**Laila Lalami**

**Hope and Other Dangerous Pursuits** Laila Lalami, 2005-10-07 "A dream of a debut, by turns troubling and glorious, angry and wise." —Junot Diaz *Hope and Other Dangerous Pursuits* evokes the grit and enduring grace that is modern Morocco. As four Moroccans illegally cross the Strait of Gibraltar in an inflatable boat headed for Spain, author Laila Lalami asks, What has driven them to risk their lives? And will the rewards prove to be worth the danger? There's Murad, a gentle, unemployed man who's been reduced to hustling tourists around Tangier; Halima, who's fleeing her drunken husband and the slums of Casablanca; Aziz, who must leave behind his devoted wife in hope of securing work in Spain; and Faten, a student and religious fanatic whose faith is at odds with an influential man determined to destroy her future. Sensitively written with beauty and boldness, this is a gripping book about what propels people to risk their lives in search of a better future.

Men of Good Will Jules Romains, 2006-11 Originally published in 1913. Author: Henri Lichtenberger  
Language: English Keywords: History Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. Obscure Press are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork. Keywords: English Keywords 1900s Language English Artwork

**Essays on European Literature** Ernst Robert Curtius, 2015-03-08 Although the reputation of the great German scholar Ernst Robert Curtius was firmly established for English and American readers by the translation of *European Literature and the Latin Middle Ages*, much of his work is still unknown to them. These twenty-four essays, written over a period of nearly thirty years, range widely in time and scope and consider some of the greatest figures in European literature, among them Virgil, Goethe, Balzac, Joyce, Eliot, Ortega y Gasset, and Hesse. The essays show the qualities that made Curtius one

of the great critics of our age: his lucid, penetrating mind, his comprehensive erudition, his cosmopolitan outlook, and above all his passionate concern for European culture. Like T. S. Eliot, the subject of one of his finest essays, Curtius believed in an ideal order, a cultural unity of the West. The unifying element in all these essays is a concern to insure the conservation and continuance of European humanistic culture. For him this culture consisted of the literary heritage of Greece and Rome, developed and enriched by the Christian civilization of the Middle Ages. Consequently he selected for discussion those poets and writers who have been conscious of the unity of these two European currents and who have striven to maintain it in our time. As he ranged freely through the languages and literatures of all Western cultures, Curtius himself did much to preserve this tradition, to demonstrate its relevance, and insure its continuity. Originally published in 1973. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

**Raising Vegetarian Children** Joanne Stepaniak,Vesanto Melina,2002-10-16 This handbook aims to debunk the myth that vegetarian diets provide inadequate nutrition for growing children. Separate chapters address the needs of infants, preschoolers, school-age children, and teenagers. There are lots of child-friendly recipes, and a resources section.

Ignite the flame of optimism with is motivational masterpiece, Fuel Your Spirit with **Juguetes De Cocina&sorty** . In a downloadable PDF format ( PDF Size: \*), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.
