**Life in the Fast Lane** Jim Burton,2019-03-22 Life in the Fast Lane By: Jim Burton Author Jim Burton has lived his life in the fast lane. This book is a few entertaining and humorous short stories from his life. He was recruited by the mafia and worked with them for years. He became one of the largest art dealers in the country. He made millions on insider trading and lost it all on Black Tuesday. While he was in the business, Burton became friends with John Gotti. He did foreign currency deals with stolen money from the Vatican. In Argentina, the Feds put him in an underground prison and took 12 million dollars for his release. He became one of the largest cocaine dealers on Long Island for ten years and never got caught due to family ties. The law set him up and planted things to put Burton away. He was put in jail for years without a break or trial and he still beat them. Only the law can break the law.

*The Royal Irish Constabulary* Jim Herlihy,1999 Covers the history of policing in Ireland, how the system worked, the establishment of the Royal Irish Constabulary (RIC), the types of men in the Force, their backgrounds and lifestyles, the final years of the RIC, how to trace ancestors in the RIC, and a case history of a constable. This is followed by appendices which explain the RIC lists as a genealogical source. Includes a list of medal recipients and casualties.

**Serendipity** Jim Lacey,2010-10-22 This little book is a lively, autobiographical account by Jim Lacey, retired college teacher, novelist, sailor, lousy golfer, raconteur, sojourner abroad for some years, and resident of Brooklyn, New York, and romantic Willimantic, Connecticut. It documents a world that has vanished and which may seem as alien as Jupiter to those who tweet and carry smart phones.

*Larry's Life Matters* Jim D. Goodman,2016-11-23 A six-month project that took 30 years: My younger brother Larry disappeared from New Jersey in 1979 and I thought of writing a book about it after we gave up the search the first time a few years later. After several other searches and a renewed confidence in my writing, I embarked on this journey about a month after Larry's birthday in 2016 and decided to sprinkle the fictional discovery of Larry in 1989 with the facts of the real case. I had thought of a donation to a missing persons charity with the profits but a friend suggested offering a reward if a reader's information could help me to find out what happened to him. At age 60, I thought that this would be the last chance to find the brother who ran away from his family much as I did. But my life took, I'm sure, many different turns from his. The twists and turns our lives take in this work of fiction involve many real characters in my life and a few in the afterlife. There are a few historical events and a few hysterical events but it all comes down to the search for Larry be it real or fictional.

**Callused Hands Hungry Heart** Jim Lawrence,2011-03 In the early 1970's Jim Lawrence unplugged from his well-fed, well-bred urban background, rejected the main staves of the American dream and wandered into the wilderness of adventure in search of a meaningful life. Callused Hands Hungry Heart is a journey across the working landscape of the country, from logging forests in the great Northwest, to commercial fishing and relentless hours in fish canneries; from life in a remote Aleutian island to hopping freights across the country. This book celebrates the romance, adventure, pitfalls and perseverance of a life on the bumpy road less traveled.

**Hoboken Rub** Jim Lail,2006-11-01 Frankie Ciccio, mob boss? He isntnot yet, anyway. Fresh from the Army, dejected, and alone after losing the only woman he ever loved, until the shade of an awning and the smell of salt water taffy pulled him into the arms of Sophia, a teenaged mousetrap ready to snap. Salvatore DeSalvo, a big-time Jersey mob boss, her father and protector, will see to it that Frankie doesnt get no ideas, capice? Pauley the Fish, he goes along for the ride, just to make sure. An apprentice to the mob, in love with the bosss daughter, and surrounded by idiots. You think its easy?

**The King is Dead** Jim Lewis,2004 Provides a two-part story of a father and son. The father commits a terrible crime which separates him forever from his six-year-old son, Frank, and baby daughter, Gail. 35 years later Frank is driven to investigate his parents' past.

**Fear and Loving in South Minneapolis** Jim Walsh,2020-11-10 A veteran Twin Cities journalist and raconteur summons the life of the city after reporting and recording its stories for more than thirty years Two or three times a week, as a columnist, hustling freelance writer, and genuinely curious reporter, Jim Walsh would hang out in a coffee shop or a bar, or wander in a club or on a side street, and invariably a story would unfold--one more chapter in the story of Minneapolis, the city that was his home and his beat for more than thirty years. Fear and Loving in South Minneapolis tells that story, collecting the encounters and adventures and lives that make a city hum--and make South Minneapolis what it is. Here is a man who drives around Minneapolis in a van that sports a neon sign and keeps a running tally of the soldiers killed in Iraq. Here is another, haunted by the woman he fell in love with, and lost, many years ago at the Minnesota Music Café on St. Paul's East Side. Here are strangers on a cold night on the corner of Forty-sixth and Nicollet, finding comfort in each other's company in the wake of the shootings in Paris. And here are Walsh's own memories catching up with him: the woman who joined him in representing junior royalty for the Minneapolis Aquatennial when they were both seven years old; the lost friend, Soul Asylum's Karl Mueller, recalled while sitting on his memorial bench at Walsh's go-to refuge, the Rose Gardens near Lake Harriet. These everyday interactions, ordinary people, and quiet moments in Jim Walsh's writing create an extraordinary picture of a city's life. James Joyce famously bragged that if Dublin were ever destroyed, it could be rebuilt in its entirety from his written works. The Minneapolis that Jim Walsh maps is more a matter of heart, of urban life built on

human connections, than of streets intersecting and literal landmarks: it is that lived city, documented in measures large and small, that his book brings so vividly to mind, drafting a blueprint of a community's soul and inviting a reader into the boundless, enduring experience of Fear and Loving in South Minneapolis.

**The Portland House** Jim Landwehr,2018-01-23 The Portland House takes you into the lives of a widow and her six children as they put down roots in an average Midwestern house in 1970. It welcomes you to the crowded dinner table, where hotdish is a weekly staple and table manners sometimes take a back seat to kids being kids. It shoves you into raucous teenage parties when Mom is on vacation. It chokes you with the smoke of a small kitchen fire. Later you wander the neighborhood and the city of Saint Paul, Minnesota, with latchkey kids until the street lights come on. The house is full of love, teenage energy, and an adopted stray who walks with a limp. From the warmth of family on Christmas Eve, to the sadness of a losing a beloved pet, the Portland House is home to it all. So, come on in and experience life growing up in the era of disco, lava lamps, and Tang orange drink.

*Jim and I* Michael Lawrence,2003-05 jim and i is a contemporary tale, a poetic journey describing the early development of the artist Michael Lawrence and the impact of growing up in both the States and Europe. Jim Morrison of the Doors is Michael's companion and alter ego. In a whimsical fashion they seek and take comfort from each other's points of view. Creating a dream-like quality of shifting moods, Lawrence describes the struggles that he and Morrison had to find their identities before either of them came to the notice of the public at large. They found mutual support in their stand against the indifference of an environment overshadowed by war. The world of art came to their rescue. The reader travels through a series of theatrical vignettes—the Bohemian foundation of the innocence, vitality and raw energy that is so evident in Lawrence's work today: Toy soldiers in Madrid, abortive meetings with Dali, Punch and Judy at Piazza Navona, performing for John Huston, drawing Judy Garland, etching in Paris, excursions to Afghanistan and Morocco, sexual encounters and flirtations of one sort or another in Barcelona, vividly creates a theatre in which art becomes the hero. You have poems inside your head and you have learned to explode them with firecracker tubes of paint. Ray Bradbury I like your handwriting! Andy Warhol The guys from your UCLA days sent me your way, claiming your memories and stories of Jim are among the most important. Jerry Hopkins (Co-author of No One Here Gets Out Alive)
