacher, students are sure to feel like they are part of a special family. And currently, during such an unprecedented time when many teachers and students are not physically IN the classroom due to COVID-19 school closures, it's more important than it's ever been to give kids the message that their class is a family. Even at a distance, they still stick together.

**Hatchet** Gary Paulsen,2009-08-25 Celebrate the thirtieth anniversary of the Newbery Honor-winning survival novel *Hatchet* with a pocket-sized edition perfect for travelers to take along on their own adventures. This special anniversary edition includes a new introduction and commentary by author Gary Paulsen, pen-and-ink illustrations by Drew Willis, and a water resistant cover. *Hatchet* has also been nominated as one of America’s best-loved novels by PBS’s *The Great American Read*. Thirteen-year-old Brian Robeson, haunted by his secret knowledge of his mother’s infidelity, is traveling by single-engine plane to visit his father for the first time since the divorce. When the plane crashes, killing the pilot, the sole survivor is Brian. He is alone in the Canadian wilderness with nothing but his clothing, a tattered windbreaker, and the hatchet his mother had given him as a present. At first consumed by despair and self-pity, Brian slowly learns survival skills—how to make a shelter for himself, how to hunt and fish and forage for food, how to make a fire—and even finds the courage to start over from scratch when a tornado ravages his campsite. When Brian is finally rescued after fifty-four days in the wild, he emerges from his ordeal with new patience and maturity, and a greater understanding of himself and his parents.

**Noah** Mark Ludy,2014 Mark Ludy's latest book will appeal to adults and children alike. Digging deeper than the Sunday school tale of cuddly animals on Noah's ark, the story follows the biblical text and illumines Noah's relationship with God, his wife, family, nature, and humanity. Ludy's world-class artwork lets people see, as though for the first time, the beauty within this story - revealing a clearer picture of the nature and character of God and his relationship to humankind. It's immersive and epic in scale and scope. The wordless format invites conversation and storytelling, key building blocks of literacy. And as with his previous books, Ludy's signature mouse Squeakers appears hidden on every page.

Life Story Work with Children who are Fostered Or Adopted Katie Wrench, Lesley Naylor, 2013 The number of traumatized children in foster care and adoptive families is on the rise every year. In times like these, social work practitioners rarely have sufficient time to plan out each of their sessions. This book makes it possible. Life Story Work with Children who are Fostered or Adopted: Creative Activities and Ideas is a brief and accessible resource guide to life story work. Focused on methods and activities that have been tried and tested by social workers and therapists, these are simple activities that require minimal resources that range from how to build the foundation to Life Story Work to boosting a child's self-esteem and identity. The chapters are categorized in a way that makes it easy for the practitioner to identify which method will be appropriate for the stage of the work they are undertaking. This book will be a vital resource for social workers, foster caregivers, students and any frontline practitioner involved in working with traumatized children.

*Life Story Books for Adopted and Fostered Children, Second Edition* Joy Rees, 2017-02-21 Through words, pictures, photographs, certificates and other 'little treasures', a Life Story Book provides a detailed account of the child's early history and a chronology of their life. Fully updated, this clear and concise book shows a unique family-friendly way to compile a Life Story Book which promotes a sense of permanency for the child, and encourages attachments within new families. Joy Rees' influential model works chronologically backwards rather than forwards, aiming to reinforce the child's sense of belonging and security before addressing the child's past and early trauma. The book contains simple explanations of complex concepts, practical examples, helpful suggestions and includes some simple checklists. This new edition has been expanded to include fostered children and those living in kinship care or with a special guardian. Perfect for social workers, adoption agencies, adoptive parents, foster carers and kinship carers, Life Story Books for Adopted and Fostered Children is a refreshing, innovative and common-sense guide.

**A Bad Case of Stripes** David Shannon, 2016-08-30 It's the first day of school, and Camilla discovers that she is covered from head to toe in stripes, then polka-dots, and any other pattern spoken aloud! With a little help, she learns the secret of accepting her true self, in spite of her peculiar ailment.

**Acceptance is My Superpower** Alicia Ortego, 2021-04-22 Do you want your children to honor, celebrate, and see the beauty in our differences? We are all different. And whilst children are often wonderful at accepting differences easily, there are times when a lack of understanding can result in hurtful words or actions. As adults, it is our responsibility to teach children that differences are not flaws but are, in fact, our super powers. Lisa, a primary school student with a love of singing, learns just that in 'Acceptance is my Superpower' when a cruel comment from someone she regards as a friend leads her down a path of discovery of the true meaning of diversity and how it can be applied to everyone. Laid out as a charming poem with colourful illustrations, children will delight in learning: - How to love themselves - How to accept others - How to control negative emotions - How to share their newfound knowledge Learning by example The examples in this story are there to teach children that their differences are not to be ridiculed but instead, celebrated. When Lisa learns this valuable lesson in the book and then shares that knowledge with the person who upset her, we realise the importance of helping children understand the world would be a very boring place indeed if we were all the same. --- Just like all the petals on all these different flowers, Diversity is beautiful and gives us superpowers! Please join me and Lucas spread the word to all you know, Acceptance is our superpower and together we will grow. --- From the bestselling author of Kindness is my Superpower Join Lisa and Lucas, as together, they learn the most valuable lesson of all - they have a superpower - their acceptance. The Nature and Pattern of Family-friendly Employment Policies in Britain Dex, Shirley, Smith, Colin, 2002-05 There is need for a more detailed understanding of employers' motivations for offering flexible working and the outcomes of different policies and practices for both employers and employees. This report draws on data from a large-scale national survey of workplace employee relations (WERS) to fill these gaps in our knowledge and understanding. It is the first time these issues have been explored through analysis of such a large and representative sample of companies and employees.

*Market Friendly or Family Friendly?* Madonna Harrington Meyer, Pamela Herd, 2007-08-16 Poverty among the elderly is sharply gendered—women over sixty-five are twice as likely as men to live below the poverty line. Older women receive smaller Social Security payments and are less likely to have private pensions. They are twice as likely as men to need a caregiver and twice as likely as men to be a caregiver. Recent efforts of some in Washington to reduce and privatize social welfare programs threaten to exacerbate existing gender disparities among older Americans. They also threaten to exacerbate inequality among women by race, class, and marital status. Madonna Harrington Meyer and Pamela Herd explain these disparities and assess how proposed policy reforms would affect inequality among the aged. *Market Friendly or Family Friendly?* documents the cumulative disadvantages that make it so difficult for women to achieve economic and health security when they retire. Wage discrimination and occupational segregation reduce women's lifetime earnings, depressing their savings and Social Security benefits. While more women are employed today than a generation ago, they continue to shoulder a greater share of the care burden for children, the disabled, and the elderly. Moreover, as marriage rates have declined, more working mothers are raising children single-handedly. Women face higher rates of health problems due to their lower earnings and the high demands associated with unpaid care work. There are also financial consequences to these family and work patterns. Harrington Meyer and Herd contrast the impact of market friendly programs that maximize individual choice, risk, and responsibility with family friendly programs aimed at redistributing risks and resources. They evaluate popular policies on the current agenda, considering the implications for inequality. But they also evaluate less discussed policy proposals. In particular, minimum benefits for Social Security, as well as credits for raising children, would improve economic security for all, regardless of marital status. National health insurance would also reduce inequality, as would reforms to Medicare, particularly increased coverage of long term care. Just as important are policies such as universal preschool and paid family leave aimed at reducing the disadvantages women face during their working years. The gender gaps that women experience during their work and family lives culminate in income and health disparities between men and women during retirement, but the problem has received scant attention. *Market Friendly or Family Friendly?* is a comprehensive introduction to this issue, and a significant contribution to the debate over the future of America's entitlement programs. **Born a Crime** Trevor Noah, 2016-11-15 #1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita

Nyong'o, Time), "poignant" (Entertainment Weekly), "soul-nourishing" (USA Today) memoir about coming of age during the twilight of apartheid "Noah's childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa's history that must never be forgotten."—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah's unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.
