Fighting the Storm Kari Kilgore,2019-06-22 The Storm Breaks Alex Collins and Etan Griffith thought love, hard work, and magic protected them from the end of the world. Until heartbreak struck much closer to home. Picking up the pieces brings new friends and new challenges. Threats unseen and unexpected. Will the power of family bring them all through, together? An excerpt from Fighting the Storm: Etan didn't have to look at Alex to know he was biting his tongue, dying to say something. He could feel how tense Alex's leg was against his own, could just about hear his agitation. "What are you wanting to say, Alex?" "I don't want to be an asshole, but if we have to set you up as a prophet, that's what we need to do. I hated what happened in Maple Ridge and everywhere else. But we can't have gone through so much hell to get here and let everything fall apart again. If people will follow the Great Prophet Etan and that lets us survive, then that's who you need to be." Etan did groan then, closing his eyes for a second. Not only because this was what he'd been afraid of. Because the words and the ideas sounded true. They felt true, no matter how much he might dislike them.

“I don’t know if I can agree to that, not right now. I have no idea how to do any of this, much less create a new religion. I’m scared to death of making a hard situation worse.”

Joining the Storm Kari Kilgore,2018-12-05 The Storm Builds Etan Griffith loves his life in Chicago, far from his native Blue Ridge Mountains. Alex Collins escaped Wisconsin to a career he loves, in a city that welcomes him more than his own family. Both seek the missing piece to their puzzle. Dreams and patterns. Restless and searching. Then one snowy night sets their shared destiny in motion. An excerpt from *Joining the Storm*: “I never wanted you to know about the dreams,” Etan said. “I feel crazy enough without you confirming it.” “Crazy isn’t the question,” Alex said, stroking Etan’s hair. “Unless it’s both of us. You missed me saying every word feels true.” “I don’t even know what the dreams are, Alex. I know I have them, but I never remember a thing. That’s not exactly stable.” “Well, have a drink and let me enlighten you.” Etan sat up, managing to keep himself from curling up into a knot of fear again. He drained the whiskey, watching Alex do the same. “What you tell me in the middle of the night is all about how we can’t stay here much longer. Something bad is going to happen, with the food supply I think, and none of the cities are going to be safe anymore. And we don’t have much time to get ready before we’re trapped along with everyone else who’s not going to make it out.”
