The Square Root of Possible: A Jingle Jangle Story Lyn Sisson-Talbert,David E. Talbert,2020-12-01 A charming picture book story based on the Netflix holiday film Jingle Jangle, starring Phylicia Rashad, Forrest Whitaker, Anika Noni Rose, Keegan Michael Key, and newcomer Madalen Mills, about an eccentric toymaker, his adventurous granddaughter, and a magical invention, that if they can get it to work in time for the holidays, could change their lives forever. A heartwarming picture book story based on the song The Square Root of Possible from the Netflix holiday film Jingle Jangle: A Christmas Journey! A holiday tale set in the snow-covered town of Cobbleton, Jingle Jangle follows eccentric toymaker Jeronicus Jangle (Academy Award winner Forest Whitaker) whose fanciful inventions burst with whimsy and wonder. But when a betrayal by a former protégé (Keegan-Michael Key) leaves Jeronicus withdrawn and down on his luck, it's up to his bright and adventurous granddaughter, Journey (newcomer Madalen Mills) -- and a singularly magical invention -- to save the day. From the imagination of writer/director David E. Talbert and featuring original music by John Legend, Philip Lawrence, and Davy Nathan, Jingle Jangle reminds you that anything is possible...if you believe.

Ideology, Party Change, and Electoral Campaigns in Israel, 1965-2001 Jonathan Mendilow,2003-01-01 The tumultuous and rapid political change experienced by Israel since 1965 has been reflected in the history of its party system. In this book, Jonathan Mendilow examines the party and party system transformations through the lens of the electoral campaigns that defined and reflected them. He shows that the relative stability of the dominant party system bequeathed from the pre-independence era was shattered in the 1960s, and replaced by cluster parties that vied for power in the ideological center, only to decline and be replaced in turn in the 1980s and early 1990s by ideological party blocs locked in centrifugal competition. With the separate direct election of the prime minister since the mid-1990s, there has been yet a third profound realignment in party structures, ideologies, and modes of campaigning, according to Mendilow.

Sub-Saharan Political Cultures of Deceit in Language, Literature, and the Media, Volume I Esther Mavengano,Isaac Mhute,2023-12-20 This two-volume set charts a cross-disciplinary discursive terrain that proffers rich insights about deceit in contemporary postcolonial Sub-Saharan African politics. In an attempt to produce a nuanced and multi-faceted academic dialoguing platform, the two volumes have a particular focus on the aspects

of treachery, fear of difference (oppositional politics), and discourses/ semiotics of mis/self- representation. The major aim of the proposed volumes is to contribute toward the often problematised conversations about the unfolding (post)colonial Sub-Saharan world which is topical in decolonial and Pan-African studies. The volumes seek to place political thinking and postcolonial political systems under the scholarly gaze with the view to highlight and enhance the participation of African cross-disciplinary scholarship in the postcolonial political processes of the continent. Most significantly, it is through such probing of the limitations of our own disciplinary perspectives which can help us appreciate the complexity of the postcolonial Sub-Saharan African politics. The first volume uses Zimbabwe as a case study, while the second volume broadens to examine postcolonial politics in Sub-Saharan Africa more broadly.

Telling to Live Latina Feminist Group, 2001-09-18 Telling to Live embodies the vision that compelled Latina feminists to engage their differences and find common ground. Its contributors reflect varied class, religious, ethnic, racial, linguistic, sexual, and national backgrounds. Yet in one way or another they are all professional producers of testimonios—or life stories—whether as poets, oral historians, literary scholars, ethnographers, or psychologists. Through coalitional politics, these women have forged feminist political stances about generating knowledge through experience.

Reclaiming testimonio as a tool for understanding the complexities of Latina identity, they compare how each made the journey to become credentialed creative thinkers and writers. *Telling to Live* unleashes the clarifying power of sharing these stories. The complex and rich tapestry of narratives that comprises this book introduces us to an intergenerational group of Latina women who negotiate their place in U.S. society at the cusp of the twenty-first century. These are the stories of women who struggled to reach the echelons of higher education, often against great odds, and constructed relationships of sustenance and creativity along the way. The stories, poetry, memoirs, and reflections of this diverse group of Puerto Rican, Chicana, Native American, Mexican, Cuban, Dominican, Sephardic, mixed-heritage, and Central American women provide new perspectives on feminist theorizing, perspectives located in the borderlands of Latino cultures. This often heart wrenching, sometimes playful, yet always insightful collection will interest those who wish to understand the challenges U.S. society poses for women of complex cultural heritages who strive to carve out their own spaces in the ivory tower. Contributors. Luz del Alba Acevedo, Norma Alarcón, Celia Alvarez, Ruth Behar, Rina Benmayor, Norma E. Cantú, Daisy Cocco De Filippis, Gloria Holguín Cuádriz, Liza Fiol-Matta, Yvette Flores-Ortiz, Inés Hernández-Avila, Aurora Levins Morales, Clara Lomas, Iris Ofelia López, Mirtha N. Chinese Lessons John Pomfret, 2006-08-08 A highly personal, honest, funny and well-informed account of China's hyperactive effort to forget its past and reinvent its future.—The New York Times Book Review As one the first American students admitted to China after the communist revolution, John Pomfret was exposed to a country still emerging from the twin tragedies of the Great Leap Forward and the Cultural Revolution. Crammed into a dorm room with seven Chinese men, Pomfret contended with all manner of cultural differences, from too-short beds and roommates intent on glimpsing a white man naked, to the need for cloak-and-dagger efforts to conceal his relationships with Chinese women. Amidst all that, he immersed himself in the remarkable lives of his classmates. Beginning with Pomfret's first day in China, *Chinese Lessons* takes us down the often torturous paths that brought together the Nanjing University History Class of 1982: Old Wu's father was killed during the Cultural Revolution for the crime of being an intellectual; Book Idiot Zhou labored in the fields for years rather than agree to a Party-arranged marriage; and Little Guan was forced to publicly denounce and humiliate her father. As Pomfret follows his classmates from childhood to adulthood, he examines the effect of China's transition from near-feudal communism to first-world capitalism. The result is an illuminating report from present-day China, and a moving portrait of its extraordinary people.
