Firefly Lane Kristin Hannah, 2008-02-05 From the New York Times bestselling author Kristin Hannah comes a powerful novel of love, loss, and the magic of friendship. . . . now a #1 Netflix series! In the turbulent summer of 1974, Kate Mularkey has accepted her place at the bottom of the eighth-grade social food chain. Then, to her amazement, the coolest girl in the world moves in across the street and wants to be her friend. Tully Hart seems to have it all---beauty, brains, ambition. On the surface they are as opposite as two people can be: Kate, doomed to be forever uncool, with a loving family who mortifies her at every turn. Tully, steeped in glamour and mystery, but with a secret that is destroying her. They make a pact to be best friends forever; by summer's end they've become Tully and Kate. Inseparable. So begins Kristin Hannah's magnificent new novel. Spanning more than three decades and playing out across the ever-changing face of the Pacific Northwest, *Firefly Lane* is the poignant, powerful story of two women and the friendship that becomes the bulkhead of their lives. From the beginning, Tully is desperate to prove her worth to the world. Abandoned by her mother at an early age, she longs to be loved unconditionally. In the glittering, big-hair era of the eighties, she looks to men to fill the void in her soul. But in the buttoned-down nineties, it is television news that captivates her. She will follow her own blind ambition to New York and around the globe, finding fame and success . . . and loneliness. Kate knows early on that her life will be nothing special. Throughout college, she pretends to be driven by a need for success, but all she really wants is to fall in love and have children and live an ordinary life. In her own quiet way, Kate is as driven as Tully. What she doesn't know is how being a wife and mother will change her . . . how she'll

lose sight of who she once was, and what she once wanted. And how much she'll envy her famous best friend. . . . For thirty years, Tully and Kate buoy each other through life, weathering the storms of friendship---jealousy, anger, hurt, resentment. They think they've survived it all until a single act of betrayal tears them apart . . . and puts their courage and friendship to the ultimate test. *Firefly Lane* is for anyone who ever drank Boone's Farm apple wine while listening to Abba or Fleetwood Mac. More than a coming-of-age novel, it's the story of a generation of women who were both blessed and cursed by choices. It's about promises and secrets and betrayals. And ultimately, about the one person who really, truly knows you---and knows what has the power to hurt you . . . and heal you. *Firefly Lane* is a story you'll never forget . . . one you'll want to pass on to your best friend.

A Dark and Secret Place Jen Williams, 2021-06-08 For fans of Kathleen Barber and Julia Heaberlin comes a chilling psychological suspense from award-winning author Jen Williams about a woman who discovers her late mother had a decades-long secret correspondence with a serial killer, begging the question: how well do we know our own family and even ourselves? When prodigal daughter Heather Evans returns to her family home after her mother's baffling suicide, she makes an alarming discovery-- stacks and stacks of carefully preserved letters from notorious serial killer Michael Reave. The Red Wolf, as he was dubbed by the press, has been in prison for over twenty years, serving a life sentence for the gruesome and ritualistic murders of several women across the country, although he has always protested his innocence. The police have had no reason to listen, yet Heather isn't the only one to have cause to re-

examine the murders. The body of a young woman has just been found, dismembered and placed inside a tree, the corpse planted with flowers. Just as the Red Wolf once did. What did Heather's mother know? Why did she kill herself? And with the monstrous Red Wolf safely locked inside a maximum security prison, who is stalking young women now? Teaming up with DI Ben Parker, Heather hopes to get some answers for herself and for the newest victims of this depraved murderer. Yet to do that, she must speak to Michael Reave herself, and expose herself to truths she may not be ready to face. Something dark is walking in the woods, and it knows her all too well.

A Star Is Bored Byron Lane, 2020-07-28 *A Star is Bored* is an absolute knockout. Riotously funny and wickedly tender. — Taylor Jenkins Reid, New York Times bestselling author of *Daisy Jones and the Six* Wildly funny and irreverent... Lane's writing lifts the novel far above its gossamer Hollywood setting, suffusing [the novel] with a complex sensitivity. - The New York Times Book Review A hilariously heartfelt novel influenced in part by the author's time assisting Carrie Fisher. People Magazine Best Book of Summer 2020 - Named a Must-Read Summer book by Town & Country - Named One of the 14 Best Books of Summer 2020 by Harper's Bazaar - One of Library Journal's 2020 Titles to Watch - One of the 30 Best Beach Reads According to Parade Magazine She needs an assistant. He needs a hero. Charlie Besson is tense and sweating as he prepares for a wild job interview. His car is idling, like his life, outside the Hollywood mansion of Kathi Kannon, star of stage and screen and People magazine's Worst Dressed list. She's an actress in need of assistance, and he's adrift and in need of a lifeline. Kathi is an icon, bestselling author, and award-winning movie star, most known for her role as Priestess Talara in a blockbuster sci-fi

film. She's also known in another role: Outrageous Hollywood royalty. Admittedly so. Famously so. Chaotically so, as Charlie quickly discovers. Charlie gets the job, and his three-year odyssey is filled with late-night shopping sprees, last-minute trips to see the aurora borealis, and an initiation to that most sacred of Hollywood tribes: the personal assistant. But Kathi becomes much more than a boss, and as their friendship grows Charlie must make a choice. Will he always be on the sidelines of life, assisting the great forces that be, or can he step into his own life's leading role? Laugh-out-loud funny, and searingly poignant, Byron Lane's *A Star is Bored* is a novel that, like the star at its center, is enchanting and joyous, heartbreaking and hopeful.

A Dare Too Far Charlie Lane, 2021-11-22 In this friends-to-lovers Regency romance by Charlie Lane, an independent lady and a cautious earl must do the most daring thing of all—fall in love. A daring lady. A caring earl. And a Christmas house party that turns love into a dangerous game. The Earl of Abbington is not a daring man. Responsible for the care of an opium-addicted uncle, George's life poses dangers to a bride that he'll never risk. It's why he avoided the independent and kind Lady Jane last year, despite her brother's request he protect her during her season. His neglect no doubt led to Jane's tattered reputation. In reparation, he's sent pre-approved suitors to the house party to ensure she marries well, not to a man whose life is a nightmare. Lady Jane is done being daring. Her daring spirit ruined her reputation, her family's social standing, and her brother's marital prospects. But a Christmas house party attended by a coterie of willing suitors can put everything right. Plain of face and ordinary of intellect, Jane knows she'll never find love. And she doesn't want it anyway. Love is the most daring thing a woman can do, after all.

Instead, she'll develop a system to test her suitors and discover the best husband for a practical sort of marriage. Jane needs George's help choosing a husband, but George soon realizes he can't give it without betraying his own heart. Together, they must find the courage to face the dangers of love or lose the love of a lifetime. The Debutante Dares Series #1 Daring the Duke #2 A Dare too Far #3 Kiss or Dare

Power, Sex, Suicide Nick Lane, 2005-10-13 Mitochondria are tiny structures located inside our cells that carry out the essential task of producing energy for the cell. They are found in all complex living things, and in that sense, they are fundamental for driving complex life on the planet. But there is much more to them than that. Mitochondria have their own DNA, with their own small collection of genes, separate from those in the cell nucleus. It is thought that they were once bacteria living independent lives. Their enslavement within the larger cell was a turning point in the evolution of life, enabling the development of complex organisms and, closely related, the origin of two sexes. Unlike the DNA in the nucleus, mitochondrial DNA is passed down exclusively (or almost exclusively) via the female line. That's why it has been used by some researchers to trace human ancestry daughter-to-mother, to 'Mitochondrial Eve'. Mitochondria give us important information about our evolutionary history. And that's not all. Mitochondrial genes mutate much faster than those in the nucleus because of the free radicals produced in their energy-generating role. This high mutation rate lies behind our ageing and certain congenital

diseases. The latest research suggests that mitochondria play a key role in degenerative diseases such as cancer, through their involvement in precipitating cell suicide. Mitochondria, then, are pivotal in power, sex, and suicide. In this fascinating and thought-provoking book, Nick Lane brings together the latest research findings in this exciting field to show how our growing understanding of mitochondria is shedding light on how complex life evolved, why sex arose (why don't we just bud?), and why we age and die. This understanding is of fundamental importance, both in understanding how we and all other complex life came to be, but also in order to be able to control our own illnesses, and delay our degeneration and death. 'An extraordinary account of groundbreaking modern science... The book abounds with interesting and important ideas.' Mark Ridley, Department of Zoology, University of Oxford

Fly Away Kristin Hannah, 2013-04-23 Return to the world of FIREFLY LANE—now a Netflix series—from #1 New York Times bestselling author Kristin Hannah. Once, a long time ago, I walked down a night-darkened road called Firefly Lane, all alone, on the worst night of my life, and I found a kindred spirit. That was our beginning. More than thirty years ago. Tully and Kate. You and me against the world. Best friends forever. But stories end, don't they? You lose the people you love and you have to find a way to go on. . . . Tully Hart has always been larger than life, a woman fueled by big dreams and driven by memories of a painful past. She thinks she can overcome anything until her best friend, Kate Ryan, dies. Tully tries to fulfill her deathbed promise to Kate--to be there for Kate's children--but Tully knows nothing about family or motherhood or taking care of people. Sixteen-year-old Marah Ryan is devastated by her mother's death. Her father, Johnny, strives to hold the family together, but even with his best efforts, Marah becomes unreachable in her grief. Nothing and no one seems to matter to her . . . until she falls in love with a young man who makes her smile again and leads her into his dangerous, shadowy world. Dorothy Hart--the woman who once called herself Cloud--is at the center of Tully's tragic past. She repeatedly abandoned her daughter, Tully, as a child, but now she comes back, drawn to her daughter's side at a time when Tully is most alone. At long last, Dorothy must face her darkest fear: Only by revealing the ugly secrets of her past can she hope to become the mother her daughter needs. A single, tragic choice and a middle-of-the-night phone call will bring these women together and set them on a poignant,

powerful journey of redemption. Each has lost her way, and they will need each one another--and maybe a miracle--to transform their lives. An emotionally complex, heart-wrenching novel about love, motherhood, loss, and new beginnings, *Fly Away* reminds us that where there is life, there is hope, and where there is love, there is forgiveness. Told with her trademark powerful storytelling and illuminating prose, Kristin Hannah reveals why she is one of the most beloved writers of our day.

Wild. Film Tie-In Cheryl Strayed, James Roxburgh, 2015-01 *A Journey From Lost to Found*. At 26, Cheryl Strayed thought she had lost everything. In the wake of her mother's rapid death from cancer, her family disbanded and her marriage crumbled. With nothing to lose, she made the most impulsive decision of her life: to walk eleven-hundred miles of the west coast of America - from the Mojave Desert, through California and Oregon, and into Washington State - and to do it alone. She had no experience of long-distance hiking and the journey was nothing more than a line on the map. This account captures the agonies - both mental and physical - of her incredible journey.

Lies Told Under Oath Beth Lane, 2012-02-07 In 1912, a prosperous Illinois farm family Charles; his wife, Mathilda; their fifteen-year-old daughter, Blanche; and boarding schoolteacher Emma Kaempfen were brutally murdered, the crime concealed by arson, and the family's surviving son, handsome Ray Pfanschmidt, arrested. He was convicted by the press long before trial. In *Lies Told Under Oath*, author Beth Lane retells the story of the murders, the trial, the verdict, and the aftermath. Using information culled from actual trial transcripts and newspaper accounts, Lane presents the day-to-day testimony as Ray's battle for his life surged through three courtroom dramas complicated by brilliant attorneys, allegations of perjury, charges of rigged evidence, jailhouse informants, legal loopholes, conflict over the large estate being inherited by the alleged murderer, and appeals to the state supreme court. The remaining family became divided over Ray's guilt while his fiancée staunchly stood by him. *Lies Told Under Oath* provides a fascinating, historical account of the times and the people when science was in its infancy, telephones meant shared party lines, bloody evidence was contested (or contrived), and automobiles competed with

bloodhounds and buggies. It captures the essence of an emotional crime that rocked this small Illinois community.
