

Keaton

James L. Neibaur

Then Again Diane Keaton, 2012-05-01 The trade paperback edition of Diane Keaton's unforgettable memoir includes a new Afterword about the bonds between mother and daughter. NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY Janet Maslin, The New York Times • People • Vogue ONE OF THE BEST BOOKS OF THE YEAR —Financial Times • Chicago Sun-Times The Independent • Bookreporter The Sunday Business Post Mom loved adages, quotes, slogans. There were always little reminders pasted on the kitchen wall. For example, the word THINK. I found THINK thumbtacked on a bulletin board in her darkroom. I saw it Scotch-taped on a pencil box she'd collaged. I even found a pamphlet titled THINK on her bedside table. Mom liked to THINK. So begins Diane Keaton's unforgettable memoir about her mother and herself. In it you will meet the woman known to tens of millions as Annie Hall, but you will also meet, and fall in love with, her mother, the loving, complicated, always-thinking Dorothy Hall. To write about herself, Diane realized she had to write about her mother, too, and how their bond came to define both their lives. In a remarkable act of creation, Diane not only reveals herself to us, she also lets us meet in intimate detail her mother. Over the course of her life, Dorothy kept eighty-five journals—literally thousands of pages—in which she wrote about her marriage, her children, and, most probingly, herself. Dorothy also recorded memorable stories about Diane's grandparents. Diane has sorted through these pages to paint an unflinching portrait of her mother—a woman restless with intellectual and creative energy, struggling to find an outlet for her talents—as well as her entire family, recounting a story that spans four generations and nearly a hundred years. More than the autobiography of a legendary actress, *Then Again* is a book about a very American family with very American dreams. Diane will remind you of yourself, and her bonds with her family will remind you of your own relationships with those you love the most. Look for special features inside. Join the Circle for author chats and more.

Keaton, the Man who Wouldn't Lie Down Tom Dardis, 1988 Explores the complex nature of the enigmatic silent-film star through the eyes of his close friends and associates, recreating his vaudeville days, his great successes in the 1920s, and the years of decline

Keaton's Silent Shorts Gabriella Oldham, 2010-08-20 Hardly a neglected artist, Buster Keaton attracts biographers and film scholars capable of incisive comment on his work. He continues to draw the serious attention of both popular writers and scholars because as a comic genius and major comedy filmmaker during the silent age he rivals Charlie Chaplin. Yet writers have focused on the full-length films from 1923 to 1928, when Keaton joined MGM, lost his creative freedom, and began a glide toward oblivion that lasted until his rediscovery in the late 1950s. Filling a major gap in the critical canon, Gabriella Oldham's study of Keaton's nineteen silent short films shot between 1920 and 1923 chronicles the rapid growth in the filmmaker's understanding of what makes both comedy and film successful. Keaton developed his major themes in these nineteen short films: his persona Buster vs. Rival, Nature, Machine, Self, and Fate; his resilient pursuit of love and the efforts he makes to overcome any curves thrown by Fate; and his trademark stone face blocking any display of the passionate emotion he feels about everything he does. These short films clearly indicate Keaton's love of the camera and his concern for composition, symmetry, and images that delight the eye and startle the mind. Oldham reconstructs each of these rarely seen films in such a way as to enable the reader to watch Keaton's performance, devoting a separate chapter to each. She analyzes each film's strengths, weaknesses, and prevalent themes and threads. She also enables readers to plumb the depths of what seems to be surface comedy through philosophical, biographical, historical, and critical commentary, thus linking the shorts together into a cohesive study of Buster Keaton's growth through his three-year independent venture as a filmmaker. Beyond the laughter and beyond the great stone face, Oldham presents a treasure of cinema comedy and a unique philosophy of life as captured by the mature eye of a great filmmaker.

Camera Man Dana Stevens, 2022-01-25 From the chief film critic of Slate comes a fresh and captivating biography on comedy legend and acclaimed filmmaker Buster Keaton that also explores the evolution of film from the silent era to the 1940s. As one of the most famous faces of silent cinema, Buster Keaton was and continues to be revered for his stoic expressions, clever visual gags, and acrobatic physicality in classics such as *Sherlock Jr.*, *The General*, and *The Cameraman*. In this spirited biography, every aspect of Buster Keaton's astonishing life is explored, from his humble beginnings in vaudeville with his parents to his meteoric rise to Hollywood stardom during the silent era. Based on vigorous research of both Keaton and the film industry, it also delves into the dark sides of fame, such as Keaton's ill-advised business deals and alcoholism, to his unexpected resurgence in the 1940s as his contributions as both an actor and director were finally celebrated. This is a fascinating and uniquely astounding look at both the classic era of Hollywood and one of its most beloved stars.

Buster Keaton James Curtis, 2022-02-15 From acclaimed cultural and film historian James Curtis—a major biography, the first in more than two decades, of the legendary comedian and filmmaker who elevated physical comedy to the highest of arts and whose ingenious films remain as startling, innovative, modern—and irresistible—today as they were when they beguiled audiences almost a century ago. It is brilliant—I was totally absorbed, couldn't stop reading it and was very sorry when it ended.—Kevin Brownlow It was James Agee who christened Buster Keaton “The Great Stone Face.” Keaton's face, Agee wrote, ranked almost with Lincoln's as an early American archetype; it was haunting, handsome, almost beautiful, yet it was also irreducibly funny. Keaton was the only major comedian who kept sentiment almost entirely out of his work and . . . he brought pure physical comedy to its greatest heights.” Mel Brooks: “A lot of my daring came from Keaton.” Martin Scorsese, influenced by Keaton's pictures in the making of *Raging Bull*: “The only person who had the right attitude about boxing in the movies for me,” Scorsese said, “was Buster Keaton.” Keaton's deadpan stare in a porkpie hat was as recognizable as Charlie Chaplin's tramp and Harold Lloyd's straw boater and spectacles, and, with W. C. Fields, the four were each considered a comedy king—but Keaton was, and still is, considered to be the greatest of them all. His iconic look and acrobatic brilliance obscured the fact that behind the camera Keaton was one of our most gifted filmmakers. Through nineteen short comedies and twelve magnificent features, he distinguished himself with such seminal works as *Sherlock Jr.*, *The Navigator*, *Steamboat Bill, Jr.*, *The Cameraman*, and his masterpiece, *The General*. Now James Curtis, admired biographer of Preston Sturges (“definitive”—*Variety*), W. C. Fields (“by far the fullest, fairest and most touching account we have yet had. Or are likely to have”—Richard Schickel, front page of *The New York Times Book Review*), and Spencer Tracy (“monumental; definitive”—*Kirkus Reviews*), gives us the richest, most comprehensive life to date of the legendary actor, stunt artist, screenwriter, director—master.

Buster Keaton in His Own Time Wes D. Gehring, 2018-03-14 Gehring remains supreme in film comedy scholarship—Choice Buster Keaton can impress a weary world with the vitally important fact that life, after all, is a foolishly inconsequential affair, wrote critic Robert Sherwood in 1918. A century later Keaton, with his darkly comic theater of the absurd, speaks to audiences like no other silent comedian. If you thought you knew Keaton—think again!

The Fall of Buster Keaton James L. Neibaur, 2010-07-16 Born into a family of vaudevillians, Buster Keaton made his first film appearance in 1917 at the age of 21. By the early 1920s, he had established himself as one of the geniuses of silent cinema with such films as *Sherlock, Jr.* and *The Navigator* and his 1925 work, *The General*, placed at number 18 in the American Film Institute's poll of the 100 greatest features, the highest ranked silent film on the survey. But with the advent of sound in the late 1920s, silent stars like Keaton began to fall out of favor and the great comedian's career began to decline. In *The Fall of Buster Keaton*, James Neibaur assesses Keaton's work during the talking picture era, especially those made at MGM, Educational, and Columbia studios. While giving some attention to the early part of Keaton's career, Neibaur focuses on Keaton's contract work with the three studios, as well as his subsequent work as a gagman, supporting player, and television pitchman. The book also recounts the resurgence of interest in Keaton's silent work, which resulted in a lifetime achievement Oscar and worldwide recognition before his death in 1966. This fascinating account of an artist's struggle and triumph during the more challenging period of his career will be of interest to anyone wanting to learn about one of film's most influential performers.

Buster Keaton's Silent Shorts, 1920-1923 James L. Neibaur, Terri Niemi, 2013 By the mid-1920s, Buster Keaton, had established himself as one of the geniuses of cinema with such films as *Sherlock Jr.*, *The Navigator* and his 1927 work *The General*. But before Keaton ventured into longer works, however, he honed his skills as an actor, writer and director of short films. (Editor).

Buster Keaton Buster Keaton, 2007 Sweeney collects interviews from the beginning of Buster Keaton's career in the 1920s and concludes with his 1950s and 60s television work. The pieces here provide a critical perspective on Keaton's acting and cinematic techniques.

Keaton Daniel Moews, 1977-01

Buster Keaton's *Sherlock Jr.* Andrew Horton, 1997 On the film *Sherlock Jr.* directed by Buster Keaton

The Theater and Cinema of Buster Keaton Robert Knopf, 2018-06-05 Famous for their stunts, gags, and images, Buster Keaton's silent films have enticed everyone from Hollywood movie fans to the surrealists, such as Dalí and Buñuel. Here Robert Knopf offers an unprecedented look at the wide-ranging appeal of Keaton's genius, considering his vaudeville roots and his ability to integrate this aesthetic into the techniques of classical Hollywood cinema in the 1920s. When young Buster was being hurled about the stage by his comically irate father in the family's vaudeville act, *The Three Keatons*, he was perfecting his acrobatic skills, timing, visual humor, and trademark stone face. As Knopf demonstrates, such theatrics would serve Keaton well as a film director and star. By isolating elements of vaudeville within works that have previously been considered classical, Knopf reevaluates Keaton's films and how they function. The book combines vivid visual descriptions and illustrations that enable us to see Keaton at work staging his memorable images and gags, such as a three-story wall collapsing on him (*Steamboat Bill, Jr.*, 1928) and an avalanche of boulders chasing him down a mountainside (*Seven Chances*, 1925). Knopf explains how Keaton's stunts and gags served as fanciful departures from his films' storylines and how they nonetheless reinforced a strange sense of reality, that of a machine-like world with a mind of its own. In comparison to Chaplin and Lloyd, Keaton made more elaborate use of natural locations. The scene in *The Navigator*, for example, where Buster brandishes a swordfish to fend off another swordfish derives much of its power from actually being shot under water. Such hyper-literalism was but one element of Keaton's films that inspired the surrealists. Exploring Keaton's influence on Salvador Dalí, Luis Buñuel, Federico García Lorca, and Robert Desnos, Knopf suggests that Keaton's achievement extends beyond Hollywood into the avant-garde. The book concludes with an examination of Keaton's late-career performances in Gerald Potterton's *The Railrodder* and Samuel Beckett's *Film*, and locates his legacy in the work of Jackie Chan, Blue Man Group, and Bill Irwin.

Arbuckle and Keaton James L. Neibaur, 2015-02-18 From 1917 to 1919, Joseph Schenck produced a series of Comique comedies starring master movie comedian Roscoe "Fatty" Arbuckle and featuring an apprentice, Joseph Frank "Buster" Keaton. These films were initially deemed significant by modern archivists for representing the first movie appearances of Keaton, widely considered one of the most important figures in motion picture history. But the Comique films also remain the most important of Arbuckle's career because they feature him at the height of his cinematic genius and powers. The 14 short comedies starring Arbuckle and Keaton are incredibly important to the history of cinema and are analyzed in this book. After two chapters of biographical introductions, the rest of the book discusses their collaborative efforts and reveals the way in which the films evolved from Arbuckle's wild slapstick to feature more of the subtlety and cleverness of Keaton. Closing sections discuss what became of Arbuckle and Keaton afterward, commenting significantly on the scandal that undermined Arbuckle's career.

My Wonderful World Of Slapstick Buster Keaton, Charles Samuels, 2015-11-06 Over half century ago the society for the Prevention of Cruelty to Children complained to Mayor Van Wyck, of New York, that Joe Keaton, a vaudeville actor, was brutally mistreating his five-year old son. At each afternoon and evening performance the child, billed as "The Human Mop", was slammed on the floor, hurled into the wings, and sometimes banged into bass drums. Unable to find a bruise or scratch on the lad, Mayor Van Wyck refused to ban the act. The "Human Mop" bounced on to worldwide fame as Buster Keaton, one of this century's greatest comedians. In this intimate autobiography Buster Keaton tells his whole personal and professional story, beginning with his colourful and exciting childhood as the undentable tot in the "Three Keatons" whose proudest boast was having the rowdiest, roughest act in vaudeville. Buster has played with all the great ones, from George M. Cohen and Bojangles Robinson and Al Jolson to Jack Paar and Ed Sullivan and Red Skelton, during his sixty years as a star in vaudeville, silent and talking pictures, night clubs and television. Roscoe (Fatty) Arbuckle got him into the movies and taught him how to throw a custard pie. Buster could not even keep slapstick out of his eleven months as a draftee in our World War I army. He came out to help create the Golden Age of Comedy with his friends Charlie Chaplin, Harold Lloyd, Arbuckle, Mack Sennett and the Keystone Cops. Marital troubles and alcoholism once got Buster down, but could not keep him down. *MY WONDERFUL WORLD OF SLAPSTICK* was written with the collaboration of Charles Samuels, co-author of *His Eye Is On the Sparrow*, Ethel Waters' best-selling autobiography. *Buster Keaton's Life Story* will enchant and thrill all those who enjoy looking past the glitter and the grease paint into a magnificent performer's mind and heart.

Keaton Rudi Blesh, 1971

Buster Keaton: Cut to the Chase Marion Meade, 2014-04-01 An American icon, Joseph Frank "Buster" Keaton is easily acknowledged as one of the greatest filmmakers in early cinema and beyond. His elaborate slapstick made audiences scream with laughter. But, his stone face hid an internal turmoil. In *BUSTER KEATON: CUT TO THE CHASE*, biographer Marion Meade seamlessly lays out the life and works of this comedy genius who lacked any formal education. "Buster" made his name as a child of vaudeville, thrown around the stage by his father in a cartoon pantomime of very real abuse. The lessons he carried forward from that experience translated into some of the greatest silent films of all time. Keaton wrote, directed, performed, and edited dozens of features and shorts, including his masterpiece, *The General*. However, those early scars also led to decades of drinking and mistreatment of women. Keaton saw huge successes, Hollywood sex scandals, years of neglect from studios and audiences, and finally a shaky resurrection that assured his place in Hollywood's film canon. Meticulously researched, this book brings together four years of research and hundreds of interviews to paint a nuanced portrait of a compelling artist. No comedy fan or film buff should miss this insider story of the man behind the stone face.

Keaton Diane Rollman, 2010-09-30 Keaton enjoys being a part of the family. He learns an important lesson when Aunt Diane comes to visit. Sometimes you have to adjust and make sacrifices for the good of the family.

Buster Keaton Imogen Sara Smith, 2008-09-01 Smith tells of the most dazzling and enigmatic of the silent clowns, a man who began his career in vaudeville as one-third of the Three Keatons at age four only to fall from grace with shattering swiftness in the early 1930s before eventually making a comeback on television in the 1950s.

Travolta to Keaton Rex Reed, 1980-05

Diane Keaton Deborah C. Mitchell, 2001-08-09 In the past 30 years, Diane Keaton has been an actress, a director and a photographer. This work begins with her early years in California, but the primary focus is on her film career from the 1970s through the present. The author examines Keaton's image as star and public figure, drawing on information from interviews (including personal conversations with Keaton), feature pieces, press releases, books, photographs, posters, films, and reviews of films. Each chapter provides an overview of the significant events and influences in Keaton's life during a particular period, along with a thematic and stylistic analysis of that period's feature films, television movies, and photography. The film analyses include an examination of themes and

technical elements such as cinematography, mise-en-scene, movement, editing, sound, acting, costumes, set, and narrative structures.

This book delves into Keaton. Keaton is a crucial topic that needs to be grasped by everyone, from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Keaton, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:

- Chapter 1: Introduction to Keaton
- Chapter 2: Essential Elements of Keaton
- Chapter 3: Keaton in Everyday Life
- Chapter 4: Keaton in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, this book will provide an overview of Keaton. This chapter will explore what Keaton is, why Keaton is vital, and how to effectively learn about Keaton.

3. In chapter 2, this book will delve into the foundational concepts of Keaton. This chapter will elucidate the essential principles that need to be understood to grasp Keaton in its entirety.

4. In chapter 3, this book will examine the practical applications of Keaton in daily life. The third chapter will showcase real-world examples of how Keaton can be effectively utilized in everyday scenarios.

5. In chapter 4, this book will scrutinize the relevance of Keaton in specific contexts. This chapter will explore how Keaton is applied in specialized fields, such as education, business, and technology.

6. In chapter 5, this book will draw a conclusion about Keaton. This chapter will summarize the key points that have been discussed throughout the book.

The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Keaton.

Table of Contents Keaton

1. Understanding the eBook Keaton	▪ Creating a Diverse Reading Collection Keaton	saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Keaton books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Keaton books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Keaton books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a

Keaton Introduction

In today's digital age, the availability of Keaton books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Keaton books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Keaton books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Keaton versions, you eliminate the need to spend money on physical copies. This not only

library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Keaton books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Keaton books and manuals for download and embark on your journey of knowledge?

FAQs About Keaton Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Keaton is one of the best book in our library for free trial. We provide copy of Keaton in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Keaton. Where to download Keaton online for free? Are you looking for Keaton PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are

numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Keaton. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Keaton are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Keaton. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Keaton To get started finding Keaton, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Keaton So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Keaton. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Keaton, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Keaton is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Keaton is universally compatible with any devices to read.
