

Japan

Michael Zielenziger

Japan Rising Kenneth Pyle,2009-04-27 Japan is on the verge of a sea change. After more than fifty years of national pacifism and isolation including the lost decade of the 1990s, Japan is quietly, stealthily awakening. As Japan prepares to become a major player in the strategic struggles of the 21st century, critical questions arise about its motivations. What are the driving forces that influence how Japan will act in the international system? Are there recurrent patterns that will help explain how Japan will respond to the emerging environment of world politics? American understanding of Japanese character and purpose has been tenuous at best. We have repeatedly underestimated Japan in the realm of foreign policy. Now as Japan shows signs of vitality and international engagement, it is more important than ever that we understand the forces that drive Japan. In *Japan Rising*, renowned expert Kenneth Pyle identifies the common threads that bind the divergent strategies of modern Japan, providing essential reading for anyone seeking to understand how Japan arrived at this moment—and what to expect in the future.

Lonely Planet covers must-see spots but also enables curious travellers to get off beaten paths to understand more of the culture of the places in which they find themselves.

Japan and North America: The postwar Ellis S. Krauss,Benjamin Nyblade,2004 This collection makes available key articles on the Japan-North American relationship from the Meiji era to the present. Volume one focuses on the necessity of Japanese modernization post-1868 and examines the build-up to the Japanese bombing of Pearl Harbour. Volume two looks at the post-war period, in which US forces occupied Japan and were instrumental in its rebuilding as an economic superpower. In the years following this Japan and North America enjoyed a close yet occasionally fraught relationship, as competitors and allies. Volume two also examines the cultural ramifications of the influence of North America on Japan, and vice versa. Titles also available in this series include, *Japan and South East Asia: International Relations* (2001, 2 volumes, 295) and the forthcoming title *Japanese Linguistics* (2005, 3 volumes, c.425).

Japan in World History James L. Huffman,2010-02-04 *Japan in World History* ranges from Japan's prehistoric interactions with Korea and China, to the Western challenge of the late 1500s, the partial isolation under the Tokugawa family (1600-1868), and the tumultuous interactions of more recent times, when Japan modernized ferociously, turned imperialist, lost a world war, then became the world's second largest economy--and its greatest foreign aid donor. Writing in a lively fashion, Huffman makes rich use of primary sources, illustrating events with comments by the people who lived through them: tellers of ancient myths, court women who dominated the early literary world, cynical priests who damned medieval materialism, travelers who marveled at indecent Western ballroom dancers in the mid-1800s, and the emperor who justified Pearl Harbor. Without ignoring standard political and military events, the book illuminates economic, social, and cultural factors; it also examines issues of gender as well as the roles of commoners, samurai, business leaders, novelists, and priests.

Japan Report ,1977

The Cambridge History of Japan John Whitney Hall,Donald H. Shively,1988 This volume provides the most comprehensive treatment in Western literature of the Heian period, the Japanese imperial court's golden age.

Japan Magazine ,1925

Beautiful World Japan Lonely Planet,2019-05-01 Delve inside the myriad landscapes of Japan with this stunning collection of photographs and

discover the nation's extraordinary diversity of places, people and experiences - from moments in awe-inspiring cities to quiet escapes in remote, exotic corners. Beautiful World Japan is the perfect way to lose yourself in the country. Striking photos fill each page, while special gatefolds open to reveal magnificent panoramas. If you've been, retrace your steps and relive the time you spent there. If you haven't, this book is the perfect way to start planning an adventure. We've divided the contents into states and territories. Begin your journey in Hokkaido, Japan's northernmost island, a place of hot springs, wilderness, forests and volcanoes, before moving through the country to the southern island of Okinawa, home to amazing cuisine, unique traditions and turquoise waters. On this journey you'll find powdered ski resorts, snow-covered national parks, indigenous animals and birds, gorges and dramatic waterfalls. You'll then discover sprawling neon jungles, Tokyo in cherry blossom season, ancient temples of Kyoto, powerful memorials, lush rice fields and delectable cuisine. About Lonely Planet: Lonely Planet is a leading travel media company and the world's number one travel guidebook brand, providing both inspiring and trustworthy information for every kind of traveller since 1973. Over the past four decades, we've printed over 145 million guidebooks and grown a dedicated, passionate global community of travellers. You'll also find our content online, on mobile, video and in 14 languages, 12 international magazines, armchair and lifestyle books, ebooks, and more. Important Notice: The digital edition of this book may not contain all of the images found in the physical edition.

A Handbook of Modern Japan Ernest W. Clement, 2023-11-20 A Handbook of Modern Japan by Ernest W. Clement. Published by Good Press.

Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten-or yet undiscovered gems-of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

The Japan That Never Was Beason, Richard, Dick Beason, Dennis Patterson, Distinguished Professor of Law Dennis Patterson, 2004-03-11 Contests conventional wisdom on Japan's postwar economic success and its economic and political problems in the 1990s, providing a new account of these conditions.

New Directions in the Study of Meiji Japan Helen Hardacre, Adam Lewis Kern, 1997 These essays on Meiji Japan, written by scholars from nine nations, reflect a determination to destabilize existing paradigms in the social sciences and humanities, in favor of a multiplicity of perspectives that privilege subjectivity and the inclusion of non-elite groups.

Japan and the United States Jackson Treat, 1921

It's the perfect companion, both ahead of your trip and on the ground.

The Making of Modern Japan John Harington Gubbins, 1922

Shutting Out the Sun Michael Zielenziger,2007-09-04 The world's second-wealthiest country, Japan once seemed poised to overtake America as the leading global economic powerhouse. But the country failed to recover from the staggering economic collapse of the early 1990s. Today it confronts an array of disturbing social trends, notably a population of more than one million hikikomori: the young men who shut themselves in their rooms, withdrawing from society. There is also a growing numbers of “parasite singles”: single women who refuse to leave home, marry, or bear children. In this trenchant investigation, Michael Zielenziger argues that Japan's tradition-steeped society, its aversion to change, and its distrust of individuality are stifling economic revival, political reform, and social evolution. Shutting Out the Sun is a bold explanation of Japan's stagnation and its implications for the rest of the world.

Japan on the Silk Road Selçuk Esenbel,2017-10-26 Japan on the Silk Road provides the historical background indispensable for understanding today's Japan perspectives and policies in the vast area of Eurasia. For the first time it brings a detailed account of the history of Japanese activities along the Eurasian landmass across the Middle East and Central Asia in modern history.

Japan Lafcadio Hearn,1904 The belief that the dead need affection, that to neglect them is a cruelty, that their happiness depends upon duty, is a belief that has almost cast out the primitive fear of their displeasure. They are not thought of as dead; they are believed to remain among those who loved them.... From their shrine they observe and hear what happens in the house; they share the family joys and sorrows; they delight in the voices and the warmth of the life about them. -from The Religion of the Home In 1889, Westerner Lafcadio Hearn arrived in Japan on a journalistic assignment, and he fell so in love with the nation and its people that he never left. His love letters to his adopted country, including 1894's Glimpses of Unfamiliar Japan and 1896's Kokoro: Hints and Echoes of Japanese Inner Life (both available from Cosimo Classics) helped fire global interest in Japanese culture as it was opening to the West in the 1890s, and in 1904, he published this engaging and highly entertaining series of essays. An early Western attempt to decipher the outward strangeness of all things in Japan, and to place the nation and its people in a larger historical context, this is a lyrical work, singing with respect and love. Bohemian and writer PATRICK LAFCADIO HEARN (1850-1904) was born in Greece, raised in Ireland, and worked as newspaper reporter in the United States before decamping to Japan. He also wrote In Ghostly Japan (1899).

This is likewise one of the factors by obtaining the soft documents of this Japan by online.
