Revival: Caxton's History of Jason (1913) William Caxton,2018-09-03 This book is based on William Caxton’s translation of 15th century French author Raoul Lefèvre book Histoire de Jason (he wrote in 1460). The Histoire de Jason is known from 20 manuscripts and 30 different printed editions, and was translated in English in 1477 by William Caxton, and in Dutch in 1485. Lefèvre was the chaplain of Philip the Good, the creator of the Order of the Golden Fleece, which was based on the classical Jason story.

Critical Reflections on Poetry and Painting (2 vols.) Jean-Baptiste Du Bos,2021-07-15 Jean-Baptiste Du Bos’ Critical Reflections on Poetry and Painting, first published in French in 1719, is one of the seminal works of modern aesthetics. Du Bos rejected the seventeenth-century view that works of art are assessed by reason. Instead, he believed, audience members have sentiments in response to artworks. Their sentiments are fainter versions of those they would feel in response to actually seeing what the work of art imitates. Du Bos was influenced by John Locke’s empiricism and, in turn, had a major impact on virtually every major eighteenth-century contributor to philosophy of art, including Voltaire, Montesquieu, Diderot, Rousseau, Herder, Lessing, Mendelssohn, Kames, Gerard, and Hume. This is the first modern, annotated and scholarly edition of the Critical Reflections in any language.

Daisy Miller Henry James,2011-11-14 Henry James’s Daisy Miller was an immediate sensation when it was first published in 1878 and has remained popular ever since. In this novella, the charming but inscrutable young American of the title shocks European society with her casual indifference to its social mores. The novella was popular in part because of the debates it sparked about foreign travel, the behaviour of women, and cultural clashes between people of different nationalities and social classes. This Broadview edition presents an early version of James’s best-known novella within the cultural contexts of its day. In addition to primary materials about nineteenth-century womanhood, foreign travel, medicine, philosophy, theatre, and art—some of the topics that interested James as he was writing the story—this volume includes James’s ruminations on fiction, theatre, and writing, and presents excerpts of Daisy Miller as he rewrote it for the theatre and for a much later and heavily revised edition.
