Failures of Command Hugh Poate, 2021-03-30 On 29 August 2012 Private Robert Poate, Lance Corporal Rick Milosevic and Sapper James Martin were killed during an insider -- or green on blue -- attack in Afghanistan. Their killer: a supposed ally, was a Taliban sleeper in the ranks of the Afghan National Army. Information provided to the families by rank-and-file soldiers after the event shocked them. When the heavily redacted internal investigation report excluded a plethora of incriminating facts. This book is the result of a father's quest to find out truth behind the death of his soldier son. Hugh's search reveals a labyrinth of excuses, denials, half-truths, cover-ups, contrived secrecy, incompetence, negligence, orders not followed and lessons not learnt.

How to Play Video Games Nina Huntemann, 2019-03-26 Forty original contributions on games and gaming culture What does Pokémon Go tell us about globalization? What does Tetris teach us about rules? Is feminism boosted or bashed by Kim Kardashian: Hollywood? How does BioShock Infinite help us navigate world-building? From arcades to Atari, and phone apps to virtual reality headsets, video games have been at the epicenter of our ever-evolving technological reality. Unlike other media technologies, video games demand engagement like no other, which begs the question—what is the role that video games play in our lives, from our homes, to our phones, and on global culture writ large? *How to Play Video Games* brings together forty original essays from today's leading scholars on video game culture, writing about the games they know best and what they mean in broader social and cultural contexts. Read about avatars in *Grand Theft Auto V*, or music in *The Legend of Zelda: Ocarina of Time*. See how *Age of Empires* taught a generation about postcolonialism, and how *Borderlands* exposes the seedy underbelly of capitalism. These essays suggest that understanding video games in a critical context provides a new way to engage in contemporary culture. They are a must read for fans and students of the medium.
