Night of the Living Dead Live Christopher Bond,Dale Boyer,Jamie Lamb,2017-10-23 Six strangers, a lonely farmhouse, surrounded by brain-eating zombies - what could go wrong? Night of the Living Dead(TM) Live is a fun and hilarious re-imagining of George A. Romero's legendary classic. Set in 1968 and presented in all black and white, it literally feels like the film has been brought to life and placed onstage. The play lovingly examines the movie itself, the period in which it was made, and the film's undying influence on the horror genre. More than just a re-creation of the story, the play celebrates the history and influence of the movie. Through a series of multiple endings, the characters are all faced with different issues and challenges while desperately trying to survive the

night. However, their contrasting personalities and agendas always seem to prevent the group from working together. Which leaves us all wondering: Could anyone survive a night of the living dead?

**Business Brilliant** Lewis Schiff, 2013-03-19 In *Business Brilliant*, Lewis Schiff combines compelling storytelling with ground-breaking research to show the rest of us what America's self-made rich already know: It's synergy, not serendipity that produces success. He explodes common myths about wealth and explains how legendary entrepreneurs such as Richard Branson, Suze Orman, Steve Jobs, and Warren Buffet have subscribed to a set of priorities that's completely different from those of the middle class. Schiff identifies the seven distinct principles practiced by individuals who may or may not be any smarter than the rest of the population, but seem to understand instinctively how money is made. This guide also reveals how these business icons excel in areas of team building, risk management, and leadership development to accumulate their wealth. He offers a practical four-step program, from choosing one's livelihood and pinpointing skills to focus on, to negotiating job terms and salary, in order to bring upon greater success. *Business Brilliant* by Lewis Schiff, coauthor of *The Middle Class Millionaire: The Rise of the New Rich and How They are Changing America* and *The Armchair Millionaire*, can help you can achieve better results in your business and in your career.

*The Biopolitics of Gender* Jemima Repo, 2016 This title provides a theoretically and methodologically new and distinct approach to gender through the frameworks of biopolitics and genealogy, theorising it as a historically specific apparatus of biopower. Through the use of a diverse mix of historical and contemporary documents, the book explores how the problematisation of intersex infant genitalia in 1950s psychiatry propelled the emergence of the gender apparatus in order to socialise sexed individuals into the ideal productive and reproductive subjects of White, middle-class postwar America.

**The Sixth Station** Linda Stasi, 2013-12-01 Some say Demiel ben Yusef is the world's most dangerous terrorist, personally responsible for bombings and riots that have claimed the lives of thousands. Others insist he is a man of peace, a miracle worker, and possibly even the Son of God. His trial in New York City for crimes against humanity attracts scores of protestors, as well as media and religious leaders from around the world. Cynical reporter Alessandra Russo heads to the UN hoping for a piece of the action, but soon becomes entangled in controversy and suspicion when ben Yusef singles her out for attention among all other reporters. As Alessandra begins digging into ben Yusef's past, she is already in more danger than she knows—and when she is falsely accused of murder during her investigation, she is forced to flee New York. On the run from unknown enemies, Alessandra finds herself on the trail of a global conspiracy and a story that could shake the world to its foundations. Is Demiel ben Yusef the Second Coming or the Antichrist? The truth may lie in the secret history of the Holy Family, a group of Templars who defied the church, and a mysterious relic stained with the sacred blood of Christ Himself.
