However, saving the world isn't as easy, or exciting, as it sounds in the stories. The going gets rough and folks start to believe their best chance for survival is to surrender to the forces of evil, which isn't how the prophecy goes. At all. As the list of allies grows thin, and the friends find themselves staring death in the face they must decide how to become the

Kade's Redemption Melony Ann,2022-06-28 The battle my father led was supposed to be a rescue mission. It was anything but. It was an ambush I didn't know about until it was over. A war that no one walked away from. Except my little sister. I was forced to take on the role of the Alpha of our pack. I was eighteen. After the dust settled, our pack was nearly destroyed. Decimated. I was broken. In far more ways than losing my parents. A wolf's connection to the rest of his pack is strong. But that of an Alpha? The pack is our responsibility. Losing anyone takes a toll on us that's indescribable. It's like losing a limb. My job is to avenge my pack; my parents. I lost my entire family. I don't have time for stupid things like mates. My wolf doesn't agree. As soon as he caught Kaia's scent when my dead mother, who is one of my spirit guides, called me to the edge of our territory when she was in danger, that was it. For both of us, much to my dismay. But she's human. There's no way in all of the Hells I'll ever accept her as my mate. Ever. Shifters and humans don't mate. It's a rule I put in place years ago. A rule to protect humans from suffering the same fate my human father and human sister-in-law did. On the day I plan to reject her as my mate to the Moon Goddess, hidden secrets are revealed that throw us both into chaos and threaten to consume our entire world. Now, I face the biggest decision of my life. Do I give in to the call of my wolf's heart, or lead us both down a path of destruction neither of us will ever come back from? a sexy new sports romance. Roan King. The uncrowned king of Barnett University. He's like a freaking celebrity around here. It's totally ridiculous. People, by which I mean grown women, actually stalk him on the internet. And around campus. Apparently, he's god's gift to both football and the ladies (I'm using that term loosely). All he has to do is smile and girls just fall right onto their backs before spreading their legs nice and wide. I've heard that he's already plowed his way through half the female population here at Barnett. I'm sure he'll work his way through the second half before he gets drafted to the NFL later this year. Yeah... I don't plan to be one of them. The guy is nothing more than a conceited player. You know the type- a steroid infused meathead jock coasting through college on his football prowess. Ugh. I have three words for you- avoid, avoid, avoid. Need I say more? I don't think so. I've had the sad misfortune of running into him on campus. Literally. As in- I literally slammed into him before spilling my iced coffee drink all over that wide rippling chest of his (did I just say that?). What I learned from the experience is that Roan King is one hell of a cocky son of a- I also learned that he has the most spectacular chest... And don't even get me started on those abs... I could probably cut diamonds on them. Unfortunately for me, Operation- Avoid-Roan-King isn't going so well. Everywhere I go, there he is. If he wasn't so ridiculously hot, he would be a hell of a lot easier to forget. With his dark hair, shocking, turquoise-colored eyes and (damn him) buff body, he's easily the most gorgeous guy I've ever laid eyes on. Crap... see what I mean? Why do I suddenly have the bad feeling that Roan King is going to lead to my utter ruin and downfall?

Kade Madeline Baker,2021-11-30 On the run and badly wounded, the half-breed known only as Kade closes his eyes and waits for death. Riding the outskirts of her South Dakota ranch, Norrie McDonald finds a man lying in the dirt, unmoving, his shirt covered with blood. Thinking him dead, she decides to return home and send someone back to bury the body, but discovers he's still alive, so she takes him back to the ranch to care for. As Kade recovers, he learns that the McDonald ranch is heavily mortgaged. A neighboring rancher covets the McDonald place and Norrie's father suspects him of stealing their cattle and scaring off their hired hands in an effort force McDonald to sell. Against his better judgment, Kade, who has a reputation as a fast gun, agrees to stay on after he recovers, partly because he's got nowhere else to go, partly because he owes the McDonalds his life, but mainly because he's attracted to Norrie. Although Norrie is also smitten with Kade, she is reluctant to admit it. He's a drifter, a fast gun with a price on his head. But love is stronger than fear and Norrie decides to follow her heart, no matter the consequences.
