The Storm Jackie Goodyear,1993

Nutrition in a Nutshell Jackie Storm,2006-08-01 The truth about nutrition changes from day to day and from moment to moment. Consumers are understandably confused. No two people will give you the same advice. No two organizations embrace the same nutritional philosophy. One day we are told a food is toxic, and the next day that same substance is being touted for its cancer-preventing properties. Nutritionist Dr. Jackie Storm encourages consumers to take responsibility for their own nutritional health and well-being with *Nutrition in a Nutshell*.

Jupiter Storm Marti Dumas,2019 10 year-old Jackie excels at being in charge. Her in-charging skills keep everything from gardens to five unruly brothers in line. So when a curious chrysalis appears in Jackie's front yard, Jackie naturally decides to take charge of it. The creature that emerges is not like anything she has ever seen, and Jackie soon realizes that she must protect it at all costs, even from her own family. But when Jackie's connection to the creature puts them all in danger, will she find the courage to save them?

Surviving Storm Rebecca Vazquez,Jackie Ziegler,2021-09-22 Lottie I spent months going from one biker club to another, desperately searching for a long-lost brother my mum abandoned. Turning up at the Kings Reapers MC was purely coincidence, but it worked out for the best cos meeting Lake put an end to my search. So why doesn't finding him, stop my pain? I'm a hot mess, that's how a social worker once described me, and poor Lake did nothing to deserve having me as a sister. Then, one day, I cave because the world becomes too much and who turns up to save me but Storm, newest member of the Kings Reapers. Running away from his own demons, the mysterious biker is too much. Too intense. Too hot. Too bossy. Too dangerous. So, of course, I'm attracted to him. Storm London was a fresh start, that's how I sold it to my sister, Taya. Riggs needed more men, and I jumped at the chance to escape cos that's what I do, run. I swore I wouldn't get involved with any woman, especially not Lake's long-lost sister. Lottie is all kinds of messed up and she's a complication I don't fuckin' need. My priority is getting Taya and my son, Seb, settled. That is, until the day I have to collect Lottie from the hospital. Her eyes are screaming pain and they call out to me for help. Because if anyone knows pain, it's me. Separately, we're suffering . . . but together, we're toxic. But I know we met for a reason and I ain't letting her slip away from me. I can fix her, she can fix me, and then we'll live happily ever after, right? Right?

How to Win at Weight Loss Jackie Storm,2006-09-01 Want to Win at weight loss? Fed up with fad diets? Then Stop dieting! And start Living-Thin. Dr. Storm's Living-Thin program combines behavioral and cognitive psychology with nutritional science to provide a unique alternative to yo-yo diet plans. Living-Thin works with the body to stimulate metabolism (rather than slow it down.) And it works with the individual to change the beliefs and habits that are responsible for the excess weight.

The Big Fat Cholesterol Lie Jackie Storm,2009-07 The U.S health-care system has generated a mythology that blames heart disease on the consumption of cholesterol and saturated fat. The real cause of heart disease is not a statin drug deficiency, rather it is a vitamin deficiency combined with stress and other dangerous lifestyle practices such as smoking.

Aphoria Jackie Clark,2013 Poetry. Few poets have the ability to record the gossamer strands of their own cognitions as Jackie Clark does. The poems in APHORIA are miraculous in the way they map a topology of quotidian thought in unassuming yet radiant language. APHORIA is something like a blueprint for the invisible architecture of the human soul. Not so much the soul that belongs to Jackie Clark, but the one that belongs to and connects all of us.—Ben Mirov APHORIA constellates fragments of memory, cityscape, images, & imaginings into serial poems both contemplative & seductive. It draws the reader into an embrace. Through this, the book develops an epistemology of gravity, of holding, countered by the inevitable failure to accurately remember being held. These hushed & biting lyrics are centripetal, circling the arcane core of a person's experience.—Mathias Svalina Jackie

Clark's poetics is a poetics of spying on the prismatic philosophical underpinnings of fate. We live and love in her hopes and surrenders.—Jenny Bouilly
Doing Qualitative Research Margaret Anzul, Margot Ely, Teri Freidman, Diane Garner, Ann McCormack-Steinmetz, 2003-12-08 This book is essential reading for those with research interests in Global Politics, International Relations and Globalisation.--Jacket.

The Boy and the Gorilla Jackie Azúa Kramer, 2020-10-13 This profoundly moving tale about a grieving boy and an imaginary gorilla makes real the power of talking about loss. On the day of his mother's funeral, a young boy conjures the very visitor he needs to see: a gorilla. Wise and gentle, the gorilla stays on to answer the heart-heavy questions the boy hesitates to ask his father: Where did his mother go? Will she come back home? Will we all die? Yet with the gorilla's friendship, the boy slowly begins to discover moments of comfort in tending flowers, playing catch, and climbing trees. Most of all, the gorilla knows that it helps to simply talk about the loss—especially with those who share your grief and who may feel alone, too. Author Jackie Azúa Kramer's quietly thoughtful text and illustrator Cindy Derby's beautiful impressionistic artwork depict how this tender relationship leads the boy to open up to his father and find a path forward. Told entirely in dialogue, this direct and deeply affecting picture book will inspire conversations about grief, empathy, and healing beyond the final hope-filled scene.
