Sheri Reynolds

Landing Emma Donoghue, 2008-09-08 An “engaging . . . entertaining journey,” *Landing* explores the pleasures and sorrows of long-distance love in the digital age (The New York Times Book Review). Síle is a stylish citizen of the new Dublin, a veteran flight attendant who’s traveled the world. Jude is a twenty-five-year-old archivist, stubbornly attached to Ireland, Ontario, the tiny town in which she was born and raised. When Jude meets Síle on her first transatlantic plane trip, the spark between them is instant. After a coffee shared at Heathrow Airport, both women return to their lives—but neither can forget their encounter. Over the next year, Jude and Síle connect through emails, phone calls, letters, and the occasional visit. But no matter how passionate, every long-distance relationship comes to a crossroads, because you can’t have a happily ever after when the one you love is a world apart . . . “[Donoghue] explores with a light, sure touch the subject of desire across distances of various kinds: generational, cultural, even spiritual.” —The New York Times Book Review “[A] charming tale.” —Kirkus Reviews

Widder's Landing, 2017-01-25 A young man loses his job and is forced to relocate. No one is hiring in such bleak economic times. America finds itself threatened by a world superpower firmly in control of global trade. Money is scarce, businesses fail, and the Bank of the United States closes its doors. The country will soon be embroiled in another war. This is not present day--the year is 1811. Craig Ridgeway, a 21-year old gunsmith from Lancaster, Pennsylvania, rides a flatboat down the Ohio River and settles in Breckinridge County, Kentucky to try his hand at farming. Through an accidental association with a notorious widow (the past proprietor of a liquor vault and prostitution den), he inherits a patch of rich bottomland,

embraces a nearby family, and falls in love with the abandoned wife of a violent outlaw. Overcoming inexperience and hardships. Craig builds a promising new life, learning how to raise corn, tobacco and hemp. Inspired by the Widder's recipe, he and his wife Mary manufacture bourbon whiskey which he markets profitably in New Orleans. Nature bedazzles in a spectacular show of events--a total solar eclipse, blazing comet, violent earthquakes, and sky-blackening passenger pigeon flights. A new steamboat embarks on its first journey down the Ohio and Mississippi Rivers, ushering in a new economic era. However, good fortune comes at a high price. The looming war with Great Britain disrupts the economy and overshadows Craig's life. He must make choices that affect others in time of conflict. After twice refusing to fight on the northern frontier, he has one last chance to join his fellow Kentuckians in the heroic defense of New Orleans. The epic battle on the sugarcane plantations below the city provides redemption for the young American nation and for Craig who prays to survive, to return home to continue his adventure in life with Mary. Widder's Landing is a story of life, love, and survival set against the rugged Kentucky frontier.

The Landing John Ibbitson, 2008-09 Ben thinks he will always be stuck at Cook's Landing, barely making ends meet like his uncle. But when he meets a wealthy widow from New York City, he sees himself there too. When she hires him to play his violin, he realizes his gift could unlock the possibilities of the world. Then, during a stormy night on Lake Muskoka, everything changes.

Axton Landing Tony Holtzman, 2011-06-01 In the winter of 1858, disease and death stalk the lumberjacks in the logging camp at Axton Landing. Facing the harsh conditions, Cyrus Carter and Jared Mason forge a lasting friendship despite disagreeing on how the plight of the

jacks can be improved. An unusual love triangle, the kidnapping of a fugitive slave, and a desperate attempt to break a logjam add to the suspense of Axton Landing.

First Landing Robert Zubrin, 2001-07-01 From renowned Mars visionary Robert Zubrin comes his much-anticipated debut novel. Filled with startling authenticity, *First Landing* follows humankind's first manned mission to Mars, a new frontier of undreamed-of possibilities—and nightmarish dangers. Five are chosen for the landmark mission to Mars—to become the first humans to walk upon the Red Planet. But when their findings set off a wave of controversy and political upheaval back home, public opinion turns against the Mars mission—and an ineffective government leaves the team stranded. As their situation becomes more desperate, all trust is lost in NASA Mission Control. With differences dividing the crew into warring cliques, life-threatening accidents begin to look like sabotage. Yet somehow the crew must try to pull together. Because if they don't save themselves, no one will.

Crash Landing Liz Hoffman, 2023-03-07 A kaleidoscopic account of the financial carnage of the pandemic, revealing the fear, grit, and gambles that drove the economy's winners and losers—from a leading business reporter “A true masterwork . . . perceptive, well researched, and captivating.”—David M. Rubenstein, co-founder and co-chairman of The Carlyle Group, bestselling author of *How to Invest* It was the ultimate test for CEOs, and almost none of them saw it coming. In early March 2020, with the Dow Jones flirting with 30,000, the world's biggest companies were riding an eleven-year economic high. By the end of the month, millions were out of work, iconic firms were begging for bailouts, and countless small businesses were in freefall. Slick consulting teams and country-club connections were

suddenly of little use: Business leaders were fumbling in the dark, tossing out long-term strategy and making decisions on the fly—decisions that, they hoped, might just save them. In *Crash Landing*, award-winning business journalist Liz Hoffman shows how the pandemic set the economy on fire—but if you look closely, the tinder was already there. After the global financial crisis in 2008, corporate leaders embraced cheap debt and growth at all costs. Wages flatlined. Millions were pushed into the gig economy. Companies crammed workers into offices, and airlines did the same with planes. Wall Street cheered on this relentless march toward efficiency, overlooking the collateral damage and the risks sowed in the process. Based on astonishing access inside some of the world's biggest and most iconic companies, *Crash Landing* is a kaleidoscopic account of the most remarkable period in modern economic history, revealing—through gripping, fly-on-the-wall reporting—how CEOs battled an economic catastrophe for which there was no playbook: among them, Airbnb's Brian Chesky, blindsided by a virus in the middle of a high-stakes effort to go public; American Airlines' Doug Parker, shuttling between K Street and the White House, determined to secure a multibillion-dollar bailout; and Ford's Jim Hackett, as his assembly lines went from building cars to churning out ventilators. In the tradition of *Too Big to Fail* and *The Big Short*, *Crash Landing* exposes the fear, grit, and gambles behind the pandemic economy, while probing its implications for the future of work, corporate leadership, and capitalism itself, asking: Will this remarkable time give rise to newfound resilience, or become just another costly mistake to be forgotten?

Freedom's Landing Anne McCaffrey, 2013-03-26 Kristin Bjornsen lived a normal life, right up until the day the spaceships floated into

view above Denver. As human slaves were herded into the maw of a massive vessel, Kristin realized her normal life was over and her fight for freedom was just beginning... The alien Catteni value strength and intelligence in their slaves—and Kristin has managed to survive her enslavement while hundreds of other humans have not. But her trial has just begun, for now she finds herself part of a massive experiment. The aliens have discovered a new world, and they have a simple way of finding out if it's habitable: drop hundreds of slaves on the surface and see what happens. If they survive, colonization can begin. If not, there are always more slaves.

Hard Landing Lynne Heitman, 2001 As the new manager of the Majestic Airlines operation at Boston's Logan International Airport, Alex Shanahan expects her fair share of turbulence—but not so much, so soon. Logan Airport is in a state of chaos, with divided loyalties tearing it apart. And hanging over everyone's heads is the mysterious suicide of Alex's predecessor.

Angel Landing Alice Hoffman, 2014-09-23 “A good, old-fashioned love story . . . Alice Hoffman's writing at its precise and heartbreaking best.” —The Washington Post Things have changed in Fisher's Cove, the Long Island harbor town where Natalie spent her summers as a girl. The water used to be clean, and from her aunt Minnie's boarding house you could see all the way to Connecticut even on hazy days. Twenty years ago, Minnie never had a problem finding lodgers—but now everyone wants to be in Montauk or the Hamptons. The biggest change of all, though, is the nuclear power plant under construction on Angel Landing. Natalie's boyfriend, Carter, is leading a protest against the plant, and despite the fact that he is more devoted to his environmental work than he is to her, she has followed him to Fisher's Cove. During the days, she works as a therapist at a local

counseling center; in the evenings, she ignores her aunt's disapproval as she waits for Carter to call. But after an explosion lights up the night sky above Angel Landing, Natalie's world is turned upside down. Into her office walks a man with an incredible confession to make, and the more she listens, the more Natalie begins to question the direction of her own life. The conclusions she draws—about passion, commitment, and what her heart truly wants—will lead her to a love she never imagined possible. Told with grace, charm, and wit, *Angel Landing* is a captivating romance and one of Alice Hoffman's most delightful novels.

First Landing Robert Zubrin, 2002 A five-person crew become the first humans to walk upon the Red Planet in a landmark mission to Mars. But when their findings set off a wave of controversy and political upheaval back home, public opinion turns against the mission and they are left stranded. As their situation becomes more desperate, the crew must try to pull together--because if they don't save themselves, no one else will. (August)

Hérons Landing JoAnn Ross, 2018-05-22 There's no place to fall in love like the place you left your heart Welcome to Honeymoon Harbor, the brand-new, long-awaited series by beloved New York Times bestselling author JoAnn Ross, where unforgettable characters come face-to-face with the kind of love that grabs your heart and never lets go. Working as a Las Vegas concierge, Brianna Mannion is an expert at making other people's wishes come true. It's satisfying work, but a visit home to scenic Honeymoon Harbor turns into a permanent stay when she's reminded of everything she's missing: the idyllic small-town charm; the old Victorian house she'd always coveted; and Seth Harper, her best friend's widower and the neighborhood boy she once crushed on—hard. After years spent

serving others, maybe Brianna's finally ready to chase dreams of her own. Since losing his wife, Seth has kept busy running the Harper family's renovation business and flying way under the social radar. But when Brianna hires him to convert her aging dream home into a romantic B and B, working together presents a heart-stopping temptation Seth never saw coming. With guilt and grief his only companions for so long, he'll have to step out of the past long enough to recognize the beautiful life Brianna and he could build together.

Landed: The expatriate's guide to buying and renovating property in Hong Kong Christopher Dillon, Want to buy property in Hong Kong, but don't know where to start? It's easier than you think. Over five years, Christopher Dillon—a unilingual expat—bought and renovated an office, an apartment and a factory in Hong Kong. Based on this experience he wrote *Landed: The expatriate's guide to buying and renovating property in Hong Kong*. *Landed Hong Kong* explains how properties are bought and sold. It introduces the players and the parts of the buying process that are unique to Hong Kong. It profiles the neighborhoods that are popular with expatriates, and outlines alternatives to investing in residential property. And it looks at how to successfully renovate your new property, using case studies with budgets and lessons learned. *Landed Hong Kong* concludes with a list of resources covering everything from architects to utilities.

The Landing of the Pilgrims James Daugherty, 1981-02-12 Learn how and why the Pilgrims left England to come to America! In England in the early 1600s, everyone was forced to join the Church of England. Young William Bradford and his friends believed they had every right to belong to whichever church they wanted. In the name of religious freedom, they fled to Holland, then sailed to America to start a new life. But the winter was harsh, and before a year passed,

half the settlers had died. Yet, through hard work and strong faith, a tough group of Pilgrims did survive. Their belief in freedom of religion became an American ideal that still lives on today. James Daugherty draws on the Pilgrims' own journals to give a fresh and moving account of their life and traditions, their quest for religious freedom, and the founding of one of our nation's most beloved holidays; Thanksgiving.

Hard Landing Thomas Petzinger, Jr., 1996-12-24 In this updated paperback edition of a rich, readable, and authoritative (Fortune) book, Wall Street Journal reporter Petzinger tells the dramatic story of how a dozen men, including Robert Crandall of American Airlines, Frank Borman of Eastern, and Richard Ferris of United, battled for control of the world's airlines.

Widder's Landing Eddie Price, 2012 Craig Ridgeway, a 21-year old gunsmith from Pennsylvania, rides a flatboat down the Ohio River and settles in Breckinridge County, Kentucky to try his hand at farming. Through an accidental association with a notorious widow (the past proprietor of a liquor vault and prostitution den), he inherits a patch of rich bottomland, embraces a nearby family, and falls in love with the abandoned wife of a violent outlaw. Overcoming inexperience and hardships, Craig builds a promising new life, learning how to raise corn, tobacco and hemp. He and his wife Mary manufacture bourbon whiskey, which he markets profitably in New Orleans. A new steamboat embarks on its first journey down the Ohio and Mississippi Rivers, ushering in a new economic era. But good fortune comes at a high price. The looming war with Great Britain disrupts the economy and soon overshadows Craig's life. He must make choices that affect others in times of conflict. Will he risk everything by fighting on the northern frontier? Will he use his

special talents as a gunsmith and marksman to help his nation? After twice refusing to fight on the northern frontier, he has one last chance to join his fellow Kentuckians in the heroic defense of New Orleans. The epic battle on the sugarcane plantations below the city provides redemption for the young American nation and for Craig, as he returns home to continue his adventure in life with Mary.

Butterfly Landing Kimani Norrington-Sands, Marlene Ochetti, 2019-08-22 Butterfly Landing brings the painful issue of child sexual abuse out of the shadows of secrecy and shame. The reader is introduced to Maya, an African American young girl, who has experienced sexual abuse. Butterfly Landing invites the reader on Maya's journey as she learns how to express her feelings and thoughts, seek help, and start the healing process.

Bitterroot Landing Sheri Reynolds, 1997-04-01 Jael hears voices. Some are real, like the voices of the others in her incest-survivor group, or the homeless woman she meets at the laundry. Some are more mysterious, like the Virgin Mary's. Jael was born into a hard life, but she's a survivor, growing stronger all the time. Waiting for the day when the only voice she needs is her own. So I was a ward of the court, and I slept on a cot in the basement of the Pentecostal church until old River Bill, a recently widowed deacon, offered to take me in. The church lady who came to bring me food and extra clothes delivered the news. As she picked nits out of my hair, she said it was a miracle from God that a man like River Bill would take a wild girl like me to raise as his own daughter . . .

Bishop's Landing Richard Forsythe, 1983-12

Hello, World! Moon Landing Jill McDonald, 2019-06-04 Learn from home and explore the world with these fun and easy board books! Discover all about the first moon landing with the hit nonfiction

Landing Introduction

Landing Offers over 60,000 free eBooks, including many classics that are in the public domain.

Open Library: Provides access to over 1 million free eBooks,

including classic literature and contemporary works. Landing

Offers a vast collection of books, some of which are available for free as PDF downloads,

particularly older books in the public domain. Landing : This

website hosts a vast collection of scientific articles, books, and

textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications.

Internet Archive for Landing :

Has an extensive collection of digital content, including books,

articles, videos, and more. It has a massive library of free

downloadable books. Free-eBooks

Landing Offers a diverse range of free eBooks across various genres.

Landing Focuses mainly on

educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Landing Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Landing, especially related to Landing, might be challenging as they're often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Landing, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Landing books or magazines might include. Look for these in online stores or libraries. Remember that while Landing, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them

from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Landing eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Landing full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Landing eBooks, including some popular titles.

FAQs About Landing Books

1. Where can I buy Landing books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Landing book to read? Genres: Consider the genre you

enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
