

# Kimono&sortm

Keiko Nitnai

**The Kimono Inspiration** Textile Museum (Washington, D.C.),1996 The book explores the use and meaning of the kimono in America and traces the transformation of the garment from its ethnic origins, through its many appearances in fine art, costume, and high fashion, to its role in the contemporary Art-to-Wear Movement. It explores the American use of the kimono as a garment, as a symbol, and as an art form.

*Making Kimono and Japanese Clothes* Jenni Dobson,2018-10-26 A practical and inspirational book for dressmakers, quilters and embroiderers who have long coveted the style of Japanese clothes, in particular the kimono. Expert dressmaker and quilter Jenni Dobson takes you through the techniques for making Japanese clothes with simple step-by-step processes, but goes further, covering details on Japanese design and the various techniques for embellishing Japanese clothes. Colourfully illustrated with images of finished garments as well as practical diagrams and patterns for dressmaking, the author has deliberately made all the garments accessible even for those with limited experience of dressmaking, but there are plenty of ideas to inspire those more accomplished readers.

**Knit Kimono Too** Vicki Square,2013-05-15 From the bestselling author of Knit Kimono comes a brand new collection of kimono and Asian-inspired tops with simple shapes and unique details. In more than 20 new designs, Vicki Square has created a pattern collection of kimonos and other Asian-inspired tops, tunics, and vests, blending traditional inspiration with projects that contemporary knitters can't resist. You'll love the stunning look of each kimono design and relish in the easy-to-follow instructions for shaping and construction. Knit Kimono Too focuses on lighter weight knits for layering, plus unique stitch patterns, colorwork, and openwork designs. Vicki also offers innovative shaping, interesting closures and edgings, and clever knitting techniques. Each project--from vests, coats, lightweight shells, and short-sleeve tops to a wide assortment of kimono jackets featuring various weights of yarn--is shown off in clear photography and step-by-step instructions. The special techniques and stitches that make these garments so elegantly wearable include two-color slip stitch, surface embroidery, two-hand stranded colorwork, garter-stitch shortrows, attaching knitted cord, making origami folds, double knitting, and more.

*Reading the Kimono in Twentieth-Century Japanese Literature and Film* Michiko Suzuki,2023-08-31 Often considered an exotic garment of traditional Japan, the kimono is in fact a vibrant part of Japanese modernity, playing an integral role in literature and film throughout the twentieth century. Reading the Kimono in Twentieth-Century Japanese Literature and Film is the first extended study to offer new ways of interpreting textual and visual narratives through kimono language--what these garments communicate within their literary, historical, and cultural contexts. Kimonos on the page and screen do much more than create verisimilitude or function as one-dimensional symbols. They go beyond simply indicating the wearer's age, gender, class, and taste; as eloquent, heterogeneous objects, they speak of wartime and postwar histories and shed light on everything from gender politics to censorship. By reclaiming kimono language--once a powerful shared vernacular--Michiko Suzuki accesses inner lives of characters, hidden plot points, intertextual meanings, resistant messages, and social commentary. Reading the Kimono examines modern Japanese literary works and their cinematic adaptations, including Tanizaki Jun'ichirō's canonical novel, *The Makioka Sisters*, and its film versions, one screened under the US Occupation and another directed by Ichikawa Kon in 1983. It also investigates Kōda Aya's *Kimono and Flowing*, as well as Naruse Mikio's 1956 film adaptation of the latter. Reading the Kimono additionally advances the study of women writers by discussing texts by Tsuboi Sakae and Miyao Tomiko, authors often overlooked in scholarship despite their award-winning, bestselling stature. Through her analysis of stories and their afterlives, Suzuki offers a fresh view of the kimono as complex material to be read. She asks broader questions about the act of interpretation, what it means to explore both texts and textiles as inherently dynamic objects, shaped by context and considered differently over time. Reading the Kimono is at once an engaging history of the modern kimono and its representation, and a significant study of twentieth-century Japanese literature and film.

Kimono, Vanishing Tradition Cheryl Imperatore,Paul MacLardy,Tena Turner,2016 History -- Yukata-cotton robes -- Nagajuban-undergarments -- Women's kimono -- Tomesode-kimono for formal occasions -- The obi and accessories -- Women's haori-short silk jackets -- Michiyuki-overcoats -- Men's apparel -- Uchikake and furisode -- Children's kimono -- Furoshiki & fukusa-ceremonial cloths -- Religious & ceremonial wear -- Fragments into finery-Japanese textiles renewed

**Suki's Kimono** Chieri Uegaki,2003-09-01 Suki's very favorite thing is her blue cotton kimono and she is determined to wear it on her first day back to school--no matter what anyone says.

The Kimono Jane Kohut-Bartels,2018-09-27 The Kimono tells the story of Mari, a 21st century woman in an unhappy marriage who is mysteriously transported to 17th century Japan where she meets the powerful daimyo, Lord Tetsu Hakuto. As her adventure unfolds, Mari struggles to reconcile the conflict between her modern sensibilities, the ancient culture in which she finds herself and her attraction to the charismatic Lord Tetsu. Rich in historic detail, The Kimono will take the reader on an exhilarating journey to another world and another time, replete with political intrigue, fierce battles, a pilgrimage, haiku and magical birds.

**Kimono Design** Keiko Nitani,2017-05-16 Kimono Design: An Introduction to Textiles and Patterns uses hundreds of photographs and a wealth of information on colors, fabrics and embellishments to paint a portrait of Japanese culture, art and thought. Lavish classical patterns, sweeping scenes, and the many motifs that have been woven, dyed, painted or embroidered into these textiles reveal a reflectiveness, a sense of humor, and an appreciation of exquisite beauty that is uniquely Japanese. Organized according to motifs traditionally associated with each season of the year, Kimono Design interprets the kimono's special language as expressed in depictions of: Flowers and grasses Birds and other animals Symbols of power, luck and prestige Land-and-seascapes scenes from literature, history and daily life scenes of travel and the Japanese concept of other lands and many others... Extensive notes on all the motifs demonstrate how the kimono reflects changing times and a sense of the timeless. Information on jewelry, hairpins and other accessories is scattered throughout to give a fuller sense of the Japanese art of dress. This is a volume that Japanophiles, historians, artists and designers will all cherish.

**A Dictionary of Costume and Fashion** Mary Brooks Picken,2013-07-24 Compendium defines over 10,000 words associated with wearing apparel and fashion. From bateau necklines to trilbys and vamps, words are grouped alphabetically according to dress parts, fabrics, and other style categories. Over 750 illustrations.

Knit Kimono Vicki Square,2013-02-01 From casual to formal, the kimono shape has endured for centuries as an internationally recognized icon of Japanese life and culture. With 18 original designs, each a knitted interpretation of a traditional kimono style, this handbook makes knitting homemade kimonos deceptively easy. Projects are based on rectangular forms that require very little shaping, and are ideal first-garment projects for knitters wanting to venture beyond scarves. Clever details in stitch patterns and edgings, such as the use of silk, linen, and bamboo yarns, add sophistication and elegance to even the simplest designs. The flattering drape and luxurious style of the kimono will appeal to veteran and beginning knitters alike.

**The Japan Financial and Economic Monthly** ,1913

**Kimono** John Paris (pseud.),1922

**Japanese Kimono Designs** Shōjirō Nomura,Tsutomu Ema,2012-08-02 This unique design treasury, consisting of lavish full-color pictures of a vibrant array of kimonos, is reproduced directly from two rare and costly original portfolios.

American Farming ,1912

*Okimono Kimono* Mokona,2010 Here's an exciting and charming addition to the CLAMP collection of works! CLAMP artist Mokona loves the art of traditional Japanese kimono. In fact, she designs kimono and kimono accessories herself and shares her love in *Okimono Kimono*, a fun and lavishly illustrated book full of drawings and illustrations, interviews (including an interview with Ami of the J-pop duo Puffy AmiYumi!), and even short manga stories from the CLAMP artists. Fans of CLAMP will love *Okimono Kimono* for the personal glimpse of Mokona's kimono obsession, and people who love the traditional Japanese arts will appreciate the love and detail Mokona puts into her work.

*The Grizzly Bear* ,1909

*The Japanese Tea Ceremony – An Introduction* Kaeko Chiba,2022-12-20 This book provides a comprehensive introduction to chado, the Japanese tea ceremony. Unlike other books on the subject, which focus on practice or historical background or specific issues, this book considers the subject from multiple perspectives. It discusses Japanese aesthetics and philosophy, outlines how the tea ceremony has developed, emphasizing its strong links to Zen Buddhism and the impact of other religion influences, and examines how chado reflects traditional gender and social status roles in Japan. It goes on to set out fully the practice of chado, exploring dress, utensils, location – the garden and the tea house – and the tea itself and accompanying sweets. Throughout, the book is illustrated both with images and with examples of practice. The book will be of interest to a wide range of people interested in chado – university professors and students, tourists and people interested in traditional Japanese arts.

Mirror of Japan Yamato No Kagami Dorsey Reaser,2006 Mirror of Japan, Yamato No Kagami, is a light accounting of Japanese history, tales, and customs of Shinto spirits. It was a land of rules and absolute behavior, where every move was strictly proscribed, where was more important than substance, and every person was ON STAGE at all times. The sliding open of a door brought to the level of a one-act play. A land where persons killing themselves were required to do so with style and grace. Treachery and betrayal were commonplace and honorable, but wearing an incorrect outfit to court was unforgivable. Forty-seven samurai were sentenced to suicide for proving that point of honor by killing a guilty trickster. Their crime: Not filing proper notice of their intentions. The Forty Seven Samurai are all buried under their headstones. There are in fact forty-eight headstones, but that's another story. In honor of Lafcadio Hearn, who spent his life teaching English to Japanese children. His insight and written observation of Japanese customs and social behavior were helpful in writing this book. Oh, he was from Ohio, which is the Japanese word for Good Morning.

Thank you enormously much for downloading **Kimono&sortm**.Maybe you have knowledge that, people have look numerous times for their favorite books behind this Kimono&sortm, but end stirring in harmful downloads.

Rather than enjoying a fine ebook like a mug of coffee in the afternoon, on the other hand they juggled afterward some harmful virus inside their computer. **Kimono&sortm** is affable in our digital library an online right of entry to it is set as public consequently you can download it instantly. Our digital library saves in combined countries, allowing you to get the most less latency times to download any of our books later this one. Merely said, the Kimono&sortm is universally compatible like any devices to read.

Table of Contents Kimono&sortm

<b>Table of Contents Kimono&amp;sortm</b>		<p>science, history, and much more. One notable platform where you can explore and download free Kimono&amp;sortm PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability.
