**Jaipur: Gem of India** D.K. Taknet, IntegralDMS, 2016-07-07 Jaipur, the glorious Pink City of India, sets many a hearts aflutter with visions of grandeur, valour, romance and beauty. This heritage city's inherent historic charm has always been a major source of attraction. Travellers, poets and philosophers have lavished praise on it, and perhaps no other place is imbued with the richness of ritual and ceremony across the country, as Jaipur is. Among its numerous architectural wonders, the city's Jantar Mantar (observatory) and Amber Fort have been included in United Nations Educational, Scientific and Cultural Organization's list of world heritage sites. The book elaborates on the lesser known aspects that have contributed to its coveted status of a heritage city. It also offers a glimpse into the lives of people, who have made a difference to this city through their contributions and have aided in making this wonderful city what it is today. The city is an integral element on the itinerary of any global traveller and a worthy venue for a 'destination wedding' in one of its numerous forts or palaces. Also in focus is Jaipur's ever evolving image as a new economic hub and a well-equipped modern metropolis. In this well-researched and meticulously documented book, the author presents a comprehensive picture of the city, bringing to light many hitherto unexplored facts that will interest those with a penchant for urban histories, their origin and their evolution. The book has been abundantly illustrated with more than 500 rare, coloured photographs and paintings, and 154 unseen black and white photographs and illustrations, to capture the imagination of a discerning reader.

*History of the Jaipur City* Ashim Kumar Roy,2006 Jaipur is the first planned city of northern India after Mohenjo-daro and the Greek city of Sirkap in Taxila. Its builder was Sawai Jai Singh, the versatile ruler of Amer whose multifarious activities as a statesman, an astronomer and a patron of Hinduism form part of this book. The planning of the city too was perhaps done by Jai Singh himself, ably assisted by a Bengali Brahman, Vidyadhar, who later became his favourite minister. Within a few years of its founding Jaipur became and has since remained the most important city in Rajasthan. From the start it has had a good water supply system. In providing street lighting, medical facilities, higher education, etc., it has kept pace with modern cities of India. By the middle of the 19th century it had become a centre of banking and jewellery trade in north India and by the end of the century a centre of Sanskrit learning. One of the products of the city was Todarmal, who was perhaps the first writer of modern Hindi prose. The city is also an important religious centre. The history of Jaipur could thus be said to be the history of civilization in northern India during the 18th and 19th centuries. This capital story of the birth and growth of the capital of one of the most forward looking states of India should be of interest to the lay reader as well as to specialist.

**How Starbucks Saved My Life** Michael Gates Gill,2007-09-20 Now in paperback, the national bestselling riches-to-rags true story of an advertising executive who had it all, then lost it all—and was finally redeemed by his new job, and his twenty-eight-year-old boss, at Starbucks. In his fifties, Michael Gates Gill had it all: a mansion in the suburbs, a wife and loving children, a six-figure salary, and an Ivy League education. But in a few short years, he lost his job, got divorced, and was diagnosed with a brain tumor. With no money or health insurance, he was forced to get a job at Starbucks. Having gone from power lunches to scrubbing toilets, from being served to serving, Michael was a true fish out of water. But fate brings an unexpected teacher into his life who opens his eyes to what living well really looks like. The two seem to have nothing in common: She is a young African American, the daughter of a drug addict; he is used to being the boss but reports to her now. For the first time in his life he experiences being a member of a minority trying hard to survive in a challenging new job. He learns the value of hard work and humility, as well as what it truly means to respect another person. Behind the scenes at one of America's most intriguing businesses, an inspiring friendship is born, a family begins to heal, and, thanks to his unlikely mentor, Michael Gill at last experiences a sense of self-worth and happiness he has never known before.
