### *HOW I QUIT GOOGLE TO SELL SAMOSAS* Munaf

Kapadia, 2021-04-10 'Through this book, I hope to inspire you. I hope to make you laugh a little and I hope that you take away this, if nothing else-if I can do it, so can you.' In August 2015, Munaf Kapadia quit his four-year-long career as a consultant at Google to pursue another venture - with his mother! Two years down the line, as Chief Eating Officer of food tech start-up The Bohri Kitchen, he made the Forbes India 30 Under 30 list. *How I Quit Google to Sell Samosas* is the story of how this adventurous entrepreneur grew a weekend Bohri food pop-up from his Cuffe Parade home into an F&B start-up with a Rs 4 crore turnover. A man of many ideas, Munaf regales readers with tales of his big hits-citywide delivery kitchens, catering for Bollywood's biggest celebrities and winning a reality show-and the few misses. Packed with 'samosa gyan' gathered along the way, *How I Quit Google ...* inspires you to dream big (even in a pandemic!) and find the courage to keep moving. Whether you succeed or fail.

Insurgent Aesthetics Ronak K. Kapadia, 2019-10-25 In *Insurgent Aesthetics* Ronak K. Kapadia theorizes the world-making power of contemporary art responses to US militarism in the Greater Middle East. He traces how new forms of remote killing, torture, confinement, and surveillance have created a distinctive post-9/11 infrastructure of racialized state violence. Linking these new forms of violence to the history of American imperialism and conquest, Kapadia shows how Arab, Muslim, and South Asian diasporic multimedia artists force a reckoning with the US war on terror's violent destruction and its impacts on immigrant and refugee communities. Drawing on an eclectic range of visual, installation, and performance works, Kapadia reveals queer feminist decolonial critiques of the US security state that visualize subjugated histories of US militarism and make palpable what he terms "the sensorial life of empire." In this way, these artists forge new aesthetic and social alliances

that sustain critical opposition to the global war machine and create alternative ways of knowing and feeling beyond the forever war.

**Heart: A History** Sandeep Jauhar, 2018-09-18 The bestselling author of *Intern and Doctored* tells the story of the thing that makes us tick. For centuries, the human heart seemed beyond our understanding: an inscrutable shuddering mass that was somehow the driver of emotion and the seat of the soul. As the cardiologist and bestselling author Sandeep Jauhar shows in *Heart: A History*, it was only recently that we demolished age-old taboos and devised the transformative procedures that have changed the way we live. Deftly alternating between key historical episodes and his own work, Jauhar tells the colorful and little-known story of the doctors who risked their careers and the patients who risked their lives to know and heal our most vital organ. He introduces us to Daniel Hale Williams, the African American doctor who performed the world's first open heart surgery in Gilded Age Chicago. We meet C. Walton Lillehei, who connected a patient's circulatory system to a healthy donor's, paving the way for the heart-lung machine. And we encounter Wilson Greatbatch, who saved millions by inventing the pacemaker—by accident. Jauhar deftly braids these tales of discovery, hubris, and sorrow with moving accounts of his family's history of heart ailments and the patients he's treated over many years. He also confronts the limits of medical technology, arguing that future progress will depend more on how we choose to live than on the devices we invent. Affecting, engaging, and beautifully written, *Heart: A History* takes the full measure of the only organ that can move itself.

The Woman Beside Gandhi: a Biography of Kasturba, Wife of the Mahatma Sita Kapadia, 2021-01-29 The Woman Beside Gandhi is a biography of Kasturba, wife of the Mahatma. Though there are countless references to her in the voluminous works by and about Gandhi, Kasturba remains virtually unknown. And yet it was she who stood up to him, was his teacher in non-violent resistance and the compassionate mainstay of his austere demanding ashrams. And yet again it was Kasturba, appointed by Gandhi to be the leader of women's resistance, who by her own example, her speeches and her tireless rounds of towns and villages, motivated women by the thousands to make rapid, radical changes in their restricted personal lives and participate in mass civil disobedience for freedom. Seeing Kasturba go fearlessly to prison in South Africa and several times in India, so inspired and empowered women, that they too went to prison, fighting for their cause. The touching stories of these unknown, unheralded women are here in this book, filling an important vacuum in the world of letters especially as it pertains to women's emancipation. Three trips to India, meetings with over 200 people who knew Kasturba in person, and a great deal of research through books and places unvisited by other scholars, has gone into the writing of this ground-breaking biography. Sita Kapadia takes the reader with Kasturba, the child bride, and her boy husband from small towns to three continents, through ashrams and prisons. Combining diligent research with engaging interviews in a free-flowing and vibrant narrative, Kapadia shows how bravely and selflessly Kasturba lived her life, unlike anyone else's in the annals of human history. Gandhian scholar Dennis Dalton calls it a unique and superlative biography.

*A Social History of Indian Football* Kausik

Bandyopadhyay, Boria Majumdar, 2018-10-24 A Social History of Indian Football covers the period 1850-2004. It considers soccer as a derivative sport, creatively and imaginatively adapted to suit modern Indian socio-cultural needs - designed to fulfil political imperatives and satisfy economic aspirations. The book is concerned with the appropriation, assimilation and subversion of sporting ideals in colonial and post-colonial India for nationalist needs. The book assesses the role of soccer in colonial Indian life, to delineate the inter-relationship between those who patronised, promoted, played and viewed the game, to analyse the impact of the colonial context on the game's evolution and development and shed light on the diverse nature of trysts with the sport across the country. Throughout this book, soccer is the lens that illuminates India's colonial and post-colonial encounter. This volume was previously published as a special issue of the journal Soccer and Society.

*Joy of Sharing* Subhash Lakhota, 2014-07-02 Believe it or not but the fact is that more than 90 per cent of men and women, in India as well as all over the world, hesitate to share their feelings with others. When we are unable to do so, it creates a strange type of suffocation and then the mind gets perturbed. This book is written for the benefit of the entire mankind so that each reader will understand that not only him but millions of similar people are also unable or hesitate to express their feelings and thoughts to others. This is a bitter truth of life and therefore this question plagues us time and again. The answer is very simple- surrender before the Almighty and spend a smooth life. There is also a

second option; find out five true friends and if you are successful, then rest assured that it would usher a new and bright dawn in your life. \* Sharing leads to a Good Living. \* Keep on Sharing. \* Share and become Stress-free. *Five Fictions near.....real* Dilip Kapadia, 2017-10-11 Love, romance, thrill, devastation, intrigue and many more emotions are encountered as you flip the pages of this unique compilation of exaggerated episodes of Suketu's life. Five is a real near saga of nostalgia. The mother and her sacrifices, the tragedy of the

lunatic cousin, the half expressed love story, roller coaster of Karans struggles and more. The mixed platter of Suketu's experiences thrills, mystifies, and stimulates the appetite of the reader for more. The diverse stories of this book are enjoyable for their structure and their characters, and they are the fruit of Kapadia's ability to observe the people around him. They are real people, and real lives, and for this reason their stories will live on for long and readers will enjoy this book many years from now. The stories are also shot through with a sense of mystery and wonder about the human being and about the modern world. Kapadia extends to fiction the thinking of the early 20th-century writer Alexis Carrell, whom Kapadia has evidently read with great attention. *Nation at Play* Ronojoy Sen, 2015-10-27 Reaching as far back as ancient times, Ronojoy Sen pairs a novel history of India's engagement with sport and a probing analysis of its cultural and political development under monarchy and colonialism, and as an independent nation. Some sports that originated in India have fallen out of favor, while others, such as cricket, have been adopted and made wholly India's own. Sen's innovative project casts sport less as a natural expression of human competition than as an instructive practice reflecting a unique play with power, morality, aesthetics, identity, and money. Sen follows the transformation of sport from an elite, kingly pastime to a national obsession tied to colonialism, nationalism, and free market liberalization. He pays special attention to two modern phenomena: the dominance of cricket in the Indian consciousness and the chronic failure of a billion-strong nation to compete successfully in international sporting competitions, such as the Olympics. Innovatively incorporating examples from popular media and other unconventional sources, Sen not only captures the political nature of sport in India but also reveals the patterns of patronage, clientage, and institutionalization that have bound this diverse nation together for centuries.
