Kirsten's Mission Merrillee Whren, 2022-12-06

Nurse Kirsten Bailey believes family comes first. She refuses to cut former army medic Brady Hewitt any slack for not responding immediately to his ill grandmother's plea for his presence. Brady has a good reason for his tardiness, and he wants to show the pretty but prickly nurse that her first impression of him is wrong. While they work together to help his grandmother and two young boys, Kirsten sees the sincerity of Brady's kindness and charm. Kirsten wants to return to the mission field, so falling for Brady is out of the question. But she can't dismiss the idea that he might be the man who will make her stay forever. *The Village of Hope: A community built on service and love*

With an introduction by dramatist-poet Fiona Templeton, this collection gathers together for the first time a trilogy of significant works from one of the US' most lauded dramatists of the avant-garde.

Kieran Hurley Plays 1 Kieran Hurley, 2023-01-12
Multi-award-winning Scottish playwright Kieran Hurley has been making waves since the early 2010s with his vivid storytelling and searing honesty, creating plays acutely concerned with society and community, and deeply enmeshed in Scotland's local political context. Tracking the evolution of Hurley's work from his early solo shows to his later large-cast plays and featuring an introduction by Scottish theatre critic Joyce McMillan, this is an exciting collection showcasing one of the UK's most exciting creators of politically-engaged theatre. The plays collected are: *Hitch* (2010): a previously unpublished solo show about Hurley's hitchhiking trip to the 2009 G8 meeting in L'Aquila, exploring the meaning of political protest. *Beats* (2012): a coming-of-age story exploring the aftermath of the 1994 Criminal Justice Act outlawing raves. It was adapted into a film in 2019, garnering nominations for BIFA Best Debut Screenplay and WGGB Best Screenplay. *Heads Up* (2016): a ferocious piece of storytelling asking what we would do if we found ourselves at the end of our world as we know it.

(Winner of the Fringe First Award 2016.)
Mouthpiece (2018): an unflinching Edinburgh-centric two-hander which examines whether it's possible to tell someone else's story without exploiting them along the way. (Winner of the Carol Tambor Best of Edinburgh Award 2019.) The Enemy (2021): a provocative and timely drama offering a uniquely Scottish take on Henrik Ibsen's timeless work An Enemy of the People.

Magick and Murder Suzan Harden, 2024-03-22 It's been eleven years since supernaturals were revealed to the world during the eruption of Mount Rainier. But small town life in Millersburg, Ohio, hasn't changed that much. At least, not until an anti-supernatural activist is killed in town, and Kaley and Kirsten's mom is accused of murder. How do the twins prove their mom's innocence when the jerk was obviously killed by magick? Suzan Harden, the author of the Bloodlines and the Soccer Moms of the Apocalypse series, brings you this paranormal mystery set in the heart of Ohio Amish country that will chill and thrill you at the same time!

New Plays from the Abbey Theatre Judy Friel, Sanford Sternlicht, 2001-09-01 These selected plays illustrate the extraordinary variety of Irish drama today as well as the brilliance of Irish playwrights, both seasoned veterans and those beginning to build reputations on the stages of the world's premier national theater, The Abbey. The first play, Sour Grapes by award-winning playwright Michael Harding, explores the taboos of seminary life including pedophilia and homosexuality. Thomas Kilroy's The Secret Fall of

Constance Wilde tells the historical drama of the marriage of Constance to Oscar Wilde and recounts the tragedy that was her marriage and life. Interlocking lived of a varied group of eight morally adrift young Dublin women and men, Alex Johnston's dramatic comedy Melonfarmer illuminates the difficulty of human communication in a fast-paced urban society. By the Bog of Cats by Marina Carr completes the volume in an intense, profound, and poetic tragedy of brutal Irish rural-Midlands life in which money and land outweigh all other values.

An Arrow to the Heart Kit Cain, 2006-05-15 An Arrow To The Heart is decidedly not a standard conventional love story la Cupid's arrow! It's more like discovering too late that one's potential soul mate is equally attracted to a cat-a wildcat, to be precise- in the form of an 18 year-old daughter who is twice as precocious and desirable as her mother. It's a challenge for none other than a master of the universe, and that master is Jack Diamond himself-the Master of the Welded Bead and the lead character in the story which goes by that same name. It is actually a continuation of that story, written originally as a follow-on screenplay, but of such a different character as to demand its own title. The story is unique in that it demonstrates that no matter how advanced, developed, or experienced the soul, the vastness of the Event-Former's intelligence is always tossing a new combination of ingredients into life's cake to make the temptations of Satan seem like child's play next to the cake baked to tempt mastery's extended capabilities. What would

you have done wearing the shoes of any of the story's principle characters?

The Enemy Kieran Hurley, 2021-12-17 In a once-great Scottish town, a massive redevelopment project promises to bring money, jobs and new prospects to its forgotten population. However, when Dr Kirsten Stockmann discovers a dangerous secret, she knows she must bring the truth to light – no matter the cost. A provocative and timely drama about corruption, politics and the media, *The Enemy* is a uniquely Scottish take on Henrik Ibsen's timeless work *An Enemy of the People*, written by award-winning playwright Kieran Hurley. This edition was published to coincide with its National Theatre of Scotland production in October 2021.

Space Academy, Stargate Search Mark

Nicholas, Jane Christine, 2002-03 When a space ship enters a stargate, it can jump dozens of light-years in an eyeblink. But the stargates are few, and the ship has to go where the gate leads. What if they could be created? In the second volume of the *Space Academy* series, Kirsten tries to help a research physicist answer that question. But is there someone on campus who doesn't want them to succeed?

The common drugs in 1860 were opium and alcohol, along with new discoveries such as cocaine and morphia, and the tinctures and potions of the people. Otto's doctor sets out a way Otto can get Hildegard off the drugs, but before Otto can do anything, some awful things happen. Young girls are attacked on his estate, someone is stealing, and a man is murdered in bed. Who is doing the crimes? And why?

Tinctures and Tantrums Laurie Campbell, 2011-12 Otto tries to find out what is wrong with Hildegard. People have all sorts of theories, typical of the nineteenth century, such as she's possessed or she's mad. You wouldn't think the doctor would give her something that would affect her behavior to that effect, would you? It all comes down to her potions from the doctor and the tinctures from her old nanny. Now what can Otto do? Can he help her by taking them away?
