We Need to Talk About Kevin Lionel Shriver,2011-05-01 The inspiration for the film starring Tilda Swinton and John C. Reilly, this resonant story of a mother's unsettling quest to understand her teenage son's deadly violence, her own ambivalence toward motherhood, and the explosive link between them remains terrifyingly prescient. Eva never really wanted to be a mother. And certainly not the mother of a boy who murdered seven of his fellow high school students, a cafeteria worker, and a much-adored teacher in a school shooting two days before his sixteenth birthday. Neither nature nor nurture exclusively shapes a child's character. But Eva was always uneasy with the sacrifices and social demotion of motherhood. Did her internalized dislike for her own son shape him into the killer he's become? How much is her fault? Now, two years later, it is time for her to come to terms with Kevin's horrific rampage, all in a series of startlingly direct correspondences with her estranged husband, Franklin. A piercing, unforgettable, and penetrating exploration of violence and responsibility, a book that the Boston Globe describes as "impossible to put down," is a stunning examination of how tragedy affects a town, a marriage, and a family.

He can cast spells with magically enchanted ink and he uses his gifts to protect our world from rogue minions of various pantheons, especially the Fae. But he is also cursed. Anyone who hears his voice will begin to feel an inexplicable hatred for Al, so he can only communicate through the written word or speech apps. And his apprentices keep dying in peculiar freak accidents. As his personal life crumbles around him, he devotes his life to his work, all the while trying to crack the secret of his curse. But when his latest apprentice, Gordie, turns up dead in his Glasgow flat, Al discovers evidence that Gordie was living a secret life of crime. By mapping the behavior of life, we paradoxically get a glimpse at where technology is headed—or what it wants. Kevin Kelly offers a dozen trajectories in the coming decades for this near-living system. And as we align ourselves with technology's agenda, we can capture its colossal potential. This visionary and optimistic book explores how technology gives our lives greater meaning and is a must-read for anyone curious about the future.

Ancient and beautiful traditions in Asia that are rapidly disappearing are recorded here in 9,000 images on 1,000 pages. The author has visited 35 countries in Asia and has travelled to the end of the road in its most remote places to capture the costumes, architecture, festivals, and lifestyles that are vanishing. The diverse cultures range from Turkey in the west to Japan in the east, from Siberia in the north to Indonesia in the south, and everything in between. Volume 1 covers West Asia, Volume 2 Central Asia, and Volume 3 East Asia. Every one of its 1,000 pages is uniquely designed, and every one of its 9,000 images is captioned. This is an ambitious and extreme passion project that the author/photographer has worked on for 49 years. Many of the scenes depicted in the book are now gone from the world, and others are becoming rarer by the

day. There is no other book like it.

There’s only one Al MacBharrais: Though other Scotsmen may have dramatic mustaches and a taste for fancy cocktails, Al also has a unique talent. He’s a master of ink and sigil magic. In his gifted hands, paper and pen can work wondrous spells. But Al isn’t quite alone: He is part of a global network of sigil agents who use their powers to protect the world from mischievous gods and strange monsters. So when a fellow agent disappears under sinister circumstances in Australia, Al leaves behind the cozy pubs and cafes of Glasgow and travels to the Dandenong Ranges in Victoria to solve the mystery. The trail to his colleague begins to pile up with bodies at alarming speed, so Al is grateful his friends have come to help—especially Nadia, his accountant who moonlights as a pit fighter. Together with a whisky-loving hobgoblin known as Buck Foi and the ancient Druid Atticus O’Sullivan, along with his dogs, Oberon and Starbuck, Al and Nadia will face down the wildest wonders Australia—and the supernatural world—can throw at them, and confront a legendary monster not seen in centuries.

*Kevin's Smile (LitPocket Edition)* Beth Munday-Vansant,2015-12-28 When Kevin was sixteen, he was ready to face the typical challenges of a teenager. He was looking forward to building memories of high school days, going to the prom with his special girl, and planning for college to fulfill his dream of becoming a veterinarian. The picture of a Lamborghini on his bedroom wall illustrated his dream car. Then, on January 16, 1991, life threw him a curve-in a matter of seconds, Kevin went from a healthy, happy teenager to a brain-damaged, paralyzed child. Who could have dreamed someone so young, healthy, and focused could have a stroke? But through it all, Kevin has shown the world how to overcome adversity. In the past fifteen years, he has used his smile to let others know that there is always hope. That curve destroyed many of his dreams, but it did not destroy his determination to succeed. It did not destroy his smile... Beth Munday-Vansant was raised

in North Carolina. She now lives in southern California with her husband, Rick, and her son Kevin. Beth teaches fourth grade at Mango Elementary School. Tod and Heather live nearby, so when Beth isn't working she enjoys spending time with her grandson, Dylan.

**Kevin The Vampire** Will Madden,2016-10-02 Kevin is pretty cool with being uncool. Back in the '80s, he did it all. The spiked mohawk, the chains, the stompin' boots, the punk rock clubs. Brawl by brawl, he made name for himself as the most kickass vampire in Lower Manhattan. But after his friends got staked, he decided to lay low. Today he lives in an abandoned church in rural Ohio. His hobbies include playing Billy Joel on the organ and painting the statuary with nail polish from Walgreens. And, yes, it's Kevin. Just Kevin, thanks. But now, an odd figure from his past brings troubling news. A rogue vampire has launched a plan to turn the world into a hell for living and undead alike. And the Council of Ancients will do nothing to stop it. The visitor proposes an alliance. Stomp out this miscreant, seize power from the old order, and rule with an iron fist. Sounds dreadful! But what choice does Kevin have? Stay behind and continue his affair with colorful handknit socks? Can Kevin save both the world and the things he loves about it most? Or must darkness consume him, whether he becomes a hero or not? This unique vampire tale is full of strange characters, offbeat humor, intrigue, and plot twists. Check it out today!
