100 Bollywood Films Rachel Dwyer, 2019-07-25 Bollywood film is the national cinema of India, describing movies made in Mumbai, distributed nationally across India and with their own production, distribution and exhibition networks worldwide. This informative screen guide reflects the work of key directors, major stars and important music directors and screenplay writers. Historically important films have been included along with certain cult movies and top box office successes. No guide to Hindi film would be complete without discussing: *Mother India*, the national epic of a peasant woman's struggle against nature and society to bring up her family; *Sholay*, a 'curry western' where the all-star cast sing and dance, romance and kill; *Dilwale Dulhania le jayenge*, the greatest of the diaspora films, in which two British Asians fall in love on a holiday in Europe before going to India where they show their elders how to incorporate love into family traditions; *Junglee*, showing how love transforms a 'savage' (junglee) who yells 'Yahoo!' before singing and dancing like Elvis, creating a new youth culture; *Pyaasa*, dramatically shot in black and white film with haunting songs as the romantic poet suffers for his art in the material world; Fans of Bollywood film can debate Rachel Dwyer's personal selection of these 101 titles while those new to the area will find this an invaluable introduction to the best of the genre.

A Time Outside This Time Amitava Kumar,2021-10-05 A blistering novel about a writer's creative response to the daily onslaught of fake news, memory, and the ways in which truth gives over to fiction "An absorbing portrait of an inspired artist in the midst of our maddening cultural moment" —Ayad Akhtar, author of *Homeland Elegies* When Satya, a professor and author, attends a prestigious artists' retreat to write, he finds the pressures of the outside world won't let up: the president rages online; a dangerous virus envelops the globe; and the twenty-four-hour news cycle throws fuel on every fire. For most of the retreat fellows, such stories are unbearable distractions, but for Satya, who sees them play out in both America and his native India, these Orwellian interruptions begin to crystallize into an idea for his new novel, *Enemies of the People*, about the lies we tell ourselves and one another. Satya scours his life for instances in which truth bends toward the imagined and misinformation is mistaken as fact. Mixing Satya's experiences—as a father, husband, and American immigrant—with newspaper clippings, the president's tweets, and observations on famous works of art, *A Time Outside This Time* captures a feverish political moment with intelligence, beauty, and an eye for the uncanny. It is a brilliant interrogation on life in a post-truth era and an attempt to imagine a time outside this one.
