Krishna-The God Who Lived As Man Bhawana Somaaya,2008-08-13 The river was in high tide and the footprints of the Yadavas were more or less washed away. Big waves came rushing to the shore and wiped away some more footprints Suddenly Rukmini discovered a familiar footprint and sat beside it . Her eyes brimmed over with tears . These were the footprints her hair locks drooped over when she knelt at her Lord's feet every morning . These were the footprints she worshipped with chandan . the footprints of her Lord of Sri Krishna ! They were deeply immersed in the sand. the impression engraved in the sand was filled with water. Rukmini's streaming tears were making an offering in the water-filled footprints. Daruk arrived and stood beside her . He looked startled. He could not believe how the footprints filled to the brim with water could contain Rukmini's tears without spilling over. What was further surprising was that not a single tear had dropped out of the carved footprint .

Beyond Partition Deepti Misri,2014-10-30 In Beyond Partition, Deepti Misri shows how 1947 marked the beginning of a history of politicized animosity associated with the differing ideas of India held by communities and in regions on one hand, and by the political-military Indian state on the other. Assembling literary, historiographic, performative, and visual representations of gendered violence against men and women, she establishes that cultural expressions do not just follow violence but determine its very contours, and interrogates the gendered scripts underwriting the violence originating in the contested visions of what India means. Ambitious and ranging across disciplines, Beyond Partition offers both an overview of and nuanced new perspectives on the ways caste, identity, and class complicate representations of violence, and how such representations shape our understandings of both violence and of India.
