Kim and Kanye - The Love Story Nadia Cohen, 2015-02-05 THEY HAVE BECOME KNOWN AROUND THE WORLD AS THE ULTIMATE POP-CULTURE POWER COUPLE. Favourites of the paparazzi, Kim Kardashian and Kanye West are both worth millions in their own right. She is the queen of reality TV and an all-round business mogul. He's a rapper, fashion designer and outspoken award show favourite. Together they are Kimye - glitzy, globetrotting icons and parents of one very stylish kid, North West. Without question they are the biggest news in entertainment today, making headlines around the world on a daily basis. America's 'other' first couple were friends before they hooked up, although Kanye admitted to holding a torch for Kim for years. They may have their share of haters, and Kim came under fire when she filed for divorce from Kris Humphries less than three months after their wedding. But in a recent lavish Italian ceremony fit for royalty, she and Kanye tied the knot, cementing their superstar status once and for all. Nadia Cohen's brilliant, unauthorised biography traces the rise of Kimye, the world's most glamorous couple.

Kanye West Owes Me \$300 Jensen Karp, 2017-05-02 In this "triumphantly funny" (AV Club) memoir, comedian Jensen Karp tells the story of how, as a Jewish kid from the L.A. suburbs, he became a rap battle legend—and then almost became a star. "The funniest person I follow on Twitter finally got smart and wrote about his unlikely—and hilarious—odyssey as teenage rapper Hot Karl."—Kevin Smith, New York Times bestselling author of *Tough Sh*t* When twelve-year old Jensen Karp got his first taste of rapping for crowds at his friend's bar mitzvah in 1991, little did he know that he was taking his first step on a journey that would end with a failed million-dollar recording and

publishing deal with Interscope Records when he was only nineteen. Now, in Kanye West Owes Me \$300, Karp finally tells the true story of his wild ride as “Hot Karl,” the most famous white rapper you’ve never heard of. On his way to (almost) celebrity, Jensen shares his childhood run-ins with rock-listening, Southern California classmates, who tell him that “rap is for black people,” and then recounts his record-breaking rap battling streak on popular radio contest “The Roll Call”—a run that caught the eye of a music industry hungry for new rap voices in the early ’00s. He also introduces his rap partner, Rickye, who constitutes the second half of their group XTra Large; his supportive mom, who performs with him onstage; and the soon-to-be-household-name artists he records with, including Redman, Fabolous, Mya, and will.i.am. Finally, he reveals why his album never saw the light of day (two words: Slim Shady), the downward spiral he suffered after, and what he found instead of rap glory. Full of rollicking stories from his close brush with fame, Karp’s hilarious memoir is the ultimate fish-out-of-water story about a guy who follows an unlikely passion—trying to crack the rap game—despite what everyone else says. It’s 30 Rock for the rap set; 8 Mile for the suburbs; and quite the journey for a white kid from the valley.

Raising Kanye Donda West, Karen Hunter, 2007-05-08 The mother of rap superstar Kanye West shares her experiences on being a single mother raising a celebrity. As the mother of hip-hop superstar Kanye West, Donda West has watched her son grow from a brilliant baby boy with all the intimations of fame and fortune to one of the hottest rappers on the music scene. And she has every right to be proud: she raised her son with strong moral values, teaching him right from wrong and helping him become the man he is today. In *Raising Kanye*, Donda not only pays homage to her famous son but reflects on all the things she learned about being his mother along the way. Featuring never-before-seen photos and compelling personal anecdotes, Donda's powerful and inspiring memoir reveals everything from the difficulties she faced as a single mother in the African American community to her later experiences as Kanye's manager as he rose to superstardom. Speaking frankly about her son's reputation as a Mama's Boy, and his memorable public outbursts about gay rights and President George W. Bush, Donda supports her son without exception, and here she shares the invaluable wisdom she has taken away from each experience—passion, tolerance, patience, and above all, always telling

the truth. Ultimately, she not only expresses what her famously talented son has meant to her but what he has meant to music and an entire generation.

Jay Z & Kanye: Jay Z and Kanye West - 2 Books in 1! Lotti Davidson, Ziggy Watson, 2019-03-20 JAY Z & KANYE: Jay Z And Kanye West - 2 Books In 1! Featuring *Jay Z* Kanye West 2 Great Biographies In 1! JAY Z His life is in many ways, a Cinderella story... even if Shawn Carter - Jay-Z to millions of fans - may seem like an unlikely character to play the role of a belittled cinder girl. But Jay-Z's meteoric rise can only be properly encapsulated by the superlative, the fantastic... by fairy tale. For how else can one describe his ascent from hustling in Brooklyn to sitting in board rooms? From being a kid in the projects to being the King of the City? How did he go from being a rapper no one would sign, to being hip-hop's most important figure? How did he conquer field after expanding field, such that he became, gradually, one of the most aspirational figures in hip-hop; in music; in the African American community; and in business? This is the story of Jay-Z, who in his hardscrabble youth grew up in a broken family, was raised by a single mother, had lived in violent projects, needed to hustle to survive, dealt drugs, got shot at and did his own shooting, and he'd even been arrested. In this light, he could have been a statistic - another unfortunate number, a nameless faceless figure in America's poor record of systemic injustices against young people of color. But by a mix of talent, intelligence, grit, entrepreneurial savvy and inextricably some luck, Jay-Z defied the odds and made his own numbers and set his own records. After all, these are his personal stats: he holds the record for most number of albums (14!) getting

the top spot among solo artists, trailed by no less than Bruce Springsteen and Barbra Streisand's 11 apiece. He is, however, only in second place for most number of albums topping the chart... following no less than the Beatles (who have 19). He has 21 Grammys for his work in music. But more than a successful musician, he is a businessman with diverse interests. In 2018, Forbes estimated his net worth to be at a staggering \$900 million, making him the richest man in hip-hop, and the 5th richest person in entertainment - putting him in the same circles as filmmakers George Lucas and Steven Spielberg; media queen Oprah Winfrey; and Greatest of All-Time (G.O.A.T.) sports and pop culture icon, Michael Jordan. As husband of the multi-talented phenomenon Beyonce, Jay-Z is one half of entertainment's most powerful pair. Together, they are not only the coolest couple in the world, their joint net worth takes them well past the billion-dollar mark. Kanye WestKanye West - rapper, producer, fashion designer, cultural phenomenon. He is all of these amazing things successfully, and yet they are not nearly enough to describe the iconoclast everyone over the last decade or so has come to either love, or love to hate. He straddles delusion and lucid self-awareness; narcissism and social consciousness; a fervent desire for privacy but also an irrepressible need to be heard; street-cred and high-art; the maximization of minimalism. He bucks against institutions but also seeks to be accepted. Sometimes he is in the heights of influence and respectability, other times he is the national punchline; he is both clown and cool guy. One never quite knows what he is thinking or where he's headed next but whatever it is - he knows how to keep people guessing, and keep them talking not only about him, but about the society we inhabit. This is the story of Kanye West: genius and madman all at once, blessed and cursed by his gifted - beautiful, dark,

twisted - mind.

Kim Kardashian Love them or hate them, there is no discussion of the phenomena of modern celebrity without its apex creatures, the Kardashian family. The Kardashians are exceptional in every sense of the word. A non-traditional, racially-diverse, blended family from immigrant stock, they are also spearheaded and moved by empowered women with limited education. How this brood turned the proverbial 15 minutes of fame into 15 fabulous years of that plus staggering fortune is practically a fairy tale. This is lightning in a bottle, especially for reality TV stars whose initial, ambiguous claims to fame were links to a 1970s sports icon, a 1990s murder trial and a 2007 starlet sex tape. The once unconventional family name has since become an unforgettable global brand, monetized by its members into various forms into a collective valuation of well over one billion dollars. And the journey all began with Kim. Kim Kardashian, Superstar? Superstar does not even begin to cut it. What she eventually became was a constellation of superstar. This is her story... Kanye west from \$0 to \$6.6 billion Celine Claire, 2022-04-08 This ebook explains Kanye West's rags to riches story. Kanye's rags to riches story is an inspirational one to many. As Kanye explained over Twitter, he fell into trouble while trying to attain every creative dream he ever had. Whereas it's easy to laugh at a man who once claimed, "Yes I am personally rich and I can buy furs and houses for my family," there is still something familiar in his lament, "I don't have enough resources to create what I really can..." Some of his fans created a GoFundMe page entitled "Get Kanye Out of Debt" to help Kanye West recover from his financial woes. However, Kanye's camp rejected the proceedings, which were later redirected to a charitable organization. Nonetheless, he managed to connect the dots and is now a billionaire. He is the richest black man in the history of America so far as I write this book. INTRODUCING Kanye West from \$0 to \$6.6 Billion..... Translator: Celine Claire PUBLISHER: TEKTIME

Shook One Charlamagne Tha God, 2019-09-03 Charlamagne Tha God, New York Times bestselling author of *Black Privilege* and always provocative cohost of *Power 105.1's The Breakfast Club*, reveals his blueprint for breaking free from your fears and anxieties. Being "shook" is more than a rap lyric for Charlamagne, it's his mission to overcome. While it may seem like he's ahead of the game, he is actually plagued by anxieties, such as the fear of losing his roots, the fear of being a bad dad, and the fear of being a terrible husband. In the national bestseller *Shook One*, Charlamagne chronicles his

journey to beat those fears and shows a path that you too can take to overcome the anxieties that may be holding you back. Ironically, Charlamagne's fear of failure—of falling into the life of stagnation or crime that caught up so many of his friends and family in his hometown of Moncks Corner—has been the fuel that has propelled him to success. However, even after achieving national prominence as a radio personality, Charlamagne still found himself paralyzed by anxiety and distrust. Here, in *Shook One*, he is working through these problems—many of which he traces back to cultural PTSD—with help from mentors, friends, and therapy. Being anxious doesn't serve the same purpose anymore. Through therapy, he's figuring out how to get over the irrational fears that won't take him anywhere positive. Charlamagne hopes *Shook One* can be a call to action: Getting help is your right. His second book "cements the radio personality's stance in making sure he's on the right side of history when it comes to society's growing focus on mental health, while helping remove the negative stigma" (Billboard).

"Wake Up, Mr. West" Joshua K. Wright, 2022-01-14 Black celebrities in America have always walked a precarious line between their perceived status as spokespersons for their race and their own individual success--and between being not black enough for the black community or too black to appeal to a broader audience. Few know this tightrope walk better than Kanye West, who transformed hip-hop, pop and gospel music, redefined fashion, married the world's biggest reality TV star and ran for president, all while becoming one of only a handful of black billionaires worldwide. Despite these accomplishments, his polarizing behavior, controversial alliances and bouts with mental illness have made him a caricature in the media and a

disappointment among much of his fanbase. This book examines West's story and what it reveals about black celebrity and identity and the American dream.

Mr. West Sarah Blake, 2015-03-09 *Mr. West* covers the main events in superstar Kanye West's life while also following the poet on her year spent researching, writing, and pregnant. The book explores how we are drawn to celebrities—to their portrayal in the media—and how we sometimes find great private meaning in another person's public story, even across lines of gender and race. Blake's aesthetics take her work from prose poems to lineated free verse to tightly wound lyrics to improbably successful sestinas. The poems fully engage pop culture as a strange, complicated presence that is revealing of America itself. This is a daring debut collection and a groundbreaking work. Kanye West-Reanimator Joshua Chaplinsky, H. P. Lovecraft, 2018-03-07 Of Kanye West, who was my friend in college and after he dropped out, I can speak only with extreme sadness... So begins this epic cautionary tale of ambition and hubris. A bizarre mix of Lovecraft and hip-hop history, *Kanye West;Reanimator* reimagines the classic story *Herbert West;Reanimator* with everyone's favorite petulant genius cast in the titular role. In it, Kanye West attempts to reanimate a moribund hip-hop scene, only to come to the conclusion that his music is so powerful, it should be used to reanimate the dead. And who better to reanimate than those two legendary titans gone before their time; Biggie and Tupac? Hilarity and carnage ensue.

Kanye West Superstar Byron Crawford, Theotis Jones, 2014-08-14 A dark, twisted journey inside the mind of one of America's most outspoken celebrities Kanye West is the self-proclaimed Steve Jobs of the Internet,

downtown, fashion and culture. He doesn't just produce critically acclaimed rap albums, he has ideas for water bottle design and architecture. He tried to design a leather jogging pant, but European fashion designers won't allow him to be great, because he doesn't have the necessary connections. Kanye West Superstar is the story of how Kanye West became such an important person to himself and also to America. Discussed in Kanye West Superstar:

Ghostwriting allegations: Kanye West once won a Grammy for Jesus Walks, a song written by Rhymefest. The author tried to have him disqualified on the grounds that rappers who use ghostwriters shouldn't be allowed to win a Grammy.

Fatherlessness and black masculinity: Rap music, once easily the straightest genre of music, is becoming increasingly gay. Why is that? Could fatherlessness in the black community be related?

Kanye's obsession with pr0nography: Kanye West travels with a suitcase filled with interracial pr0n that he once left on the set of a photo shoot. His mom caught him with pr0n on multiple occasions as a child, and now he's married to Kim Kardashian. His life is essentially a series of pr0n-related events. Kanye's beefs with two U.S. presidents: At a telethon to benefit victims of Hurricane Katrina, Kanye famously declared that George Bush doesn't care about black people. President Bush declared it the worst moment of his presidency, and later Barack Obama -- the first black president -- also bashed Kanye.

Interracial relationships: Kanye West was once engaged to marry a black woman. He's since been involved in high profile relationships with two white women. He's also come under fire for controversial statements about race-mixing and the girls he casts in his videos.

Rap video vixens: Speaking of Kanye's videos, he's known for casting some of the most powerfully built women in the history of music videos -- which is quite a history. Where does he find these women, and what does he do

with them? Kanye's long-simmering beef with Jay-Z: Did Kanye purposely try to sabotage one of Jay-Z's albums? What does Beyoncé really think of Kim Kardashian? The Taylor Swift incident: Will the white community ever forgive Kanye for snatching the microphone from Taylor Swift's hand, as she was accepting an award, to declare that Beyoncé had one of the best videos of all time, of ALL TIME? Kim Kardashian's film career: Kim Kardashian, before she was Kanye West's baby's mother, once acted in a film. Ray J wrote a song about it. This is discussed here in more detail than you require. Culture vultures: Kanye West has generated hundreds of millions of dollars for the entertainment industry. Why won't they let him design a leather jogging pant?
