I Am the Storm Jane Yolen,Heidi E. Y. Stemple,2020-10-27 A tornado, a blizzard, a forest fire, and a hurricane are met, in turn, with resilience and awe in this depiction of nature's power and our own. In the face of our shifting climate, young children everywhere are finding themselves subject to unfamiliar and often frightening extreme weather. Beloved author Jane Yolen and her daughter Heidi Stemple address four distinct weather emergencies (a tornado, a blizzard, a forest fire, and a hurricane) with warm family stories of finding the joy in preparedness and resilience. Their honest reassurance leaves readers with the message: nature is powerful, but you are powerful, too. Illustrated in rich environmental tones and featuring additional information about storms in the back, this book educates, comforts, and empowers young readers in stormy or sunny weather, and all the weather in between.

What Stands in a Storm Kim Cross,2016-03 Enter the eye of the storm in this gripping real-life

thriller—A Perfect Storm on land—that chronicles America’s biggest tornado outbreak since the beginning of recorded weather: a horrific three-day superstorm with 358 separate tornadoes touching down in twenty-one states and destroying entire towns. April 27, 2011 was the climax of a three-day superstorm that unleashed terror from Arkansas to New York. Entire communities were flattened, whole neighborhoods erased. Tornadoes left scars across the land so wide they could be seen from space. But from terrible destruction emerged everyday heroes—neighbors and strangers who rescued each other from hell on earth. “Armchair storm chasers will find much to savor in this grippingly detailed, real-time chronicle of nature gone awry” (Kirkus Reviews) set in Alabama, the heart of Dixie Alley where there are more tornado fatalities than anywhere else in the US. With powerful emotion and captivating detail, journalist Kim Cross expertly weaves together science and heartrending human stories. For some, it’s a story of survival; for others it’s the story of their last hours. Cross’s immersive reporting and dramatic storytelling catapult you to the center of the very worst hit areas, where thousands of ordinary people witnessed the sky falling around them. Yet from the disaster rises a redemptive message that’s just as real: in times of trouble, the things that tear our world apart reveal what holds us together.

This is the story of that storm, told through the accounts of fishermen at sea caught up in the maelstrom, of their families waiting anxiously for news, and of the rescue services.
