Everybody Kirigami! Mitsuhiro Imamori, 2014-02-25 To Mitsuhiro Imamori, there is nothing more fun than grabbing a pair of scissors and participating in kirigami. With little more than some paper and a trusted pair of scissors all sorts of beautiful papercrafts can be made by folding, flipping and ultimately cutting sheets of paper. And nothing can rival the smiles that arise when someone is taught how to kirigami. Imagine making delicate snowflakes or beautiful flowers with a few flicks of the wrist. And for more advanced paper-craft artists more complicated designs can be achieved through practice and ingenuity. Everybody Kirigami! brings the joy that Mr. Imamori has experienced teaching kirigami in Japan to a Western audience. The concept is simple - transform a simple sheet of paper into a piece of art by folding and cutting. But Imamori's vision of Kirigami has many more applications. His patterns can be used for their functionality, by utilizing them with cloth for appliques, cutting into fabric or vinyl for decorations and for design use in the realms of book binding and card making. Featuring 72 clever designs and a range of different cutting techniques crafters can, with little effort, make their own cutouts for display, decoration, or embellishment. Once they've mastered the basics, Imamori provides ideas to help crafters come up with their own original projects. Everybody Kirigami comes with 30 pages of ready-to-fold-and-cut patterns, on both craft paper and delicate Japanese rice paper, along with dozens of stencils to quickly get eager crafters going!

LA Graffiti Black Book David Brafman, 2021-04-13 This collection of unique works by 150 Los Angeles graffiti and tattoo artists represents an unprecedented collaboration across the city's diverse artistic landscape. Many graffiti artists carry sketchbooks, called black books, and they ask crew members and others whose work they admire to inscribe their books with lettering or drawings. A few years ago, the Getty Research Institute invited artists, including Angst, Axis, Big Sleeps, Chaz, Cre8, Defer, EyeOne, Fishe, Heaven, Hyde, Look, ManOne, and Prime, to consider the idea of a citywide graffiti black book. During visits to the Getty Center, the artists viewed rare books related to calligraphy and letterforms, including works by Albrecht Dürer and Leonardo da Vinci. The artists instantly recognized the connections to their own practices and were particularly drawn to a liber amicorum (book of friends), a form of autograph book popular in the seventeenth century. Passed from hand to hand, it was filled with signatures, poetry, and coats of arms, like a black book from another era. Inspired by this meeting of minds across centuries, these artists became both creators and curators, crafting their own pages and inviting others to contribute. Eventually 150 Los Angeles artists decorated 143 individual pages. These were bound together into an exquisite artists' book that became known as the Getty Graffiti Black Book. This publication reproduces each page from the

original artists' book and recounts the story of an unprecedented collaboration across the diverse artistic landscape of Los Angeles.
