We Need to Talk About Kevin Lionel Shriver,2011-05-01 The inspiration for the film starring Tilda Swinton and John C. Reilly, this resonant story of a mother's unsettling quest to understand her teenage son's deadly violence, her own ambivalence toward motherhood, and the explosive link between them remains terrifyingly prescient. Eva never really wanted to be a mother. And certainly not the mother of a boy who murdered seven of his fellow high school students, a cafeteria worker, and a much-adored teacher in a school shooting two days before his sixteenth birthday. Neither nature nor nurture exclusively shapes a child's character. But Eva was always uneasy with the sacrifices and social demotion of motherhood. Did her internalized dislike for her own son shape him into the killer he's become? How much is her fault? Now, two years later, it is time for her to come to terms with Kevin's horrific rampage, all in a series of startlingly direct correspondences with her estranged husband, Franklin. A piercing, unforgettable, and penetrating exploration of violence and responsibility, a book that the Boston Globe describes as "impossible to put down," is a stunning examination of how tragedy affects a town, a marriage, and a family.

The Kid Kevin Lewis, 2004-03-04 Kevin Lewis grew up on a council estate in South London. Beaten and starved by his parents, ignored by the social services and bullied at school, he was offered a chance to escape this nightmare world and was put into care. Despite his best efforts to make things work out, his life spiralled out of control. At the age of 17 he became caught up in the criminal underworld of London, where he was known as 'The Kid'. From the violent anger he suffered at the hands of his mother and father, to the continuous torments at school; from the way in which he coped with rejection from people he trusted, to suffering from bulimia and a wish to take his own life, Kevin succeeded in making a better life for himself. This is his story ..

The View From the Seventh Layer Kevin Brockmeier, 2009-03-10 Peering into the often unnoticed corners of life, Kevin Brockmeier has been consistently praised for the originality of his vision, the boundlessness of his imagination and the command of his craft. Once again, in this new collection of fiction, Brockmeier shows us a fantastical world that is intimately familiar but somehow distant and beautiful. From the touching title story, where a young, antisocial woman imagines her escape into the sky with an apparition only she can see, to the haunting story of a pastor tempted by something less than divine, Brockmeier moves effortlessly from the extraordinary to the everyday, while challenging us to see the world anew. Stunning, elegant, profound, and playful, *The View from the Seventh Layer* cements Kevin Brockmeier's place as one of the most creative and compassionate writers of his generation.

Brutal Kevin Weeks, Phyllis Karas, 2009-03-17 I grew up in the Old Colony housing project in South Boston and became partners with James Whitey Bulger, who I always called Jimmy. Jimmy and I, we were unstoppable. We took what we wanted. And we made people disappear—permanently. We made millions. And if someone ratted us out, we killed him. We were not nice guys. I found out that Jimmy had been an FBI informant in 1999, and my life was never the same. When the feds finally got me, I was faced with something Jimmy would have killed me for—cooperating with the authorities. I pled guilty to twenty-nine counts, including five murders. I went away for five and a half years. I was brutally honest on the witness stand, and this book is brutally honest, too; the brutal truth that was never before told. How could it? Only three people could tell the true story. With one on the run and one in jail for life, it falls on me.

Fry bread is food. It is warm and delicious, piled high on a plate. Fry bread is time. It brings families together for meals and new memories. Fry bread is nation. Things that Fall from the Sky Kevin Brockmeier, 2007-12-18 Weaving together loss and anxiety with fantastic elements and literary sleight-of-hand, Kevin Brockmeier's richly imagined *Things That Fall from the Sky* views the nagging realities of the world through a hopeful lens. In the deftly told "These Hands," a man named Lewis recounts his time babysitting a young girl and his inconsolable sense of loss after she is wrenched away. In "Apples," a boy comes to terms with the complex world of adults, his first pangs of love, and the bizarre death of his Bible coach. "The Jesus Stories" examines a people trying to accelerate the Second Coming by telling the story of Christ in every possible way. And in the O. Henry Award winning "The Ceiling," a man's marriage begins to disintegrate after the sky starts slowly descending. Achingly beautiful and deceptively simple, *Things That Fall from the Sky* defies gravity as one of the most original story collections seen in recent years.

Okay Kevin James Dillon, 2017-04-21 Kevin never smiles at school, but he is different at home. He jumps up and down when his favorite football team scores a touchdown, and screams CANNONBALL! when he jumps into the swimming pool. But at school he feels that he isn't 'okay.' Other kids in his class are much quicker at putting their hands up and answering the teacher's questions, and Kevin feels that he will never catch up. One day, his reading teacher asks him to help out with the school store, and Kevin slowly begins to realise that he had really been 'a okay' all along. Through providing an insight into Kevin's thoughts, feelings and coping strategies, this picture book for ages 5-8 is a source of support for children who, like Kevin, find school difficult and feel that they are 'behind' their peers. The book, which draws on the author's experiences as the principal of an elementary school, is also the perfect springboard for discussion around difficulties at school, academic ability, self-esteem, confidence and recognising strengths.

I Can't Make This Up Kevin Hart, 2017-06-06 New York Times bestselling author, superstar comedian, and Hollywood box office star Kevin Hart turns his immense talent to the written word in this "hilarious but also heartfelt" (Elle) memoir on survival, success, and the importance of believing in yourself. The question you're probably asking yourself right now is: What does Kevin Hart have that a book also has? According to the three people who have seen Kevin Hart and a book in the same room, the answer is clear: A book is compact. Kevin Hart is compact. A book has a spine that holds it together. Kevin Hart has a spine that holds him together. A book has a beginning. Kevin Hart's life uniquely qualifies him to write this book by also having a beginning. It begins in North Philadelphia. He was born an accident, unwanted by his parents. His father was a drug addict who was in and out of jail. His brother was a crack dealer and petty thief. And his mother was overwhelmingly strict, beating him with belts, frying pans, and his own toys. The odds, in short, were

stacked against our young hero. But Kevin Hart, like Ernest Hemingway, J.K. Rowling, and Chocolate Droppa before him, was able to defy the odds and turn it around. In his literary debut, he takes us on a journey through what his life was, what it is today, and how he's overcome each challenge to become the man he is today. And that man happens to be the biggest comedian in the world, with tours that sell out football stadiums and films that have collectively grossed over \$3.5 billion. He achieved this not just through hard work, determination, and talent. "Hart is an incredibly magnetic storyteller, on the page as he is onstage, and that's what shines through [in this] genial, entertaining guide to a life in comedy" (Kirkus Reviews).

Nothing to See Here Kevin Wilson, 2019-10-29 A New York Times Bestseller • A Read with Jenna Today Show Book Club Pick! Named a Best Book of the Year by The New York Times Book Review, The Washington Post, People, Entertainment Weekly, USA Today, TIME, The A.V. Club, BuzzFeed, and PopSugar "I can't believe how good this book is.... It's wholly original. It's also perfect.... Wilson writes with such a light touch.... The brilliance of the novel [is] that it distracts you with these weirdo characters and mesmerizing and funny sentences and then hits you in a way you didn't see coming. You're laughing so hard you don't even realize that you've suddenly caught fire." —Taffy Brodesser-Akner, author of *Fleishman is in Trouble*, New York Times Book Review From the New York Times bestselling author of *The Family Fang*, a moving and uproarious novel about a woman who finds meaning in her life when she begins caring for two children with a remarkable ability. Lillian and Madison were unlikely roommates and yet inseparable friends at their elite boarding school. But then Lillian had to leave the school unexpectedly in the wake of a scandal and they've barely spoken since. Until now, when Lillian gets a letter from Madison pleading for her help. Madison's twin stepkids are moving in with her family and she wants Lillian to be their caretaker. However, there's a catch: the twins spontaneously combust when they get agitated, flames igniting from their skin in a startling but beautiful way. Lillian is convinced Madison is pulling her leg, but it's the truth. Thinking of her dead-end life at home, the life that has consistently disappointed her, Lillian figures she has nothing to lose. Over the course of one humid, demanding summer, Lillian and the twins learn to trust each other—and stay cool—while also staying out of the way of Madison's buttoned-up politician husband. Surprised by her own ingenuity yet unused to the intense feelings of protectiveness she feels for them, Lillian ultimately begins to accept that she needs these strange children as much as they need her—urgently and fiercely. Couldn't this be the start of the amazing life she'd always hoped for? With white-hot wit and a big, tender heart, Kevin Wilson has written his best book yet—a most unusual story of parental love.

The Complexities of John Hejduk's Work J. Kevin Story, 2020-06-09 This book traces the development of John Hejduk's architectural career, using the idea of exorcism to uncover his thought process when examining architectural designs. His work encouraged profound questioning on what, why and how we build, which allowed for more open discourse and enhance the phenomenology found in architectural experiences. Three distinct eras in his architectural career are applied to analogies of outlines, apparitions and angels throughout the book across seven chapters. Using these thematic examples, the author investigates the progression of thought and depth inside the architect's imagination by studying key projects such as the Texas houses, Wall House, Architectural Masques and his final works. Featuring comments by Gloria Fiorentino Hejduk, Stanley Tigerman, Steven Holl, Zaha Hadid, Charles Jencks, Phyllis Lambert, Juhani Pallasmaa, Toshiko Mori and others, this book brings to life the intricacies in the mind of John Hejduk, and would be beneficial for those interested in architecture and design in the 20th century.
