Susan Cahill

Selling Women Short Liza Featherstone,2009-04-20 On television, Wal-Mart employees are smiling women delighted with their jobs. But reality is another story. In 2000, Betty Dukes, a fifty-two-year-old black woman in Pittsburg, California, became the lead plaintiff in *Dukes v. Wal-Mart Stores*, a class action, representing 1.6 million women. In her explosive investigation of this historic lawsuit, journalist Liza Featherstone reveals how Wal-Mart, a self-styled family-oriented, Christian company: Deprives women (but not men) of the training they need to advance. Relegates women to lower-paying jobs like selling baby clothes, reserving the more lucrative positions for men. Inflicts punitive demotions on employees who object to discrimination. Exploits Asian women in its sweatshops in Saipan, a U.S. commonwealth. Featherstone goes on to reveal the creative solutions that Wal-Mart workers around the country have found, like fighting for unions, living-wage ordinances, and childcare options. *Selling Women Short* combines the personal stories of these employees with superb investigative journalism to show why women who work these low-wage jobs are getting a raw deal, and what they are doing about it. A new preface to the paperback edition will reflect on Wal-Mart's response to this lawsuit and its critics-including this one.

Lady Pancake & Sir French Toast Josh Funk,2020-02-28 A thoroughly delicious rhyming story about the funniest food fight ever—perfect for fans of *The Food Group* series. Lady Pancake and Sir French Toast have a beautiful friendship—until they discover that there's only one drop of maple syrup left! The race is ON! Off they go, racing past the Orange Juice Fountain, skiing through Sauerkraut Peak, and reeling down the linguini. But who will enjoy the sweet taste of victory? And could working together be better than tearing each other apart? Praise for the Lady Pancake and Sir French Toast Series: “[R]eaders will giggle their way through this refrigerated fantasyland.”—*Publishers Weekly* “A must purchase.”—*School Library Journal*, starred review Don’t miss the other books in the series: *The Case of the Stinky Stench Mission Defrostable Short & Sweet* *The Great Caper Caper*

Women and Fiction Susan Cahill,1975 From the late 19th-century writings of Kate Chopin to the contemporary works of Alice Walker, this unique collection of 26 stories celebrates the specialness of growing up female and captures the experience of being a woman--in all its similarities and diversity. Includes works by Willa Cather, Doris Lessing, Joyce Carol Oates, Gertrude Stein, Tillie Olsen, and Colette.

Women of the Century Regina Barreca,1993-01-01

Regency Women's Dress Cassidy Percoco,2015-09-17 The distinctive style of the Regency period is a source of endless fascination for fashion academics and historians, living historians, re-enactors and costume designers for stage and screen. Author and fashion historian Cassidy Percoco has delved into little-known museum hoards to create a stunning collection of 26 garments, many with clear provenance tied to a specific location, which have never before been published and never – or very rarely – displayed. Most of the garments have an aspect in their construction that has not been previously documented, from a style of skirt trim to the method of gown closure. This practical guide begins with a general history of the early 19th-century women's dress. This is followed by 26 patterns of gowns, spencers, chemises, and corsets, each with an illustration of the finished piece and description of its construction. This must-have guide is an essential reference for anyone interested in the fashions or the history of the period, or for anyone wishing to recreate their own beautiful Regency clothing.

American Women Short Story Writers Julie Brown,2014-05-01 This collection of original and classic essays examines the contributions that female authors have made to the short story. The introductory chapter discusses why genre critics have ignored works by women and why feminist scholars have ignored the short story genre. Subsequent chapters discuss early stories by such authors as Lydia Maria Child and Rose Terry Cooke. Others are devoted to the influences (race, class, sexual orientation, education) that have shaped women's short fiction through the years. Women's special stylistic, formal and thematic concerns are also discussed in this study. The final essay addresses the ways our contemporary creative-writing classes are stifling the voices of emerging young female authors. The collection includes an extensive five-part bibliography.

Women's Suffrage Dame Millicent Garrett Fawcett,1913

The Sprightly Lady and Her Hurricane and Short Stories from Capt. Gardner M. Kelley Capt. Gardner Martin Kelley,2015-08-20 The SPRIGHTLY LADY and her Hurricane and Short Stories from Capt. Gardner M. Kelley Thelma a rich, SPRIGHTLY LADY with a nice yacht named for herself. She was very disappointed. She had been planning for a cruise to the Abacos, in the Bahamas before going north for the summer. She was looking at a picture of a body in a dingy, behind a sailing yacht. The body was not mentioned in the news. Probably was dumped overboard to save trouble for the officials, just another Bermuda Triangle mystery. The lady decided that she would have to put off going there, until she had some protection devises installed aboard. This would be done at City Island, New York Yacht Yard on the cruise north. She had no intentions of letting her world, her precious floating home be hi-jacked. The furthest we would go this winter would be Miami, Florida. The New River Yacht Yard is where the SPRIGHTLY LADY would soon be hauled out. This was for anti-fouling paint to be put on her bottom. She had a long cruise ahead. Thelma had spent much of her time at the lovely beach. It was not as nice as she remembered it from the past. The owner of the SPRIGHTLY LADY had enjoyed the winter months in Florida, the lavish parties aboard the yacht and her visits ashore to see her friends. Threats from the cold northerly winds were over for now. She sat with her husband Dennis and two other couples at Patricia Murphys elegant restaurant. She made the announcement, We will be off for New York tomorrow. Dennis protested, I have a golf date tomorrow. She said, You have had enough golf for a while, now you can keep me company. The foliage along the banks is already changing, I am anxious to see it all. Photo by Jeremy DEntremont

The Lady Or the Tiger and Other Short Stories Frank Stockton,1992-04-15 Eleven stories deal with fairies, monsters, a sorcerer's mysterious riddle, castles, and dryads

Women & Fiction 2: Short Stories by and about Women Susan Cahill,1978

Women and Fiction Susan Cahill,1975

Scribbling Women Elaine Showalter,1997 From the Publisher: A new mother longing to write is judged hysterical and confined to her bedroom where she slowly loses herself in horrific fantasy. A young girl stirred by two beings--a handsome young man and an ethereal white heron--is forced to make a choice between them. A love affair quashed by convention ignites during a sudden storm. These tales of remarkable and ordinary lives in nineteenth-century America are told throughout women's voices that call out from the kitchen hearth, the solitary room, the prison cell. Stories by Louisa May Alcott, Willa Cather, Kate Chopin, and Edith Wharton, as well as by others less familiar, reveal a universe of emotions hidden beneath parochial scenes. American writers claimed the short story as their national genre in the nineteenth century, and women writers made it the most important outlet for their particular experiences. A unique selection, with an introduction, notes, selected criticism, and a chronology of

the authors' lives and times.

Women & Fiction 2: Short Stories by and about Women ,1978

Some Eminent Women of Our Times: Short Biographical Sketches Millicent Garrett Dame Fawcett,2022-06-13 Some Eminent Women of Our Times: Short Biographical Sketches by Millicent Fawcett is a seminal piece of feminist literature. Aimed at celebrating some of the most important women who have ever lived up until the time of its publishing. This book is the foundation of similar books in the years that have passed since its release.

Best of Women's Short Stories - ,2014-01-01 Some of the great classic short stories inspired by women. This empowering selection of stories explore the many experiences and complexities of womanhood.

British Women Writers and the Short Story, 1850-1930 K. Krueger,2014-03-30 This book addresses a critically neglected genre used by women writers from Gaskell to Woolf to complicate Victorian and modernist notions of gender and social space. Their innovative short stories ask Britons to reconsider where women could live, how they could be identified, and whether they could be contained.

A Manual for Cleaning Women Lucia Berlin,2015-08-18 I have always had faith that the best writers will rise to the top, like cream, sooner or later, and will become exactly as well-known as they should be-their work talked about, quoted, taught, performed, filmed, set to music, anthologized. Perhaps, with the present collection, Lucia Berlin will begin to gain the attention she deserves. -Lydia Davis A MANUAL FOR CLEANING WOMEN compiles the best work of the legendary short-story writer Lucia Berlin. With the grit of Raymond Carver, the humor of Grace Paley, and a blend of wit and melancholy all her own, Berlin crafts miracles from the everyday, uncovering moments of grace in the Laundromats and halfway houses of the American Southwest, in the homes of the Bay Area upper class, among switchboard operators and struggling mothers, hitchhikers and bad Christians. Readers will revel in this remarkable collection from a master of the form and wonder how they'd ever overlooked her in the first place.

American Women's History: A Very Short Introduction Susan Ware,2015-02-15 In 1607, Powhatan teenager Pocahontas first encountered English settlers when John Smith was brought to her village as a captive. In 1920, the ratification of the 19th Amendment gave women the constitutional right to vote. And in 2012, the U.S. Marine Corps lifted its ban on women in active combat, allowing female marines to join the sisterhood of American women who stand at the center of this country's history. Between each of these signal points runs the multi-layered experience of American women, from pre-colonization to the present. In American Women's History: A Very Short Introduction Susan Ware emphasizes the richly diverse experiences of American women as they were shaped by factors such as race, class, religion, geographical location, age, and sexual orientation. The book begins with a comprehensive look at early America, with gender at the center, making it clear that women's experiences were not always the same as men's, and looking at the colonizers as well as the colonized, along with issues of settlement, slavery, and regional variations. She shows how women's domestic and waged labor shaped the Northern economy, and how slavery affected the lives of both free and enslaved Southern women. Ware then moves through the tumultuous decades of industrialization and urbanization, describing the 19th century movements led by women (temperance, moral reform, and abolitionism), She links women's experiences to the familiar events of the Civil War, the Progressive Era, and World War I, culminating in 20th century female activism for civil rights and successive waves of feminism. Ware explores the major transformations in women's history, with attention to a wide range of themes from political activism to popular culture, the work force and the family. From Anne Bradstreet to Ida B. Wells to Eleanor Roosevelt, this Very Short Introduction recognizes women as a force in American history and, more importantly, tells women's history as American history. At the core of Ware's narrative is the recognition that gender - the changing historical and cultural constructions of roles assigned to the biological differences of the sexes - is central to understanding the history of American women's lives, and to the history of the United States. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

Ladies&sortw Introduction

In the digital age, access to information has become easier than ever before. The ability to download Ladies&sortw has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Ladies&sortw has opened up a world of possibilities. Downloading Ladies&sortw provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Ladies&sortw has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Ladies&sortw. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However,

it is essential to be cautious while downloading Ladies&sortw. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Ladies&sortw, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Ladies&sortw has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Ladies&sortw Books

1. Where can I buy Ladies&sortw books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
