Florence Sakade

Japan Story Christopher Harding,2019 This is a fresh and surprising account of Japan's culture from the 'opening up' of the country in the mid-nineteenth century to the present. 'How much I admired it, what a lot I learned from it and, above all, how very much I enjoyed it ... Masterly.' Neil MacGregor It is told through the eyes of people who greeted this change not with the confidence and grasping ambition of Japan's modernizers and nationalists, but with resistance, conflict, distress. We encounter writers of dramas, ghost stories and crime novels where modernity itself is the tragedy, the ghoul and the bad guy; surrealist and avant-garde artists sketching their escape; rebel kamikaze pilots and the put-upon urban poor; hypnotists and gangsters; men in desperate search of the eternal feminine and feminists in search of something more than state-sanctioned subservience; Buddhists without morals; Marxist terror groups; couches full to bursting with the psychological fall-out of breakneck modernization. These people all sprang from the soil of modern Japan, but their personalities and projects failed to fit. They were 'dark blossoms': both East-West hybrids and home-grown varieties that wreathed, probed and sometimes penetrated the new structures of mainstream Japan.

*The Oxford Book of Japanese Short Stories* Theodore William Goossen,2002 This collection of short stories, including many new translations, is the first to span the whole of Japan's modern era from the end of the nineteenth century to the present day. Beginning with the first writings to assimilate and rework Western literary traditions, through the flourishing of the short story genre in the cosmopolitan atmosphere of the Taisho era, to the new breed of writers produced under the constraints of literary censorship, and the current writings reflecting the pitfalls and paradoxes of modern life, this anthology offers a stimulating survey of the development of the Japanese short story. Various indigenous traditions, in addition to those drawn from the West, recur throughout the stories: stories of the self, of the Water Trade (Tokyo's nightlife of geishas and prostitutes), of social comment, love and obsession, legends and fairytales. This collection includes the work of two Nobel prize-winners: Kawabata and Oe, the talented women writers Hirabayashi, Euchi, Okamoto, and Hayashi, together with the acclaimed Tanizaki, Mishima, and Murakami. The introduction by Theodore Goossen gives insight into these exotic and enigmatic, sometimes disturbing stories, derived from the lyrical roots of Japanese literature with its distinctive stress on atmosphere and beauty.

**Japanese Stories for Language Learners** Anne McNulty,Eriko Sato,2018-11-20 A great story can lead a reader on a journey of discovery—especially if it's presented in two languages! Beautifully illustrated in a traditional style, Japanese Stories for Language Learners offers five compelling stories with English and Japanese language versions appearing on facing pages. Taking learners on an exciting cultural and linguistic journey, each story is followed by detailed translator's notes, Japanese vocabulary lists, and grammar points along with a set of discussion questions and exercises. The first two stories are very famous traditional Japanese folktales: Urashima Taro (Tale of a Fisherman) and Yuki Onna (The Snow Woman). These are followed by three short stories by notable 20th century authors: Kumo no Ito (The Spider's Thread) by Akutagawa Ryunosuke (1892-1927) Oborekaketa Kyodai (The Siblings Who Almost Drowned) by Arishima Takeo (1878-1923) Serohiki no Goshu (Gauche the Cellist) by Miyazawa Kenji (1896-1933) Reading these stories in the original Japanese script--and hearing native-speakers read them aloud in the accompanying free audio recording--helps students at every level deepen their comprehension of the beauty and subtlety of the Japanese language. Learn Japanese the fun way—through the country's rich literary history.

**The Penguin Book of Japanese Short Stories** Jay Rubin,2018-06-28 This fantastically varied and exciting collection celebrates the great Japanese short story, from its modern origins in the nineteenth century to the remarkable works being written today. Short story writers already well-known to English-language readers are all included here - Tanizaki, Akutagawa, Murakami, Mishima, Kawabata - but also many surprising new finds. From Yuko Tsushima's 'Flames' to Yuten Sawanishi's 'Filling Up with Sugar', from Shin'ichi Hoshi's 'Shoulder-Top Secretary' to Banana Yoshimoto's 'Bee Honey', The Penguin Book of Japanese Short Stories is filled with fear, charm, beauty and comedy. Curated by Jay Rubin, who has himself freshly translated several of the stories, and introduced by Haruki Murakami, this book will be a revelation to its readers.

50 Japanese Short Stories for Beginners Read Entertaining Japanese Stories to Improve your Vocabulary and Learn Japanese While Having Fun Yokahama English Japanese Language & Teachers Club, Learning Japanese is hard and everyone says so. **Intermediate Japanese Short Stories** Lingo Mastery,2021-05-14 Are you on your way towards learning Japanese and need a new challenge? We're constantly trying to improve and master new skills, and the Japanese language is no exception. We have created the next level of Japanese stories for the students who have already surpassed the beginner level: Intermediate Japanese Short Stories! In this book we have compiled 10 challenging, compelling and fun stories that will allow you to expand your vocabulary and give you the tools to boost your grasp of the wonderful Japanese tongue. How Intermediate Japanese Short Stories works: Each chapter possesses a funny, interesting and/or thought-provoking story based on real-life situations, allowing you to learn about the Japanese culture. Having trouble understanding Japanese characters? No problem - despite being Intermediate Japanese, we have still included a romanization to help guide you through your learning process, just like in the beginner stories! The summaries follow the story: a synopsis in Japanese and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. Use them if you're having trouble. At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! Don't get lost trying to understand or pronounce it all, either, as all of the vocabulary words are Romanized for your ease of learning! Finally, you'll be provided with a set of tricky questions in Japanese, allowing you the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after, but no cheating! We want you to feel comfortable while mastering the Japanese tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of Intermediate Japanese Short Stories and level up your Japanese language learning right now!

**Japanese Fairy Tales** Yei Theodora Ozaki,2023-07-19 This collection of Japanese fairy tales is the outcome of a suggestion made to me indirectly through a friend by Mr. Andrew Lang. They have been translated from the modern version written by Sadanami Sanjin. These stories are not literal translations, and though the Japanese story and all quaint Japanese expressions have been faithfully preserved, they have been told more with the view to interest young readers of the West than the technical student of folk-lore. Grateful acknowledgment is due to Mr. Y. Yasuoka, Miss Fusa Okamoto, my brother Nobumori Ozaki, Dr. Yoshihiro Takaki, and Miss Kameko Yamao, who have helped me with translations. The story which I have named "The Story of the Man who did not Wish to Die" is taken from a little book written a hundred years ago by one Shinsui Tamenaga. It is named Chosei Furo, or "Longevity." "The Bamboo-cutter and the Moon-child" is taken from the classic "Taketari Monogatari," and is NOT classed by the Japanese among their fairy tales, though it really belongs to this class of literature. The pictures were drawn by Mr. Kakuzo Fujiyama, a Tokio artist. In telling these stories in English I have followed my fancy in adding such touches of local color or description as they seemed to need or as pleased me, and in one or two instances I have gathered in an incident from another version. At all times, among my friends, both young and old, English or American, I have always found eager listeners to the beautiful legends and fairy tales of Japan, and in telling them I have also found that they were still unknown to the vast majority, and this has encouraged me to write them for the children of the West...FROM THE BOOKS.

**Japanese Tales** Royall Tyler,2012-08-22 Two hundred and twenty tales from medieval Japan—tales that welcome us into a fabulous faraway world populated by saints, scoundrels, ghosts, magical healers, and a vast assortment of deities and demons. Stories of miracles, visions of hell, jokes, fables, and legends, these tales reflect the Japanese civilization. They ably balance the lyrical and the dramatic, the ribald and the profound, offering a window into a long-vanished culture. With black-and-white illustrations throughout Part of the Pantheon Fairy Tale and Folklore Library

**Japanese Ghost Stories** Lafcadio Hearn,2019-09-24 Brilliantly entertaining and eerie ghost stories, regarded as major classics in Japan, by the Irish writer and Japanophile Lafcadio Hearn—whose life inspired bestselling writer Monique Truong's novel *The Sweetest Fruits* A Penguin Classic In this collection of classic ghost stories from Japan, beautiful princesses turn out to be frogs, paintings come alive, deadly spectral brides haunt the living, and a samurai delivers the baby of a Shinto goddess with mystical help. Here are all the phantoms and ghouls of Japanese folklore: rokuro-kubi, whose heads separate from their bodies at night; jikininki, or flesh-eating goblins; and terrifying faceless mujina who haunt lonely neighborhoods. Lafcadio Hearn, a master storyteller, drew on traditional Japanese folklore, infused with memories of his own haunted childhood in Ireland, to create the chilling tales in Japanese Ghost Stories. They are today regarded in Japan as classics in their own right.

*Modern Japanese Stories* Ivan I. Morris,1980

**Chibi** Barbara Brenner,Julia Takaya,1999-03-22 When Oka-san, a brown-and-gold duck, selects the Mitsui Office Park as the perfect spot for her nest, people flock from downtown Tokyo to watch the ducklings hatch. A modern-day Make Way for Ducklings, set in Japan.

**Kiyo's Story** Kiyo Sato,2009-04-01 This is the "unforgettable" memoir of a family's journey from Japan to California—and through multiple internment camps during World War II (Sacramento News & Review). "First generation Japanese-American Sato chronicles the tribulations her family endured in America through the Great Depression and WWII. Emigrating from Japan in 1911, Sato's parents built a home and cultivated a marginal plot of land into a modest but sustaining fruit farm. One of nine children, Sato recounts days on the farm playing with her siblings and lending a hand with child-care, house cleaning and grueling farm work. Her anecdotes regarding the family's devotion to one another despite their meager lifestyle (her father mending a little brother's shoe with rubber sliced from a discarded tire) gain cumulative weight, especially when hard times turn tragic: in the wake of Pearl Harbor, the Satos find themselves swept up by U.S. authorities and shuffled through multiple Japanese internment camps, ending up in a desert facility while the farm falls to ruin. Sato's memoir is a poignant, eye-opening testament to the worst impulses of a nation in fear, and the power of family to heal the most painful wounds." —Publishers Weekly

**Peach Boy And Other Japanese Children's Favorite Stories** Florence Sakade,2012-07-31 This colorfully illustrated multicultural children's book presents several Japanese fairy tales and other folk stories—providing insight into a rich oral culture. Welcome to a fantastic world populated by magical teakettles, long-nosed

goblins, brave warriors, and a host of other beloved characters who have lived on for centuries in the traditional tales of Japan. Drawn from Japanese folklore that has been passed down from generation to generation, the nine enchanting stories collected in this volume have been lovingly retold just for today's readers. Vibrantly illustrated and full of thrilling adventures, funny discoveries and important lessons, they're sure to become story time favorites. Included are some of Japan's best-loved children stories: Peach Boy The Magic Teakettle Monkey-Dance and Sparrow-Dance The Long-Nosed Goblins The Rabbit in the Moon The Rabbit in the Moon The Tongue-Cut Sparrow Sill Saburo The Toothpick Warriors The Sticky-Sticky Pine

Last Kappa of Old Japan Sunny Seki,2014-01-28 With unique and playful illustrations this multicultural children's book is a classic Japanese fairy tale that young children and parents alike will love. The Last Kappa of Old Japan is a warmly written and beautifully illustrated children's book that introduces many aspects of traditional Japanese culture and folklore, while teaching an important lesson about environmentalism. The story is of a young Japanese farm boy who develops a friendship with a mythical creature– the kappa–a messenger of the god of water. The tale begins in post-Modern Japan when the boy is young and the kappa is healthy and ends when the kappa, now the last one left on Earth, keeps an important promise to his human friend. A story of love, friendship, and adventure, readers of all ages will enjoy this picture book by award-winning author/illustrator, Sunny Seki.

Exotic Japanese Stories 田代百合花,1964

**The Japanese Story of the Battle of Midway** United States. Office of Naval Intelligence,1947

Kwaidan Lafcadio Hearn,2004-01-01 Most of the following Kwaidan, or Weird Tales, have been taken from old Japanese books.... Some of the stories may have had a Chinese origin: the very remarkable Dream of Akinosuke, for example, is certainly from a Chinese source. But the Japanese story-teller, in every case, has so recolored and reshaped his borrowing as to naturalize it.... One queer tale, Yuki-Onna, was told me by a farmer of Chofu, Nishitama-gori, in Musashi province, as a legend of his native village. Whether it has ever been written in Japanese I do not know; but the extraordinary belief which it records used certainly to exist in most parts of Japan, and in many curious forms.

**Stories that Make History** The Research Team of the War,Women’s Human Rights Center,2020-08-24 What would it be like if your existence was erased for half a century? This is the reality for the Korean comfort girls-women whose lives had been erased since the time of the expansion of comfort stations by the Japanese military in 1937. This book is an effort to bring these women back to life and to make their voices, experiences and memories available to future generations. The experiences of Korean comfort girls-women are a paradigmatic example of how military sexual violence can obliterate the dignity of women and shame them into nonexistence. This book examines how the turning of their innocence into inadequacy, actively by the Japanese government and passively by the Korean government and its people, and also by the world, compounded their long, miserable suffering for half a century until Kim Hak-sun broke the silence in 1991 with the support of Korean activists. The relentless and courageous efforts of Korean comfort girls-women and activists on the road to healing and justice are shared here. These efforts made it possible for us to hear their horrific stories, which are embedded with numerous and intense traumas, allowing them to unfold and be shared on the road to justice and healing.

**I Am an American** Jerry Stanley,1996 Now in an affordable paperback edition, here is Jerry Stanley's highly praised account of internment of Japanese Americans during World War II. Photos.

**The Story Of Japan** Robert Van Bergen,2017-03-14 The Story Of Japan - 1897 is an unchanged, high-quality reprint of the original edition of 1897.
