The Lampshade Mark Jacobson, 2010-09-14 Few growing up in the aftermath of World War II will ever forget the horrifying reports that Nazi concentration camp doctors had removed the skin of prisoners to make common, everyday lampshades. In *The Lampshade*, bestselling journalist Mark Jacobson tells the story of how he came into possession of one of these awful objects, and of his search to establish the origin, and larger meaning, of what can only be described as an icon of terror. Jacobson's mind-bending historical, moral, and philosophical journey into the recent past and his own soul begins in Hurricane Katrina-ravaged New Orleans. It is only months after the storm, with America's most romantic city still in tatters, when Skip Henderson, an old friend of Jacobson's, purchases an item at a rummage sale: a very strange looking and oddly textured lampshade. When he asks what it's made of, the seller, a man covered with jailhouse tattoos, replies, "That's made from the skin of Jews." The price: \$35. A few days later, Henderson sends the lampshade to Jacobson, saying, "You're the journalist, you find out what it is." The lampshade couldn't possibly be real, could it? But it is. DNA analysis proves it. This revelation sends Jacobson halfway around the world, to Yad Vashem in Jerusalem and to the Buchenwald concentration camp in Germany, where the lampshades were supposedly made on the order of the infamous "Bitch of Buchenwald," Ilse Koch. From the time he grew up in Queens, New York, in the 1950s, Jacobson has heard stories about the human skin lampshade and knew it to be the ultimate symbol of Nazi cruelty. Now he has one of these things in his house with a DNA report to prove it, and almost everything he finds out about it is contradictory, mysterious, shot through with legend and specious

information. Through interviews with forensic experts, famous Holocaust scholars (and deniers), Buchenwald survivors and liberators, and New Orleans thieves and cops, Jacobson gradually comes to see the lampshade as a ghostly illuminator of his own existential status as a Jew, and to understand exactly what that means in the context of human responsibility. One question looms as his search goes on: what to do with the lampshade—this unsettling thing that used to be someone? It is a difficult dilemma to be sure, but far from the last one, since once a lampshade of human skin enters your life, it is very, very hard to forget.

The Butterfly Lampshade Aimee Bender, 2021-06-08

The first novel in ten years from the author of the beloved New York Times bestseller *The Particular Sadness Of Lemon Cake*, a luminous, poignant tale of a mother, a daughter, mental illness, and the fluctuating barrier between the mind and the world. On the night her single mother is taken to a mental hospital after a psychotic episode, eight year-old Francie is staying with her babysitter, waiting to take the train to Los Angeles to go live with her aunt and uncle. There is a lovely lamp next to the couch on which she's sleeping, the shade adorned with butterflies. When she wakes, Francie spies a dead butterfly, exactly matching the ones on the lamp, floating in a glass of water. She drinks it before the babysitter can see. Twenty years later, Francie is compelled to make sense of that moment, and two other incidents -- her discovery of a desiccated beetle from a school paper, and a bouquet of dried roses from some curtains. Her recall is exact -- she is sure these things happened. But despite her certainty, she wrestles with the hold these memories maintain over her, and what they say about her own place in the world. As Francie conjures her past and reduces her

engagement with the world to a bare minimum, she begins to question her relationship to reality. The scenes set in Francie's past glow with the intensity of childhood perception, how physical objects can take on an otherworldly power. The question for Francie is, What do these events signify? And does this power survive childhood? Told in the lush, lilting prose that led the San Francisco Chronicle to say Aimee Bender is a writer who makes you grateful for the very existence of language, *The Butterfly Lampshade* is a heartfelt and heartbreaking examination of the sometimes overwhelming power of the material world, and a broken love between mother and child.

Like a Lampshade in a Whorehouse Phyllis

Diller, 2006-02-16 You think I'm overdressed? This is my slip! No, I'm going to tell you the truth about what I'm wearing. I used to work as a lampshade in a whorehouse. I couldn't get one of the good jobs. From housewife to humorist, Phyllis Diller made millions laugh for over five decades with her groundbreaking comedy. Boasting unique material, a raucous laugh, wild hair, the trademark cigarette holder, and garish clothes, this pioneer blazed a trail for comediennes during the fifties and sixties, leading them out of small dives into the kinds of top venues that had previously played host only to their male counterparts. While her routine broke new ground and opened doors to subsequent generations of female standups, it also served as a form of self-therapy amid a life steeped in tragedy and turmoil. *Like a Lampshade in a Whorehouse* is Phyllis Diller's own story about the struggle and the pain behind the comedy and the success: her Depression-era adolescence; her marriage to the chronically unemployed husband who inspired her most famous comic character, Fang; her desperate attempts to stave off poverty as a

professional comic while raising five children; the disastrous club engagements that coincided with homelessness and separation from her young family; and the problems that clouded her stage and screen success when a second marriage unraveled because of her new spouse's alcoholism and inner demons. Over fifty years after Diller's professional debut as a standup comic, *Like a Lampshade in a Whorehouse* describes her separate careers as an artist and as a piano soloist with symphony orchestras; her failed attempts to become a Playboy centerfold; and her outspoken attitude toward her extensive plastic surgery that earned her a special award from the American Academy of Cosmetic Surgery. It's quite a story.

Woman in a Lampshade Elizabeth Jolley, 1992-02-21
In this masterly collection of stories, Elizabeth Jolley has created a splendid array of characters, all of whom fail to achieve the expected. Her stories are sometimes slyly comic, sometimes disturbing - but always they are written with a delicacy and compassion as moving as the characters themselves.

Living with Pattern Rebecca Atwood, 2016-08-30 A design book filled with beautiful photography and clear ideas for how to use pattern to decorate your home. If you focus on pattern, from texture and color to furniture and textiles, everything else will fall into place. Pattern is the strongest element in any room. In *Living with Pattern*, Rebecca Atwood demystifies how to use that element, a design concept that often confounds and confuses, demonstrating how to seamlessly mix and layer prints throughout a house. She covers pattern usage you probably already have, such as on your duvet cover or in the living room rug, and she also reveals the unexpected places you might not have thought to add it: bathroom

tiles, an arrangement of book spines in a reading nook, or windowpane gridding in your entryway. This stunning book showcases distinct uses of pattern in homes all over the country to inspire you to realize that an injection of pattern can enliven any space, helping to make it uniquely yours.

The Color Master Aimee Bender, 2013-08-13 The bestselling author of *The Particular Sadness of Lemon Cake* returns with a wondrous collection of dreamy, strange, and magical stories. Truly beloved by readers and critics alike, Aimee Bender has become known as something of an enchantress whose lush prose is “moving, fanciful, and gorgeously strange” (People), “richly imagined and bittersweet” (Vanity Fair), and “full of provocative ideas” (The Boston Globe). In her deft hands, “relationships and mundane activities take on mythic qualities” (The Wall Street Journal). In this collection, Bender’s unique talents sparkle brilliantly in stories about people searching for connection through love, sex, and

family—while navigating the often painful realities of their lives. A traumatic event unfolds when a girl with flowing hair of golden wheat appears in an apple orchard, where a group of people await her. A woman plays out a prostitution fantasy with her husband and finds she cannot go back to her old sex life. An ugly woman marries an ogre and struggles to decide if she should stay with him after he mistakenly eats their children. Two sisters travel deep into Malaysia, where one learns the art of mending tigers who have been ripped to shreds. In these deeply resonant stories—evocative, funny, beautiful, and sad—we see ourselves reflected as if in a funhouse mirror. Aimee Bender has once again proven herself to be among the most imaginative, exciting, and intelligent writers of our time.

Tarcutta Wake Josephine Rowe,2016-04-25 In short vignettes and longer stories, Josephine Rowe explores the idea of things that are left behind: souvenirs, scars, prejudice. A mother moves north with her young children who watch her and try to decipher her buried grief. Two photographers document a

nation's guilt in pictures of its people's hands. An underground club in Western Australia plays jazz to nostalgic patrons dreaming of America's Deep South. A young woman struggles to define herself among the litter of objects an ex-lover has left behind.

Wish You Were Here Jodi Picoult, 2021-11-30 #1
NEW YORK TIMES BESTSELLER • From the author of *Small Great Things* and *The Book of Two Ways* comes “a powerfully evocative story of resilience and the triumph of the human spirit” (Taylor Jenkins Reid, author of *The Seven Husbands of Evelyn Hugo* and *Daisy Jones & The Six*) Rights sold to Netflix for adaptation as a feature film • Named one of the best books of the year by *She Reads*
Diana O’Toole is perfectly on track. She will be married by thirty, done having kids by thirty-five, and move out to the New York City suburbs, all while climbing the professional ladder in the cutthroat art auction world. She’s an associate specialist at Sotheby’s now, but her boss has hinted at a promotion if she can close a deal with a high-profile client. She’s not engaged just yet, but she knows her boyfriend, Finn, a surgical resident, is about to propose on their romantic getaway to the Galápagos—days before her thirtieth birthday. Right on time. But then a virus that felt worlds away has appeared in the city, and on the eve of their departure, Finn breaks the news: It’s all hands on deck at the hospital. He has to stay behind. You should still go, he assures her, since it would be a shame for all of their nonrefundable trip to go to waste. And so, reluctantly, she goes. Almost immediately, Diana’s dream vacation goes awry. Her luggage is lost, the Wi-Fi is nearly nonexistent, and the hotel they’d booked is shut down due to the pandemic. In fact, the whole island is now under quarantine, and she is stranded until the borders reopen. Completely isolated, she must venture beyond her comfort zone. Slowly, she carves out a connection with a local family when a teenager with a secret opens up to Diana, despite her father’s suspicion of outsiders. In the Galápagos Islands, where Darwin’s theory of evolution by

natural selection was formed, Diana finds herself examining her relationships, her choices, and herself—and wondering if when she goes home, she too will have evolved into someone completely different.

Wines of Slovenia Julij Nemanič, Janez Bogataj, Rok Kvaternik, Janez Pukšič, 2004 This is the first extensive review of Slovenian vintners and the wines they produce. Written in English, this oenological bible covers 386 vineyards, a remarkable number for such a small country. The book was authored by ethnologist Dr. Janez Bogataj and viniculturalist Dr. Julij Nemanic, and results from the long interest of Rok Kvaternik, chairman of Rokus Publishing House, in the nation's wines. The wines are beautifully photographed by Janez Pukšic. Presented by region, the wines are rated in a four star system and paired to food recommendations. This book is intended for those wishing to purchase Slovenian wines, some of which are now available in this country through several companies, and for those traveling to Slovenia wishing to organize their own wine tasting tours. The book costs \$65, plus \$7.95 shipping and handling.
