This remnant from eons past, when the Forerunners once thrived, brought with it a revelation of ancient machinations and a shocking, brutal history. Unfortunately, the Ace crew also made dire enemies of the Office of Naval Intelligence in the process, with the constant threat of capture and incarceration a very real possibility. Now with tensions mounting and ONI forces closing in, Rion and her companions commit to this being's very personal mission, unlocking untold secrets and even deadlier threats that have been hidden away for centuries from an unsuspecting universe....
