Teach Them Diligently Leslie Nunnery, 2018-03-06 It's easy to say we trust Christ for everything, but are we living that truth? We've been given clear instruction in a powerful promise for parents. God tells us in Deuteronomy to "teach our children diligently." This passage and many others give us great insight as to how to do that and enjoy the promised blessing that always accompanies the mandates we are given. Learn the practical view of discipleship parenting, what God expects from parents, and how to put these truths into action. See how parenting with the vision of teaching them diligently will intentionally bear fruit and affect change in your own life as well. Move beyond giving lip-service to what you believe, and make the conscious choice to rely on the wisdom of God's holy instruction for your life and parenting. So, why are we as Christian parents still uncertain? Why do we live in fear? Why are we losing our children in record numbers? What can we do about it?

The Last Lecture Randy Pausch, 2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled *The Last Lecture*. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed

with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.
